Our digital library saves in multiple countries, allowing you to get the most less latency time to download any of our books as soon as this one. Merely said, the The Shape Of Things To Come Hg Wells is universally compatible in the same way as any devices to read.

The Shape of Things to Come Feb 23 2022 This book surveys international trends over the last 10 years - a return to figuration, exploration of scale, the dissolution of the very boundaries of traditional sculpture - in works by 20 artists."

Good things to come Aug 20 2021
The Shaping of Things to Come Oct 22 2021 In a time when the need for and the relevance of the Gospel has seldom been greater, the relevance of the church has seldom been less. The Shaping of Things to Come explores why the church needs to rebuild itself from the bottom up. Frost and Hirsch present a clear understanding of how the church can change to face the unique challenges of the twenty-first century. This missional classic has been thoroughly revised and updated.

The Shape Of Things To Come Nov 03 2022 When Dr Philip Raven, a diplomat working for the League of Nations, dies in the 1930s, he leaves behind a book of dreams outlining the visions he has been experiencing for many years. These visions seem to be glimpses into the future, detailing events that will occur on Earth for the next two hundred years. This fictional 'history of the future' proved prescient in many ways, as Wells predicted events such as the Second World War, the rise of chemical warfare, climate change and the growing instability of the Middle East.

The Young H. G. Wells Jul 27 2019 "Tomalin's The Young H.G. Wells is hard to beat, being friendly, astute and a pleasure to read." —Michael Dirda, Washington Post "Claire Tomalin's short, engaging biography The Young H.G. Wells is a welcome addition to the conversation. . . Her book makes a strong case for Wells's enduring importance."—Heller McAlpin, The Wall Street Journal From acclaimed literary biographer Claire Tomalin, a complex and fascinating exploration of the early life of the influential writer and public figure H. G. Wells How did the first forty years of H. G. Wells's life shape the father of science fiction? From his impoverished childhood in a working-class English family and determination to educate himself at any cost to his complicated marriages, love affair with socialism, and the serious ill health that dominated his twenties and thirties, H. G. Wells's extraordinary early life would set him on a path to become one of the world's most influential writers. The sudden success of The Time Machine and The War of the Worlds transformed his life and catapulted him to international fame; he became the writer who most inspired Orwell and countless others and predicted men walking on the moon seventy years before it happened. In this remarkable, empathetic biography, Claire Tomalin paints a fascinating portrait of a man like no other, driven by curiosity and desiring reform, a socialist and a futurist whose new and imaginative worlds continue to inspire today.

Shadow of things to Come Sep 20 2021 Commentary on Revelation Where God Gets a Bride Three Raptures Fourteen Years of Judgment

The Hope of Things to Come Feb 11 2021 A collection of essays on the past, present and future of Anglican theology in the context of the Lambeth Conference of 2008.

A Shadow Of Good Things to Come Nov 10 2020 An excellent book for anyone who is seeking to know more about the living God. The first book in a two-part series, A Shadow of Good Things to Come, is a colorful book of Jewish history, dating from the time of creation with the Ancient of Days to king David. You will learn that God had a plan to save mankind, and He implemented that plan through the Jewish nation. Told in Bible-story form, you will find answers to many questions you may have about the Bible and man's relationship with God, questions such as: - Who is the true living God? - What is the purpose of man? - What promises did God give Abraham and his descendants through Isaac? - Why and how did God choose the nation of Israel to be His people? - Why and how did God set up the law and sacrificial system? - Why is Jesus called the Son of David? "Deeper Insight" study questions are provided at the end of each chapter. "I always wondered why a loving God would bring so much death and annihilation to people in the Old Testament. Now I understand. Sin was rampant, and evil men threatened the very existence of the future seed of Abraham, through whom Christ, the Savior of mankind, would come. This is a wonderful Bible-based, simply-stated study that all Christians will enjoy." Frances Henderson "This is a good book for Christians who want to learn, in detail, about the twelve Tribes of Israel and their lineage leading to the birth of Christ. I was amazed to scripturally learn about the division of the land God gave to the Israelites. If you ever had doubts about Jesus, you won't anymore." Trudy Meriedth

