[Husbands, Wives, and Lovers](#) Apr 09 2021 In this interdisciplinary exploration of the cultural and social history of early 19th-century France, Patricia Mainardi focuses on what was considered a major social problem of the time - adultery. In a period when expectations about marriage were changing, the problems of husbands, wives and lovers became a major theme in theatre, literature and the visual arts. The author demonstrates that this intense interest was historically grounded in the post-revolutionary collision between the new concept of the individual's right to happiness and the traditional prerogatives of family and state. duty or happiness more important? Are arranged marriages doomed to be empty of love and poisoned by adultery? Should adulterous wives and their lovers be punished while husbands may commit adultery with impunity? Out of such legal, social and cultural debates ultimately emerged modern bourgeois family values, Mainardi argues. And she illuminates how art, in all its varieties, both influences and is influenced by social change.

[Second Empire](#) Jun 11 2021 "The delicate arc of these poems intimates—rather than tells—a love story: celebration, fear of loss, storm, abandonment, an opening forth. Richie Hofmann disciplines his natural elegance into the sterner recognitions that matter: 'I am a little white omnivore,' the speaker of Second Empire discovers. Mastering directness and indirection, Hofmann's poems break through their own beauty."—Rosanna Warren This debut's spare, delicate poems explore ways we experience the afterlife of beauty while ornately examining lust, loss, and identity. Drawing upon traditions of amorous sonnets, these love-elegies desire an artistic and sexual connection to others—other times, other places—in order to understand aesthetic pleasures the speaker craves. Distant and formal, the poems feel both ancient and contemporary. Antique Book The sky was crazed with swallows. We walked in the frozen grass of your new city, I was gauzed with sleep. Trees shook down their gaudy nests. The ceramic pots were caparisoned with snow. I was jealous of the river, how the light broke it, of the skein of windows where we saw ourselves. Where we walked, the ice cracked like an antique book, opening and closing. The leaves beneath it were the marbled pages. Richie Hofmann is the winner of a Ruth Lilly Fellowship from the Poetry Foundation, and his poems have appeared or are forthcoming in the New Yorker, Poetry, the Kenyon Review, and Ploughshares. A graduate of the Johns Hopkins University MFA program, he is currently a Creative Writing Fellow in Poetry at Emory University.

**Collected Poems** Jul 24 2022 A revised edition of this major writer's complete poetical work And I who was walking with the earth at my waist, saw two snowy eagles and a naked girl. The one was the other and the girl was neither. -from "Qasida of the Dark Doves" Federico García Lorca was the most beloved poet of twentieth-century Spain and one of the world's most influential modernist writers. His work has long been admired for its passionate urgency and haunting evocation of sorrow and loss. Perhaps more persistently than any writer of his time, he sought to understand and accommodate the numinous sources of his inspiration. Though he died at age thirty-eight, he left behind a generous body of poetry, drama, musical arrangements, and drawings, which continue to surprise and inspire. Christopher Maurer, a leading García Lorca scholar and editor, has brought together new and substantially revised translations by twelve poets and translators, placed side by side with the Spanish originals. The seminal volume *Poet in New York* is also included here in its entirety. This is the most comprehensive collection in English of a poet who—as Maurer writes in his illuminating introduction—"spoke unforgettably of all that most interests us: the otherness of nature, the demons of personal identity and artistic creation, sex, childhood, and death."

**How the French Invented Love** Aug 21 2019 "Absolutely marvelous...lively and learned....Marilyn Yalom's book is a distinguished contribution to our experience of a great literature, as well as an endearing memoir." —Diane Johnson, author of *Lulu in Marrakech* and *Le Divorce* "[An] enchanting tour of French literature—from Abelard and Heloise in the 12th century to Marguerite Duras in the 20th and Philippe Sollers in the 21st." —Publishers Weekly (starred review) How the French Invented Love is an entertaining and masterful history of love à la française by acclaimed scholar Marilyn Yalom. Spanning the Middle Ages to the present, Yalom explores a love-obsessed culture through its great works of literature—from Molière's comic love to the tragic love of Racine, from the existential love of Simone de Beauvoir and Jean-Paul Sartre to the romanticism of George Sand and Alfred de Musset. A thoroughly engaging homage to French culture and literature interlaced with the author's delicious personal anecdotes, *How the French Invented Love* is ideal for fans of Alain de Botton, Adam Gopnik, and Simon Schama.

