**Rome's Lost Son** Nov 20 2021  
The sixth installment in Robert Fabbri's epic Vespaian series Rome, AD 51: Vespaian brings Rome's greatest enemy before the Emperor. After eight years of resistance, the British warrior Caratacus has been caught. But even Vespaian's victory cannot remove the newly-made consul from Roman politics: Agrippina, Emperor Claudius's wife, pardons Caratacus. Claudius is a drunken fool and Narcissus and Pallas, his freedmen, are battling for control of his throne. Separately, they decide to send Vespaian East to Armenia to defend Rome's interests. But there is more at stake than protecting a client

kingdom. Rumors abound that Agrippina is involved in a plot to destabilise the East. Vespaian must find a way to serve two masters—Narcissus is determined to ruin Agrippina, Pallas to save her. Meanwhile, the East is in turmoil. A new Jewish cult is flourishing and its adherents refuse to swear loyalty to the Emperor. In Armenia, Vespaian is captured. Immured in the oldest city on earth, how can he escape? And is a Rome ruled by a woman who despises Vespaian any safer than a prison cell?

**The Return of the Prodigal Son** Jan 23 2022 With over a million copies sold, this classic work is essential reading for all who ask, "Where has my struggle led me?" A chance encounter with a reproduction of Rembrandt's The Return of

the Prodigal Son catapulted Henri Nouwen on an unforgettable spiritual adventure. Here he shares the deeply personal and resonant meditation that led him to discover the place within where God has chosen to dwell. As Nouwen reflects on Rembrandt's painting in light of his own life journey, he evokes a powerful drama of the classic parable in a rich, captivating way that is sure to reverberate in the hearts of readers. Nouwen probes the several movements of the parable: the younger son's return, the father's restoration of sonship, the elder son's resentfulness, and the father's compassion. The themes of

homecoming, affirmation, and reconciliation will be newly discovered by all who have known loneliness, dejection, jealousy, or anger. The challenge to love as God loves, and to be loved as God's beloved, will be seen as the ultimate revelation of the parable known to Christians throughout time, and is here represented with a vigor and power fresh for our times. A novel in the bestselling Reverend Curtis Black series The Reverend Curtis Black hasn't spoken to his son, Matthew, in over a year-not since Matthew dropped out of Harvard to marry his girlfriend, Racquel, and be a full-time father to their infant son. Curtis knows that it was he and his wife, Charlotte, who drove Matthew away, but he prays that one day his son will forgive them and come home. Matthew, however, can't seem to forget the pain his parents caused him and Racquel. Still, he wonders if maybe they'd been right, as fatherhood is not what he expected, and Racquel's behavior has become increasingly erratic. Matthew

genuinely wants to be a good husband, though, and swears he'll never repeat his parents' mistakes. But when an old friend expresses her desire for Matthew, the temptation may be too great to resist... Then, there's Dillon Whitfield-Curtis's long-lost-son-who has settled in as a member of the Black family. Yet the transition has been anything but easy. Charlotte, convinced he's only after Curtis's money, wishes he would move back to where he came from. Dillon, however, has no intention of going anywhere. After a lifetime in the shadows, he's determined to take his rightful place as Curtis's first-born son and heir, and he'll do whatever it takes

to win his father's affection-even if it means playing dirty... As jealousy builds and secrets pile up, both of Curtis's sons will be pushed over the edge and forced to take drastic action. Can these two troubled young men find their way back into the Black family fold, or will their family ties be undone once and for all?

Spanning western Europe from 1875 to 1917 and presenting a gothic historical Paris that subverts our old assumptions regarding the City of Light, M. Allen Cunningham's new novel brings a brooding atmosphere and human complexity to an intimate and imaginative portrait of one of the most uniquely sensitive artists of his time, a poet whose odd childhood and difficult early life will both fascinate and perhaps help explain his determination

to stay true to his artistic vision at almost any cost. Here is Rainer Maria Rilke in the grip of his greatest artistic struggle: life itself. Rilke's gripping emotional drama as child, lover, husband, father, protégé, misfit soldier, and wanderer is framed by a haunted young figure, a researcher who, a century later, feels compelled to trace Rilke's itinerant footsteps and those of Rilke's fictional alter ego, the bewitched poet Malte Laurids Brigge. The result is an exploration of the forever imperfect loyalties we face in work and life, the seemingly immeasurable distances that can separate life and art, and the generational tensions

between masters and admirers.