The History of Things to Come Mar 03 2020 THE MIND OF A GENIUS CAN HOLD THE DARKEST OF SECRETS "A razor-sharp thriller" A Bosnian gangster is gunned down in a packed London restaurant. In his possession is a notebook once belonging to Isaac Newton. This is just the latest in a series of shocking crimes connected to objects once belonging to the famous scientist. The police are stumped and the pressure for an arrest is mounting. Enter Vincent Blake, London's leading stolen-art investigator. Blake sets out to solve the case, a series of devastating events threaten to destroy everything he holds dear. Broken but undeterred, he comes upon a shocking discovery: within the coded pages of a mysterious crimson book, annotated in Newton's own handwriting, is an explosive revelation. Possessing this secret knowledge turns Blake

into a marked man. Caught in the crosshairs of two sadistic hitmen, Blake is propelled into a breathtaking race through London and its dark historical secrets. With time running out, will Blake solve Newton's deadly puzzle before the world is plunged into a catastrophe of biblical proportions? Praise for The History of Things to Come ...'An endlessly twisting, multi-layered supernatural thriller.' ...'Intelligent and fascinating.' ...'You simply can't put this book down.' About the Author The History of Things to Come is the first book in the Dark Horizon trilogy by thriller writer Duncan Simpson. For more information and updates on new releases, join his Reader's Group. Just copy and paste this link into your browser: <http://duncansimpsonauthor.com> Find out more about the world of Duncan Simpson by visiting: Website & Blog: <http://www.duncansimpsonauthor.com> Twitter: <http://twitter.com/dsimpsonauthor> Facebook: <http://www.facebook.com/duncansimpsonauthor> If you love multi-layered crime thrillers, then buy The History of Things to Come now. Interview with the Author QU: So, what makes the Dark Horizon series special? AN: My mission is to write action led thrillers that hit hard, right from the go. I write what I love to read. My top picks are usually thrillers and mysteries best sellers, and private detective novels. When I pick up a novel, I want to be entertained, that's a given, but I also want to learn something new. I love telling stories that are on the blurred edge between fact and fiction; whether I'm writing about the world of art crime, the Royal Society, Isaac Newton, Freemasonry, the Knights Templar or the history of London; weaving a contemporary crime thriller within layers of true fact is what gives me a buzz. The function of a best-selling crime novel is to give the reader what they don't get in their real lives. It's about escaping the ordinary and entering into a world of the extraordinary. I hope the Dark Horizon trilogy does this in spades. Each book in the series is designed to keep you turning the pages all night long. QU: Why should readers give these books a try? AN: Because the Dark Horizon thriller series is an exciting, action-packed adventure. Just read the reviews and see why it has hit the top ten category bestsellers lists on Kindle for Crime Thrillers. Ultimately, readers who enjoy a taut, nail-biting adventure with a plot that twists and turns will love the Dark Horizon trilogy. Come and join Vincent Blake, the damaged hero of the series that reviewers are describing as 'the British Robert Langdon.' Qu: So, where can I find the Dark Horizon series? AN: The Dark Horizon thriller and mystery eBook series can be found in the following categories: Supernatural Thrillers Heist Thrillers Mystery Series Crime Thrillers Private Investigator Series Private Detective Novels Thrillers and Mysteries Best Sellers Paranormal Th

Hand of Adonai Jan 01 2020 Escape is a deadly click away At first, Lauren Knowles is thrilled to wake up in Alrujah, a digital fantasy world she created with her best friend, Oliver Shaw, but the exhilaration of serving as a magical princess fades when she senses a demonic force lurking in the shadows. Though they designed a world of wondrous beauty, blue-leafed forests, shimmering silver rivers, and expansive medieval castles, Lauren and Oliver soon find their secret realm to be an ever-changing land of dark oppression and deadly sorcery. With the help of Aiden Price and Erica Hall, two friends from their high school in North Chester, the four teens must find a way out, a way that can only be discerned from the dusty pages of the ancient leather-bound tome, "The Book of Things to Come." Faced with questionable allies, invisible enemies, and increasingly dangerous levels of difficulty, the four must learn to work together, to trust each other ... or be forever lost.

Shape of things to come Mar 15 2021

William Cameron Menzies Sep 28 2019 He was the consummate designer of film architecture on a grand scale. He was known for his visual flair and timeless innovation, a man who meticulously preplanned the color and design of each film through a series of continuity sketches that made clear camera angles, lighting, and the actors' positions for each scene, translating dramatic conventions of the stage to the new capabilities of film. Here is the long-awaited book on William Cameron Menzies, Hollywood's first and greatest production designer, a job title David O. Selznick invented for Menzies' extraordinary, all-encompassing, Academy Award-winning work on *Gone With the Wind* (which he effectively co-directed). It was Menzies--winner of the first-ever Academy Award for Art Direction, and who was as well a director (fourteen pictures) and a producer (twelve pictures)--who changed the way movies were (and still are) made, in a career that spanned four decades, from the 1920s through the 1950s. Now, James Curtis, acclaimed film historian and biographer, writes of Menzies' life and work as the most influential designer in the history of film. Interviewing colleagues, actors, directors, friends, and family, and with full access to the Menzies family collection of artwork and unpublished writing, Curtis gives us the path-finding work of the movies' most daring and dynamic production designer: his evolution as artist, art director, production designer, and director. Here is a portrait of a man in his time that makes clear how the movies were forever transformed by his startling, visionary work.--Adapted from book jacket.

