Fan Phenomena: Supernatural Oct 07 2020 *Supernatural* premiered on September 13, 2005, on what was then called the WB Network. Creator Eric Kripke was inspired by Jack Kerouac's *On The Road*, putting his heroes, brothers Sam and Dean Winchester, in a big black '67 Impala and sending them in search of the urban legends that fascinated him. The series attracted a passionate fan base from the start and was described as a “cultural attractor” that tapped into the zeitgeist of the moment, reflecting global fears of terrorism with its themes of fighting unseen evil. The chemistry between the lead actors, Jared Padalecki and Jensen Ackles, contributed to the show's initial success, and *Supernatural* found its niche when it combined demon-hunting adventures with a powerful relationship drama that explored the intense,

complicated bond between the brothers. Supernatural is as much a story of familial ties, love, and loyalty as it is of “saving people, hunting things.” Fan Phenomena: Supernatural explores the ongoing fascination and passion for a show that developed a relationship with fans through eight seasons and continues to have an impact on fan culture to the present day. Essays here explore the rich dynamic that has developed between fans and producers, actors, writers, directors, the show creator, and showrunners through online interactions on Twitter and Facebook, face-to-face exchanges at conventions, and representations of fandom within the show's meta-episodes. Contributors also explore gender and sexuality in the show and in fan art; the visual dynamics, cinematography, and symbolism in the episodes as well as the fan videos they inspire; and the culture of influence, learning, and teaching in the series.

*The King in Yellow* Jun 02 2020 Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country's seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten in the joy over repeated

naval victories, and the subsequent ridiculous plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine

bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself.

He loves his lessons with the camp’s harper, but music isn’t part of a miner’s future. He also enjoys helping out with the camp’s watch-wher—a creature distantly related to dragons and uniquely suited to work in dark, cold spaces—but even that important job can’t promise a future above the ground. Then disaster strikes. In one terrible instant, Kindan loses his family and the camp loses its watch-wher. It will take a new friendship and a new responsibility to teach Kindan that even a seemingly impossible dream is never out of reach . . . and that light can be found in the deepest darkness. “A guaranteed pleaser [in] one of SF’s most splendid and longest-lived sagas.”—Booklist “Another delightful entry in the Pern series.”—Publishers Weekly

The Dragon Who Loved Me Aug 05 2020 “There’s never a dull moment with these dragons. Fighting! Mayhem! Danger! . . . a fun read” from the New York Times bestselling author (Vampire Book Club). I was raised for battle. And as the first daughter of a warrior family, I’ve earned my reputation the hard way. Yet now I fight alongside uncivilized male Northland dragons who think a female is only good for breeding and waiting back home in the cave. But it’s the foolish and foolhardy who would try to stop me, Rhona the Fearless, from doing what I do best—destroying the enemies of my kind. So the smartest thing wily barbarian Vigholf the Abhorrent can do for me

is stay out of my way as we risk all on a deadly mission in enemy territory. I don't care if he's fascinated by me, even though he is as attractive as he is resourceful. He's having far too much fun putting me in difficult situations and testing my sense of duty to the limit. And I'm going to enjoy challenging his insufferable confidence, outwitting his schemes, and making him surrender in the wildest ways . . . Praise for the Dragon Kin Series

Crazy Apr 12 2021 CRAZY A MEMOIR is a humorous, adventuresome romp about weed smuggling in the seventies and eighties. The author chronicles his early life in San Antonio and the influence of the growing drug culture during his teen years. He then comically depicts his required military service as a "tie-dyed hippie in army greens" and his determined attempts to stay out of Viet Nam. Lost and unsure about life following the drug related deaths of most of his friends, he later hitchhikes around Mexico and ends up attending college in Cholula where he begins his career in weed smuggling. His entrepreneurial efforts in this area are humorously described in great detail. The book captures a slice of time, tying in political and cultural events with the author's concomitant psychological development during the hippie movement as well as his evolving career as a drug smuggler for the Cause.

But just once it would be nice to be able to really talk to a man, the way she can talk to Fearghus the Destroyer. Too bad that Fearghus is a dragon, of the large, scaly, and deadly type. With him,

Annwyl feels safe—a far cry from the feelings aroused by the hard-bodied, arrogant knight Fearghus has arranged to help train her for battle. With her days spent fighting a man who fills her with fierce, heady desire, and her nights spent in the company of a magical creature who could smite a village just by exhaling, Annwyl is sure life couldn't get any stranger. She's wrong . . . And just wait until you meet the rest of the family . . . from New York Times bestselling author G.A. Aiken. *The Old King Is Dead* With the demise of the Old King, there's a prophesy that a queen will ascend to the throne of the Black Hills. Bad news for the king's sons, who are prepared to defend their birthright against all comers. But for blacksmith Keeley Smythe, war is great for business. Until it looks like the chosen queen will be Beatrix, her younger sister. Now it's all Keeley can do to protect her family from the enraged royals. Luckily, Keeley doesn't have to fight alone. Because thundering to her aid comes a clan of kilt-wearing mountain warriors called the Amichai. Not the most socially adept group, but soldiers have never bothered Keeley, and rough, gruff Caid, actually seems to respect her. A good thing because the fierce warrior will be by her side for a much longer ride than any prophesy ever envisioned ... **G.A. Aiken Dragon Bundle: *The Dragon Who Loved Me, What a Dragon Should Know, Last Dragon Standing & How to Drive a Dragon Crazy* Aug 29**