*The Lost Child of Philomena Lee* Dec 10 2020 The Lost Child of Philomena Lee is the tale of a mother and a son whose lives were scarred by the forces of hypocrisy on both sides of the Atlantic and of the secrets they were forced to keep. A compelling narrative of human love and loss, Martin

Sixsmith's moving account is both heartbreaking yet ultimately redemptive. When she fell pregnant as a teenager in Ireland in 1952, Philomena Lee was sent to the convent at Roscrea in Co. Tipperary to be looked after as a fallen woman. She cared for her baby for three years until the Church took him from her and sold him, like countless others, to America for adoption. Coerced into signing a document promising never to attempt to see her child again, she nonetheless spent the next fifty years secretly searching for him, unaware that he was searching for her from across the Atlantic. Philomena's son, renamed Michael Hess, grew

up to be a top Washington lawyer and a leading Republican official in the Reagan and Bush administrations. But he was a gay man in a homophobic party where he had to conceal not only his sexuality but, eventually, the fact that he had AIDs. With little time left, he returned to Ireland and the convent where he was born: his desperate quest to find his mother before he died left a legacy that was to unfold with unexpected consequences for all involved. Inspired the film *Philomena* starring Judi Dench and Steve Coogan.

The Adventurer's Son Aug 25  
2019 NATIONAL BESTSELLER  
"Destined to become an adventure classic."

—Anchorage Daily News Hailed as "gripping" (New York Times) and "beautiful" (Washington Post), *The Adventurer's Son* is Roman Dial's extraordinary and widely acclaimed account of his two-year quest to unravel the

mystery of his son's disappearance in the jungles of Costa Rica. In the predawn hours of July 10, 2014, the twenty-seven-year-old son of preeminent Alaskan scientist and National Geographic Explorer Roman Dial, walked alone into Corcovado National Park, an untracked rainforest along Costa Rica's remote Pacific Coast that shelters miners, poachers, and drug smugglers. He carried a light backpack and machete. Before he left, Cody Roman Dial emailed his father: "I am not sure how long it will take me, but I'm planning on doing 4 days in the jungle and a day to walk out. I'll be bounded by a trail to the west and the coast

everywhere else, so it should be difficult to get lost forever." They were the last words Dial received from his son. As soon as he realized Cody Roman's return date had passed, Dial set off for Costa Rica. As he trekked through the dense jungle, interviewing locals and searching for clues—the authorities suspected murder—the desperate father was forced to confront the deepest questions about himself and his own role in the events. Roman had raised his son to be fearless, to be at home in earth's wildest places, travelling together through rugged Alaska to remote Borneo and Bhutan. Was he responsible for his son's fate?

Or, as he hoped, was Cody Roman safe and using his wilderness skills on a solo adventure from which he would emerge at any moment? Part detective story set in the most beautiful yet dangerous reaches of the planet, *The Adventurer's Son* emerges as a far deeper tale of discovery—a journey to understand the truth about those we love the most. *The Adventurer's Son* includes fifty black-and-white photographs.

[Lost Son](#) Mar 25 2022 By any

measure, Hermann Broch was one of the greatest writers of the twentieth century. Author of *The Sleepwalkers* and *The Spell*, he stands, together with James Joyce and Marcel Proust, at the pinnacle of literary Modernism. Born in 1886, he saw the First World War destroy the culture and consciousness of what had come before, seeing the West thrust unwillingly into the modern age. By 1938 Broch found himself arrested and detained, during which time he began work on his greatest novel, *The Death of Virgil*. Dozens of friends from all over the world managed to help him find his release and he moved to the United States where he

lived for the rest of his life. With his wife Franziska, Broch had only a single child, Armand. While Broch had become preoccupied with deep questions of philosophy, psychology, and politics, his son became a thoroughgoing materialist. Sent away to an elite boarding school when 14, Armand found himself surrounded by students from the richest families in Europe. He became devoted to sports, to fast luxury cars (his father did not even know how to drive), and to the first class lifestyle of his classmates. These letters show the profound breach that developed between father and son. They also provide a

portrait of the Gilded Age, a time of remarkable change, as Europe headed on a course of horrible inevitability. Letters from Broch during this time are uncommon, so we also get a chance to follow the trajectory of his life as he prepares to leave his job as an industrialist

and devote himself to study and to writing.