The Shape of Things to Come Nov 30 2019 Isabelle, a woman in her thirties without any of the trappings of a grown-up life, has just been fired from her job at a San Francisco phone company. Returning to the midwestern suburb of her childhood, Standardsville, Illinois, she contends with her dating single mother, a neighbor who once appeared on *The Honeymooners*, and an ex-boyfriend. She also becomes a mystery shopper for a temp agency, posing as a variety of potential tenants for newly built suburban communities to access their exclusive services. Enchanted by the possibilities of disguise, Isabelle spins a web of lies that keeps the world at a distance until she unearths long-kept secrets that force her to rethink everything she thought she knew.

Walter Koenig's Things to Come #3 Jan 25 2022 Human killing human. Vampire killing vampire. Disorder into derangement. Anarchy into chaos.

A Taste of Things to Come Jan 13 2021 Smack-dab in the middle of America in Winnetka, Illinois, four women enter a Betty Crocker cooking contest in hopes of changing their lives. What they get is much more than they bargained for. Little did they know that it would take a zoologist from Indiana University, Alfred C. Kinsey, to really get them "cooking"! In an age when people believed the way to a man's heart was through his stomach, the four women discover that the way to a woman's heart is through her best friends.

A Sign of Things to Come May 17 2021 A Sign of Things to Come is a chronicle of the author's relationship with Padre Pio, the Roman Catholic Saint who communicates with the author through the creative process of active imagination. No less fascinating than *Conversations with God* by Neale Donald Walsch, A Sign of Things to Come will challenge the reader in the knowledge that each and every person can engage their own guiding principle as these authors do with their own creative inner self.

Seven - A Story of Things To Come Aug 08 2020 When the impossible to believe becomes impossible to ignore...The instant when the beginning of the end finally happened, the world at large was unprepared to face the aftermath of the event that heralded it. In a small remote mountain town tucked away in the hills of North Carolina, a band of friends must now face what will be the last seven years of human history. The choices they make will determine their ultimate destiny. "The three of us laid down in beds that were not our own in a place that was not our home in a world that in the blink of an eye has become dark and foreboding. Despite our uncertainties, we laid down to sleep at peace, closer to each other than ever before. We didn't yet know much about what we would soon be facing, but we closed our eyes that night knowing that from here on out whatever surprises or horrors we would face...good or bad, easy or hard, live or die, we now belonged to God's family. We were now Tribulation Brothers." "Now the Rubicon so to speak, has been irrevocably crossed. The Tribulation has begun. The countdown has started. The span of our lives and of this world is now set. The number of years this world has left - seven."

Shadows of Things to Come Mar 27 2022 "One of the greatest sources of prophetic vision is found by better understanding our past," says Rick Joyner. "I studied Christ's interaction with the apostles as well as the life of the early church to be obedient to a heavenly vision in which I was told that I would not be able to accurately foresee the future until I understood the past." In this important book Joyner looks at the life and ministry of the apostles and of later generations so that Christians today can close the openings the enemy has used to gain entry and do his deadly work. He examines the successes and failures of Christians of the past so we can better understand how to be God's servants today.

The Design of Things to Come Dec 12 2020 The iPod is a harbinger of a revolution in product design: innovation that targets customer emotion, self-image, and fantasy, not just product function. Read the hidden stories behind BodyMedia's SenseWear body monitor, Herman Miller's Mirra Chair, Swiffer's mops, OXO's potato peelers, Adidas' intelligent shoes, the new Ford F-150 pickup truck, and many other winning innovations. Meet the innovators, learning how they inspire and motivate their people, as they shepherd their visions through corporate bureaucracy to profitable reality. The authors deconstruct the entire process of design innovation, showing how it really works, and how today's smartest companies are innovating more effectively than ever before.