2022 Only for those I love would I traipse into the merciless Northlands to risk life, limb, and my exquisite beauty. But do they appreciate it? Do they say, "Gwenvael the Handsome, you are the best among us--the most loved of all dragons?" No! For centuries my family has refused

to acknowledge my magnificence as well as my innate humility. Yet for them, and because I am so chivalrous, I will brave the worst this land has to offer. So here I stand, waiting to broker an alliance with the one the Northlanders call The Beast. A being so fearful, the greatest warriors will only whisper its name. Yet I, Gwenvael, will courageously face down this terrifying. . . woman? It turns out the Beast, a.k.a. Dagmar Reinholdt, is a woman--one with steel-gray eyes and a shocking disregard for my good looks. Beneath her plain robes and prim spectacles lies a sensual creature waiting to be unleashed. Who better than a dragon to thaw out that icy demeanor? And who better than a beast to finally tame a mighty dragon's heart? "Sexy and outrageous humor." -- Romantic Times I know what they see when they look at me. The charming, soft-spoken dragoness bred from the most powerful of royal bloodlines. A disguise stronger than any battle shield that allows me to keep all suitors at tail's length. A technique that's worked until him. Until Ragnar the Cunning, handsome barbarian warlord and warrior mage from the desolate Northlands. Unlike those who've come before him, he does not simply submit to my astounding charm and devastating smile. Instead, he dismisses me as vapid, useless and, to my great annoyance, rather stupid! Yet I'll allow no male to dismiss me. Soon he'll learn my worth, my many skills, and the strength of my will. For this one challenges me enough to make me want to ruthlessly taunt him, tease him and,

finally, when the trap is set, bring him to his knees. I was raised for battle. And as the first daughter of a warrior family, I've earned my reputation the hard way. Yet now I fight alongside uncivilized male Northland dragons who think a female is only good for breeding and waiting back home in the cave. But it's the foolish and foolhardy who would try to stop me, Rhona the Fearless, from doing what I do best—destroying the enemies of my kind. So the smartest thing wily barbarian Vigholf the Abhorrent can do for me is stay out of my way as we risk all on a deadly mission in enemy territory. I don't care if he's fascinated by me, even though he is as attractive as he is resourceful. He's having far too much fun putting me in difficult situations and testing my sense of duty to the limit. And I'm going to enjoy challenging his insufferable confidence, outwitting his schemes, and making him surrender in the wildest ways. . . "Sexy and outrageous humor." --Romantic Times

Some things never go away, like vile enemies, bad ale, and annoying kin. But I thought I was finished with the one dragon I'd have done anything for: Éibhear the Blue, a big, gorgeous, blue-haired beast who thinks the world belongs to him. The world and, apparently, me. So if Éibhear wants to play the caring hero and travel into the most forsaken of Gods forsaken lands to protect the one woman who doesn't need it--namely me--I'll let him. Because while I'm trying to fulfill a ridiculous quest for a pushy god, I'm going to draw this overconfident warlord much too close, rekindle his fires,

and enjoy every minute of his delicious defeat. . . Praise for The Dragon Who Loved Me "A chest thumping, mead-hall rocking, enemy slaying brawl of a good book." --All Things Urban Fantasy "Aiken aces another one." --RT Book Reviews, 4 Stars "A hot, hot series." --Library Journal

**The Princess Knight** Feb 29 2020 "Gemma Smythe dedicated her life to the glory of battle. With her fellow War Monks, she worshipped the war gods, rained destruction on her enemies, and raised the dead when the fancy took her. Until her sister Keeley became the prophesied Blacksmith Queen, and Gemma broke faith with her order to journey to the Amichai Mountain and fight by Keeley's side. The Amichai warriors are an unruly, never-to-be-tamed lot, especially their leader-in-waiting, Quinn. But when the War Monks declare support for Gemma's ruthless younger sister Beatrix, the immaturity of her key ally is the least of Gemma's

problems. She has to get to the grand masters, dispel their grudge against her, and persuade them to fight for Keeley and justice. If her conviction can't sway them, perhaps Quinn's irritating, irreverent, clearly unhinged, ferocity will win the day."--Provided by publisher.