**Book Lovers** Nov 04 2020 "One of my favorite authors."—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily ? Today ? Parade ? Marie Claire ? Bustle ? PopSugar ? Katie Couric Media ? Book Bub ? SheReads ? Medium ? The Washington Post ? and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

**A Hundred Lovers** Oct 27 2022 An erotic journal in poems, from a rising star in the American poetry scene, author of the highly acclaimed collection *Second Empire*. "A book of love poems that consciously and subversively hearken back to Shakespeare's sonnets, marking Hofmann's position as one of our necessary poets of erotic desire. These short lyrics come together in their discussion of geography, painting, sculpture, and classical music as if to say that love (that queer love!) is indeed as immortal as a poem. Or as Hofmann himself writes, "There is so much to say. It may take until night." —Jericho Brown, Pulitzer Prize-winning author of *The Tradition* *A Hundred Lovers* is a catalog of encounters, sublime, steamy, and frank. Inspired by French autofiction, the poems feel both sharp and diaristic; their lyrical, intimate world brings us everyday scenes imbued with sex. "Eros enters, where shame had lived," the speaker observes, as the poems explore risk and appetite, promiscuity and violence, and, in the wake of his marriage, questions about monogamy and desire. Bringing us both the carefully knotted silk ties of the wedding pair and their undress in a series of Hockney-like interiors where passion colors every object, Hofmann speaks plainly of the saliva, tears, and guts of the carnal, just as he does of the sublime in works of art. *A Hundred Lovers* invites us to consider our own memories of pleasure and pain, which fill the generous white space the poet leaves open to us between his ravishing lines.

**One Hundred Names for Love** Jun 23 2022 Finalist for the Pulitzer Prize and the National Book Critics Circle Award "A testament to the power of creativity in language, life—and love." —Heller McAlpin, Washington Post It is a truism that lovers have their own language. And the love story—extending over more than forty years—of acclaimed writers Diane Ackerman and Paul West is equally a story of the love of language and its mysteries. In this heart-warming, uplifting memoir, Ackerman explores the brain's ability to find and connect words—and of the latest science behind what happens when it fails to do so. Exposing both the terror of losing language and the giddy exhilaration of its recovery, Ackerman opens a window into the experience of wordlessness and testifies to the joyous necessity of wordplay for the health of both mind and spirit.

**One Hundred Years of Solitude** Dec 17 2021 One of the 20th century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

**A Social History of France 1780-1914** Oct 03 2020 This volume provides a lively and authoritative synthesis of recent work on the social history of France and is now thoroughly updated to cover the 'long nineteenth century' from 1789-1914. Peter McPhee offers both a readable narrative and a distinctive, coherent argument about this remarkable century and explores key themes such as: - Peasant interaction with the environment - The changing experience of work and leisure - The nature of crime and protest - Changing demographic patterns and family structures - The religious practices of workers and peasants - The ideology and internal repercussions of colonisation. At the core of this social history is the exercise and experience of 'social relations of power' - not only because in these years there were four periods of protracted upheaval, but also because the history of the workplace, of relations between women and men, adults and children, is all about human interaction. Stimulating and enjoyable to read, this indispensable introduction to nineteenth-century France will help readers to make sense of the often bewildering story of these years, while giving them a better understanding of what it meant to be an inhabitant of France during that turbulent time.

**The Flamenco Tradition in the Works of Federico García Lorca and Carlos Saura** Dec 25 2019 This study explores the meaning and importance of flamenco in the works of two of the most important and influential figures in 20th-century Spanish culture, the poet and playwright Federico García Lorca and the film-maker Carlos Saura. Lorca and Saura shared a fascination for flamenco

as a medium for the existential ideology of the marginalized and disenfranchised and this work evaluates the development of these themes through a close, contextual study of their works, which are linked explicitly by Saura's film adaptation of Lorca's *Bodas de sangre* and, more profoundly, by their use of flamenco to express ideas of sexual and political marginalization in pre- and post-Francoist Spain respectively. The study demonstrates that an understanding of the symbolism, visual style, characters, themes and performance system of flamenco is key to a greater understanding of the social, sexual, political and existential themes in the works of Lorca and Saura.