Things to Come Nov 22 2021 The release of 'Things to Come' in 1936 was one of the key moments in the history of science fiction in the cinema. The film was the brainchild of H. G. Wells, whose worldwide reputation as a thinker had persuaded its producer, Alexander Korda, to offer him a contract giving him virtually total control over the project. Korda drafted a dazzling array of talents to render into pictures Wells's ideas of the future a hundred years hence. His brother, Vincent Korda, a distinguished painter, was employed as art director, and the Bauhaus artist Laszlo Moholy-Nagy contributed ideas for futuristic sets. As director, Korda hired William Cameron Menzies, who had practically invented the profession of Hollywood art director through his work with Douglas Fairbanks on 'The Thief of Baghdad' and Rudolf Valentino on 'Son of the Sheik,' and whose career would climax with 'Gone With the Wind.' The result was a landmark in cinematic design. Christopher Frayling shows, with a wealth of illustrations, how the boldness and brilliance of the sets and costumes mark out 'Things to Come' as British cinema's greatest contribution to the science fiction genre, amply justifying his judgement that "Things to Come" is to modernism as 'Blade Runner' is to postmodernism.

The Shape of Things to Come by H. G. Wells - Delphi Classics (Illustrated) Oct 02 2022 This eBook features the unabridged text of 'The Shape of Things to Come' from the bestselling edition of 'The Complete Works of H. G. Wells'. When Bad Things Happen to Good People Jun 05 2020 Offers an inspirational and compassionate approach to understanding the problems of life, and argues that we should continue to believe in God's fairness.

The Apocalypse and the Shape of Things to Come Apr 27 2022 The Book of Revelation's legacy of visual imagery is evaluated here, from the 11th century to the end of World War 2 illuminated manuscripts, books, prints and drawings of apocalyptic phases are examined.

Where Things Come Back Sep 08 2020 Seventeen-year-old Cullen's summer in Lily, Arkansas, is marked by his cousin's death by overdose, an alleged spotting of a woodpecker thought to be extinct, failed romances, and his younger brother's sudden disappearance.

Things to Come Aug 27 2019 Initially it was not my intention to write a book, I was just looking for answers. Answers to questions I had after my involvement as an infantry paratrooper with the 101st Airborne during the Vietnam War. And my life after death experience after I was stung by Giant Black Wasps went into anaphylactic shock and flat lined. I suffered a cardiac arrest and complete repertory failure. I was later able to relate procedures the medical staff used to resuscitate me while I was dead. I don't have to wonder about life after death, I know. Things To Come will give the reader a thorough understanding of what the Bible says and what Christianity means for a believer. The book is divided into six sections: The Covenants, covers God's Covenants, His chosen people and God's will for mankind. The Holy Spirit, whom the Father sent to us after Christ's ascension, details the twelve current ministries of the Holy Spirit in our lives. The Prince of Darkness explains Satan's role in everyday life. Satan is not omnipresent so he cannot possible involve himself in the daily affairs of eight billion people. God's Providential involvement in everyday life is revealed in the 4th chapter. The Tribulation and the Rapture addresses the final eventual battle between good and evil; Christianity and Islam. The final chapter The Alpha and the Omega specifies the personal relationship a believer has with Christ. Things To Come is a very good book for anyone that desires a deep understanding of Scripture and either does not have the time for daily reading of Scripture or finds the Bible hard to understand. A word about PTS (PTSD), there is no D, PTS is not a disorder. PTS is natural reaction of stress experienced after a person is exposed to a traumatic event. Many people suffer from PTS, it can be the result of a rape, an assault, the loss of a spouse, a child, a sibling, witnessing a horrific event or an accident. What makes PTS different for soldiers is that they are subject to frequent traumatic events over a long period of time. People respond differently to traumatic events, some are more resilient than others. Frequency, duration, and the extreme nature of the event all play a role in recovery. A major component of PTS is the moral dissonance we experience. The event can completely destroy our belief system, the ideas we held that made sense of the world we live in. At any point in time we are a summation of what we know and the experiences we have gone through. Events and information change how we see the world and in effect change who we are. A traumatic event can be so life changing that we are in effect a different person and after a traumatic event, the new you. In order to recover from PTS, it is imperative we reconstruct a new belief system that encompasses our new reality and the new you. In Just War, I (Tom Newman) recount the events that destroyed my worldview and fundamentally changed the person I was. The Company I was with in Vietnam experienced a 97 percent casualties and fatalities. Within my first 30 days in country we had a friendly fire incident that killed eleven and severely wounded nineteen of my fellow troopers. I also witnessed the aftermath of the regular assassination of four year old children. Additionally, when we retook the city of Hue we found the shallow graves of 2,800; judges, doctors, clergy, policeman, and politicians, anyone that could organize a resistance against the communists. It was a very long process for me to make sense of my new realities and the new me. My other book; A Brief History of the Bible' Things To Come, is the information I needed to reconstruct a new worldview based on my experiences and the new person I had become. If you want to get your life back after suffering from PTS, it is imperative you find a new worldview for the new you.

