[The Growing Pains of Adrian Mole](#) Aug 21 2019 "Townsend's wit is razor sharp" as her self-proclaimed intellectual adolescent hero continues his hilarious angst-filled secret diary (TheMirror). I can't wait until I am fully mature and can make urban conversation with intellectuals. Growing up among inferiors in Great Britain isn't easy for a sensitive fifteen-year-old "poet of the Midlands" like Adrian Mole, considering everything in the world is conspiring to scar him for life: His hormones are in a maelstrom; his mother is pregnant (at her age!); his girlfriend, Pandora, is in shutdown; radio stardom isn't panning out; he's become allergic to non-precious metals; and passing his exams is as dire a crisis as the Falkland Islands. From weathering a profound but shaky romance with the love of his life to negotiating his parents' reconciliation to writing his poetry on restroom walls (why on earth did he sign his name?), "Adrian Mole is as engaging as ever" (Time Out). The sequel to the beloved TheSecret Diary of Adrian Mole Aged 13¾ continues Adrian's chronicle of angst, which has sold more than twenty million copies worldwide, and been adapted for television and staged as a musical. Adrian Mole is truly "a phenomenon" (The Washington Post).

[The Bridge](#) Dec 17 2021 The first book in The Mindbridge Trilogy. Maeryn Kacey's fourteenth birthday didn't go quite as planned. One minute she's hanging out at the MotherTech headquarters, her family's artificial intelligence company in Indianapolis, and the next she's trapped in the body of a girl from a universe known as Gaia. This new world is in the midst of a civil war with a group of violent, teleporting Nomads, and as Maeryn dives into the history of Gaia she discovers some unsettling truths about herself and her family. Kaija Monhegan's fourteenth cycle day didn't go quite as planned. One minute she's hiding in the woods on Monhegan Island, trying to awaken her newfound telepathic powers, and the next she finds herself trapped in the body of a girl from a universe known as Earth. This new world is full of technological marvels, deceitful people, and a secret shared history with Gaia that makes it the absolute most dangerous place for Kaija to be. Maeryn needs to survive in a place where her intellect does her little good. Kaija needs to get back to her own body before the chaos on Gaia leaves her no home to return to. They both feel scared and isolated, but Maeryn and Kaija have never really been alone.

The Cosmic Serpent Oct 15 2021 This adventure in science and imagination, which the Medical Tribune said might herald "a Copernican revolution for the life sciences," leads the reader through unexplored jungles and uncharted aspects of mind to the heart of knowledge. In a first-person narrative of scientific discovery that opens new perspectives on biology, anthropology, and the limits of rationalism, The Cosmic Serpent reveals how startlingly different the world around us appears when we open our minds to it.

Falling Angel Feb 25 2020 Edgar Award Finalist: The hunt for a vanished singer leads a detective into the depths of the occult in this "terrific" novel (Stephen King). Big-band frontman Johnny Favorite was singing for the troops when a Luftwaffe fighter squadron strafed the bandstand, killing the crowd and leaving the singer near death. The army returned him to a private hospital in upstate New York, leaving him to live out his days as a vegetable while the world forgot him. But Louis Cyphre never forgets. Cyphre had a contract with the singer, stipulating payment upon Johnny's death—payment that will be denied as long as Johnny clings to life. When Cyphre hires private investigator Harry Angel to find Johnny at the hospital, Angel learns that the singer has disappeared. It is no ordinary missing-person's case. Everyone he questions dies soon after, as Angel's investigation ensnares him in a bizarre tangle of black magic, carnival freaks, and grisly voodoo. When the sinister Louis Cyphre begins appearing in Angel's dreams, the detective fears for his life, his sanity, and his soul. Falling Angel was the basis for the Alan Parker film Angel Heart, starring Mickey Rourke, Robert De Niro, and Lisa Bonet. This ebook features an illustrated biography of William Hjortsberg including rare photos from the author's personal collection.

Performance art in Eastern Europe since 1960 Sep 21 2019 This volume presents the first comprehensive academic study of the history and development of performance art in the former communist countries of Central, Eastern and South Eastern Europe since the 1960s. Covering 21 countries and more than 250 artists, this text demonstrates the manner in which performance art in the region developed concurrently with the genre in the West, highlighting the unique contributions of Eastern European artists. The discussions are based on primary source material—interviews with the artists themselves. It offers a comparative study of the genre of performance art in countries and cities across the region, examining the manner in which artists addressed issues such as the body, gender, politics and identity, and institutional critique.

