Mr. Nice Guy Apr 23 2022 Named one of Cosmopolitan's Best Books of 2018 From the husband and wife writing duo Jennifer Miller and Jason Feifer comes Mr. Nice Guy, a funny and all too real comedy about the pursuit of success in life—and love—in today's working world. Lucas Callahan, a man who gave up his law degree, fiancée and small-town future for a shot at making it in the Big Apple. He snags an entry-level job at Empire magazine, believing it's only a matter of time before he becomes a famous writer. And then late one night in a downtown bar he meets a gorgeous brunette who takes him home... Carmen Kelly wanted to be a hard-hitting journalist, only to find herself cast in the role of Empire's sex columnist thanks to the boys' club mentality of Manhattan magazines. Her latest piece is about an unfortunate—and unsatisfying—encounter with an awkward and nerdy guy, who was nice enough to look at but horribly inexperienced in bed. Lucas only discovers that he's slept with the infamous Carmen Kelly—that is, his own magazine's sex columnist!—when he reads her printed take-down. Humiliated and furious, he pens a rebuttal and signs it, "Nice Guy." Empire publishes it, and the pair of columns go viral. Readers demand more. So the magazine makes an arrangement: Each week, Carmen and Lucas will sleep together... and write dueling accounts of their sexual exploits. It's the most provocative sexual relationship any couple has had, but the columnist-lovers are soon engaging in more than a war of words: They become seduced by the city's rich and powerful, tempted by fame, and more attracted to each other than they're willing to admit. In the end, they will have to choose between ambition, love, and the consequences of total honesty. "The Devil Wears Prada meets Sex and the City—a page-turner that's part sex diary, part coming-of-age story." —Carolyn Kylstra, editor in chief, SELF "I COULD NOT PUT THIS BOOK DOWN!!! It totally messed up my week, it messed up my deadlines, but I absolutely loved it." —Kevin Kwan, author of Crazy Rich Asians

Mother's Boy Jan 20 2022 Howard Jacobson's funny, revealing and tender memoir of his path to becoming a writer It's my theory that only the unhappy, the uncomfortable, the gauche, the badly put together, aspire to make art. Why would you seek to reshape the world unless you were ill-at-ease in it? And I came out of the womb in every sense the wrong way round. In Mother's Boy, Booker-Prize winner Howard Jacobson reveals how he became a writer. It is an exploration of belonging and not-belonging, of being an insider and outsider, both English and Jewish. Jacobson was forty when his first novel was published. In Mother's Boy he traces the life that brought him there. Born to a working-class family in 1940s Manchester, the great-grandson of Lithuanian and Russian immigrants, Jacobson was raised by his mother, grandmother and aunt Joyce. His father was a regimental tailor, as well as an upholsterer, a market-stall holder, a taxi driver, a balloonist, and a magician. Grappling always with his family's history and his Jewish identity, Jacobson takes us from the growing pains of childhood to studying at Cambridge under F.R. Leavis, and landing in Sydney as a maverick young professor on campus. After his first marriage and the birth of his son, he lived in places as disparate as London, Wolverhampton, Boscawen and Melbourne, and worked many different jobs to make ends meet, from selling handbags on a market stall, to teaching English in schools, universities and sometimes football stadiums, and even helping to run an Australian-inspired restaurant in the middle of Cornwall. Full of Jacobson's trademark humour and infused with bittersweet memories of his parents, this is the story of a writer's beginnings - as well as the twists and turns that life takes - and of learning to understand who you are before you can become the writer you were meant to be.

Models Jun 20 2019 "You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, The Subtle Art of Not Giving A F*ck, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In Models he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, Models is a mature and honest guide on how a man can attract women by giving up the bullshit and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post

The Wonder of Boys Jan 28 2020 "THE WONDER OF BOYS is a provocative book that electrifies the debate over how this nation raises sons." — USA Today In this insightful and practical book, Michael Gurian describes what boys need to become strong, responsible, sensitive men. Instead of encouraging us to stifle boys' natural propensities for competition and aggression, Gurian offers effective and practical guidelines for channeling them. He shows how the evils boys are susceptible to, including gang activity, sexual misconduct, and crime, become necessary outlets when positive role models and adult support are not available. Most important, Gurian explains what a boy really needs—a primary and an extended family, relationships with mentors, and intense support from his school and community—and details how we can provide these things for the boys we love.