Revelation of Things to Come May 05 2020 A redesign of a popular title. Chapter-by-chapter exposition of the book of Revelation with full color illustrations.

Things to Come May 29 2022 Because of the prominence of prophecy in Scripture, many excellent books have appeared dealing with prophetic subjects. Until recently, however, the treatment of prophecy has been either apologetic or

expository, and prophetic themes have been developed individually apart from their relation to the whole revealed prophetic program. Much of our knowledge has been only fragmentary and unrelated. Dr. Dwight Pentecost's monumental text, *Things to Come*, has changed all that. In this massive, highly successful book, Dr. Pentecost has synthesized the whole field of prophecy into a unified biblical doctrine, a systematic and complete biblical eschatology. With nearly a quarter of a million copies sold, *Things to Come* has earned its place in the library of the pastor, the scholar, and the seminarian or Bible institute student. In addition, it offers a comprehensive and accessible study for anyone interested in the important subject of biblical prophecy.

The Shape of Things to Come Jul 19 2021 A panoramic study of the American identity examines the nation's fable of self-invention, from the colonial period to the present day, arguing that the promise of America lies less and less in the political realm but more in the work of individual artists, writers, musicians, and others who strikingly dramatize the challenge the U.S. poses to each of its citizens. Reprint. 25,000 first printing.

The Shape of Things to Come Oct 10 2020 In this humane and important exploration of modern medicine, Druin Burch examines the future of medicine, our changing physicalities and the implications of longer life. From birth to death and through the exploration of topics such as disease, sex, mind, eating and drinking, Burch tracks the future of medicine by looking at what is already possible today. Weaving in insights from literature, art and history, *The Shape of Things to Come* considers the cultural complexity surrounding medicine as well as its impact on the humanities. As a specialist in geriatric medicine Burch writes with a keen understanding of the medical profession. He outlines the areas of medicine which have seen the greatest improvements and optimistically offers insight into further advancements.

Poor Humphrey's calendar, wherein are given prophecies concerning things to come in 1829, by Poor Humphrey

Jul 07 2020

The Shape of Things To Come Apr 15 2021 *The Shape of Things to Come* is a work of science fiction, which speculates on future events from 1933 until the year 2106. In the book, a world state is established as the solution to humanity's problems. As a frame story, Wells claims that the book is his edited version of notes written by an eminent diplomat, Dr Philip Raven, who had been having dream visions of a history textbook published in 2106 and wrote down what he could remember of it. Herbert George Wells (1866-1946), known as H. G. Wells, was a prolific English writer in many genres, including the novel, history, politics, and social commentary, and textbooks and rules for war games.

Revelation Jan 31 2020 The final book of the Bible, *Revelation* prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Oh, the Places You'll Go! Oct 29 2019 Dr. Seuss's wonderfully wise *Oh, the Places You'll Go!* is the perfect gift to celebrate all of our special milestones—from graduations to birthdays and beyond! From soaring to high heights and seeing great sights to being left in a Lurch on a prickly perch, Dr. Seuss addresses life's ups and downs with his trademark humorous verse and whimsical illustrations. The inspiring and timeless message encourages readers to find the success that lies within, no matter what challenges they face. A perennial favorite and a perfect gift for anyone starting a new phase in their life!

Things to Come Dec 24 2021 An encyclopedic reference work on biblical prophecy, this highly successful book explores the basis of interpretation, biblical covenants, prophecies of this age and its end, the tribulation, the second advent, the millennium, and the eternal state. Includes an extensive bibliography and index.