Fathers and Forefathers Nov 23 2019 A touching story of cultural difference and tested loyalties. Set in Belgrade before WWII, Fathers and Forefathers tells the story of the marriage between a Steven, a Serb, and Elizabeth, an Englishwoman. After meeting at an English university they marry and leave England to build their life together. Steven's narrative and Elizabeth's letters home reveal two very different personal accounts of the difficulties this involves. Raised in Serbia their son, Mihajlo, is ashamed of his mixed parentage and rebels against his non-Serbian ancestry. On the eve of the war, Steven's loyalties are challenged when his counsel is sought by both the Serbian king and the opposition. He resolves to keep his distance from the conflict, but Mihajlo's more radical response forces him to become involved, and tragedy engulfs the family.

The Wim Hof Method Apr 09 2021 INSTANT NEW YORK TIMES BESTSELLER The only definitive book authored by Wim Hof on his powerful method for realizing our physical and spiritual potential. "This method is very simple, very accessible, and endorsed by science.

Anybody can do it, and there is no dogma, only acceptance. Only freedom.” —Wim Hof Wim Hof has a message for each of us: “You can literally do the impossible. You can overcome disease, improve your mental health and physical performance, and even control your physiology so you can thrive in any stressful situation.” With *The Wim Hof Method*, this trailblazer of human potential shares a method that anyone can use—young or old, sick or healthy—to supercharge their capacity for strength, vitality, and happiness. Wim has become known as “The Iceman” for his astounding physical feats, such as spending hours in freezing water and running barefoot marathons over deserts and ice fields. Yet his most remarkable achievement is not any record-breaking performance—it is the creation of a method that thousands of people have used to transform their lives. In his gripping and passionate style, Wim shares his method and his story, including:

- **Breath**—Wim’s unique practices to change your body chemistry, infuse yourself with energy, and focus your mind
- **Cold**—Safe, controlled, shock-free practices for using cold exposure to enhance your cardiovascular system and awaken your body’s untapped strength
- **Mindset**—Build your willpower, inner clarity, sensory awareness, and innate joyfulness in the miracle of living
- **Science**—How users of this method have redefined what is medically possible in study after study
- **Health**—True stories and testimonials from people using the method to overcome disease and chronic illness
- **Performance**—Increase your endurance, improve recovery time, up your mental game, and more
- **Wim’s Story**—Follow Wim’s inspiring personal journey of discovery, tragedy, and triumph
- **Spiritual Awakening**—How breath, cold, and mindset can reveal the beauty of your soul

Wim Hof is a man on a mission: to transform the way we live by reminding us of our true power and purpose. “This is how we will change the world, one soul at a time,” Wim says. “We alter the collective consciousness by awakening to our own boundless potential. We are limited only by the depth of our imagination and the strength of our conviction.” If you’re ready to explore and exceed the limits of your own potential, *The Wim Hof Method* is waiting for you.

On Translation Jan 26 2020 Paul Ricoeur was one of the most important philosophers of the twentieth century. In this short and accessible book, he turns to a topic at the heart of much of his work: What is translation and why is it so important? Reminding us that The Bible, the Koran, the Torah and the works of the great philosophers are often only ever read in translation, Ricoeur reminds us that translation not only spreads knowledge but can change its very meaning. In spite of these risk, he argues that in a climate of ethnic and religious conflict, the art and ethics of translation are invaluable. Drawing on interesting examples such as the translation of early Greek philosophy during the Renaissance, the poetry of Paul Celan and the work of Hannah Arendt, he reflects not only on the challenges of translating one language into another but how one community speaks to another. Throughout, Ricoeur shows how to move through life is to navigate a world that requires translation itself. Paul Ricoeur died in 2005. He was one of the great contemporary French philosophers and a leading figure in hermeneutics, psychoanalytic thought, literary theory and religion. His many books include *Freud and Philosophy* and *Time and Narrative*.

Look for Me Under the Rainbow Jun 11 2021 Sometimes all you need is a big heart and burning desire. Danny, a curious harp seal pup, has soft white fur and black innocent eyes. Helen is an environmentalist and member of a young activist crew of the Rainbow Warriors. Their mission is to save animals. As winter turns into spring, a new generation of seal pups comes to life. A few weeks later, the killing begins. Against a spectacular backdrop of ice and snow, Helen prepares to look horrific human cruelty in the face. I do not doubt I have a big heart and burning desire, but is that enough for a person to become a Rainbow Warrior, or is there something better? Something only some of us manage to turn into what we have long missed—humanity. In the race against time and clubs, will Helen save Danny before the hunt begins and the ice turns red? Though written for younger readers, *Look for Me Under the Rainbow* will appeal to anyone who cherishes our beautiful planet and wishes to protect its treasures. Buy this book by Bernard Jan, the author of *A World Without Color*, and experience another emotional journey.