No More Mr. Nice Guy Jun 13 2021 Have you always been the guy that all the girls you want to date or sleep with have always tag and treat you as a friend? Are you stuck in the friend zone's vicious cycle when all you want is to date the woman you are interested in and not become her friend? Or maybe you've thought why

been so nice to women you are interested in is a bad idea, and you don't know how to stop being a nice guy who always gets the "I only see you as a friend" vibe from women? If you have always wanted to get the girl and not be her friend or close buddy, this book answers what you have been looking for. This short but value-packed book is for men who want to stop being a nice guy who always doesn't get the girl he wants and wants to turn to the man who women she likes and love want to date and even be so much in love with. Let face the truth, being a nice guy sucks! And yes, I have been there before many years ago when I am the chief resident officer of the nice guy villa while thinking I am so nice, agreeable, affectionate, gentle on the women I want, subtle and many more good words that I think women should love me for. But the harsh reality I faced then showed me I was doing everything wrong, which makes the girls I want to date only want to be my friend and nothing more. It's cool to be nice, but you know that being nice and even ultimately being a nice guy isn't working for you. If you have always been that nice guy, this book tells you everything you need to stop being Mr. Nice Guy who doesn't get the girl he wants to the one who is still nice and gets all the girls he wants to date and have a relationship with. In this book, you will learn: My journey as a nice guy for years and how a nice guy screwed me up many times and what you should learn from my nice guy experience will cause you to get any girl you want from now on. Why being nice is a bad idea when you meet a girl you love to date. The qualities you need to start developing as a man to make sure you stop getting the results you are getting now from women like a nice guy. Insanity, they say, is doing the same thing all the time and expecting different results. In this book, you will learn all the new things you should be doing and the mindset you should develop to win as a nice guy. What women need that you don't know. These things are what have helped you get friend-zoned as a nice guy many times. In this book, you will learn what women need, and in giving them that, you increase your chance of dating them and even sleeping with them (if you want to). I have been the poster boy for a nice guy for years, and after being tired of getting the same "let's be friends" vibe from many women I love to date, I started digging to learn what I was doing wrong and what I should be doing to get the girls I want. The result of my many months of digging helped me for years to start dating hot women I would have never been able to date before I started fixing my nice guy problem. If I can overcome my nice guy problem, then why not share all I know with other nice guys out there who are seriously looking for a solution to stop being a Mr. Nice Guy. The result of that, though, is this book. You will learn a lot about how not to be a nice guy again in this book, and I guarantee there will be a shift in result for good if you read this book and implement everything you will learn in the book. Would you love to stop being Mr. Nice Guy and start getting the girls you want to date from now on? Scroll to the top of this page and click on the buy button **No More Mr. Nice Guy!** Oct 29 2022 Debunks the "nice guy syndrome," the need to please others at one's own expense with the hope of receiving happiness, love, and fulfillment, and offers advice for how to rediscover oneself, revive one's sex life, and build better relationships with others.

Mr Nice & Mrs Marks Mar 30 2020 'I have long wanted to write a book about my life and the extraordinary years I spent with my husband Howard Marks. I feel now is the time. I want to write it from a woman's perspective and describe what it was like to be married to such a charismatic drug smuggler.' Judy Marks Howard Marks's story has passed into hippie folklore. At one time, the world's then most wanted man had 43 aliases, 89 phone lines and 25 registered companies. Thanks to the technical brilliance of his networking skills, it was estimated that he was trafficking as much as a tenth of all the marijuana smoked in the world. But this is only half the story. Intimately involved throughout was Marks's wife Judy. From living the high life hobnobbing with movie stars and euro trash to mixing it with the IRA and CIA, then the long, increasingly desperate years on the run, Mr Nice and Mrs Marks is about the exhilaration of their criminal life and the hell of not knowing what's happening when your husband stops telling you the truth. Now, for the first time, Judy tells her own side of the tale.

Lessons in Chemistry Aug 23 2019 A delight for readers of Where'd You Go, Bernadette, this blockbuster debut set in 1960s California features the singular voice of Elizabeth Zott, a scientist whose career takes a detour when she becomes the star of a beloved TV cooking show. Elizabeth Zott is not your average woman. In fact Elizabeth Zott would be the first to point out that there is no such thing as an average woman. But it's the 1960s and despite the fact that she is a scientist, her peers are very unscientific when it comes to equality. The only good thing to happen to her on the road to professional fulfillment is a run-in with her super-star colleague Calvin Evans (well, she stole his beakers). The only man who ever treated her—as equal, Calvin is already a legend and Nobel nominee. He's also awkward, kind and tenacious. Theirs is true chemistry. But as events are never as predictable as chemical reactions, three years later Elizabeth Zott is an unwed, single mother (did we mention it's the early 60s?) and the star of America's most beloved cooking show *Supper at Six*. Elizabeth's singular approach to cooking ("take one pint of H₂O and add a pinch of sodium chloride") and independent example are proving revolutionary. Because Elizabeth isn't just teaching women how to cook, she's teaching them how to change the status quo. Laugh-out-loud funny, shrewdly observant and studded with a dazzling cast of supporting characters (including the best canine character in years), *Lessons in Chemistry* is as original and vibrant as its protagonist.