The Shadow of Things to Come Apr 03 2020 In an unnamed African nation, the people are subject to a state of perpetual warfare and to an Orwellian abuse of language that strips from language its meaning and renders life senseless. And in a bare room lit only by moonlight, a young man hides, waiting for the mysterious crocodile-men to come and help him escape from the violent tyranny of the state. While he waits, he tells his story. This is Kossi Efoui's catastrophic and carnivalesque dreamscape, the dark setting of *The Shadow of Things to Come*. Here, men and women are taken in the night, spirited away from their families and sent to plantation penal colonies to be worked to the edge of madness. When they return, they are empty shells, their lost time referred to as the "Time of Annexation." But though his parents were taken, our protagonist survived, first in the care of a quirky benefactress named Mama Maize, then under the wing of the state itself, as a student at one of its elite schools. When he meets a bookseller named Axis Kemal, however, he has found a surrogate father, an eccentric and wise man who can bring him out of the meaningless confusion and tell him the truth about the society he lives in. Through his characters, Efoui speaks out against atrocity and the abuse of power, but more, he writes against political rhetoric and the destruction of meaning by government. This novel is a love letter to language and, in Chris Turner's dazzling translation, it becomes a stunning introduction for English-language readers to an exciting new talent.

The Sound of Things to Come Sep 01 2022 A groundbreaking approach to sound in sci-fi films offers new ways of construing both sonic innovation and science fiction cinema. Including original readings of classics like *The Day the Earth Stood Still*, *2001: A Space Odyssey*, *Star Wars*, and *Blade Runner*, *The Sound of Things to Come* delivers a comprehensive history of sound in science fiction cinema. Approaching movies as sound objects that combine cinematic apparatus and consciousness, Trace Reddell presents a new theory of sonic innovation in the science fiction film. Reddell assembles a staggering array of movies from sixty years of film history—including classics, blockbusters, B-movies, and documentaries from the United States, Britain, France, Germany, Japan, and the Soviet Union—all in service to his powerful conception of sound making as a speculative activity in its own right. Reddell recasts debates about noise and music, while arguing that sound in the science fiction film provides a medium for alien, unknown, and posthuman sound objects that transform what and how we hear. Avoiding genre criticism's tendency to obsess over utopias, *The Sound of Things to Come* draws on film theory, sound studies, and philosophies of technology to advance conversations about the avant-garde, while also opening up opportunities to examine cinematic sounds beyond the screen.

Recollections of Things to Come Jun 29 2022 This remarkable first novel depicts life in the small Mexican town of Ixtepec during the grim days of the Revolution. The town tells its own story against a variegated background of political change, religious persecution, and social unrest. Elena Garro, who has also won a high reputation as a playwright, is a masterly storyteller. Although her plot is dramatically intense and suspenseful, the novel does not depend for its effectiveness on narrative continuity. It is a book of episodes, one that leaves the reader with a series of vivid impressions. The colors are bright, the smells pungent, the many characters clearly drawn in a few bold strokes. Octavio Paz, the distinguished poet and critic, has written that it "is truly an extraordinary work, one of the most perfect creations in contemporary Latin American literature."

And Then the End Will Come! Jun 25 2019 Most people, at one time or another, have wondered about the End Times. When is this thing going to go down? What kind of crazy stuff can we expect before Christ returns? Do we need to rent some angel wings or know how to play the harp? But what if we have been asking the wrong questions all along? And, what if there was a question that could cut through all of the opinion and clutter and divisiveness of the End Times? In *AND THEN THE END WILL COME!* author and teacher Brandon Andress goes directly to the words of Jesus to pose an entirely different question: Who are we becoming right now and who will we be if and when the world begins to come apart at the hinges? Combining his funny, charming, and heartfelt message with a knack for simplicity, you will ride a wave of emotions as Andress lays out the five things every follower (and potential follower) needs to know today about the End Times in

order to make sense of an increasingly upside-down world. AND THEN THE END WILL COME! is for anyone who wants to reconnect to the larger story and narrative in which we live and breathe and who wants to rediscover the purpose for which we live today. This is the wake-up call every single person needs to hear!

Shadows of Things to Come Jun 17 2021

An Echo of Things to Come Jul 31 2022 Davian has won a victory for the Augurs, but treachery surrounds him and his allies on all sides in the second book of the acclaimed Licanus Trilogy, in which "fans of Robert Jordan and Brandon Sanderson will find much to admire." (The Guardian) Following a devastating attack, an amnesty has been declared for all Augurs -- finally allowing them to emerge from hiding and openly oppose the dark forces massing against the land of Andarra. The Augur Davian and his new allies hurry north toward the ever-weakening Boundary, but fresh horrors along their path suggest that their reprieve may have come far too late. The new Northwarden, his ally in the Capital, contends with assassins and politicians and uncovers a dangerous secret. Meanwhile, their compatriot Asha begins a secret investigation into the disappearance of the Shadows. And Caeden races against time to fulfill a treacherous bargain, but as more and more of his memories return, he begins to realize that the two sides in this ancient war may not be as clear-cut as they first seemed. . .
