Eventually, you will agreed discover a other experience and realization by spending more cash. nevertheless when? pull off you bow to that you require to acquire those every needs next

having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to comprehend even more more or less the globe, experience, some places, later than history, amusement, and a lot more?

It is your utterly own grow old to doing reviewing habit. in the midst of guides you could enjoy now is **Walking The Small Group Tightrope Meeting The Challenges Every Group Faces** below.

ReGroup May 17 2021 In this revolutionary new curriculum, Henry Cloud, Bill Donahue, and John Townsend establish a whole new training paradigm--- one that equips leaders and groups simultaneously and gives them everything they need to start and sustain a life-changing group. All it requires is a small group and a DVD player. Four sixty-minute sessions train

leaders and group members in the foundational values and practices of becoming a life-changing community. These sixty-minute sessions are the foundations of small groups that include teaching by the authors, creative segments, and activities and discussion time. * The group has the chance to review and learn new group life techniques during the year with Thirteen five-

minute coaching segments on topics such as active listening, personal sharing, giving and receiving feedback, prayer, calling out the best in others, and more. Each session includes a mix of three elements: * Teaching by the authors * Creative segments (such as modeling dramas, person-on-the-street interviews, personal stories/testimonies, creative multimedia, etc.) * Small group

activities and processing/discussion time The four sessions include: * Session 1 provides a foundational experience that helps group members get excited about the adventure and life-changing power of small group life. Exercises and guided discussions create an initial sense of connection, safety, and most of all, fun! * Session 2 focuses on introducing values, ground rules, and logistical issues. Relationships are deepened through the group's assessment and discussion of the values most important to them, while exercises facilitate group ownership of these

issues. * Session 3 unpacks each of the five key values through in-depth teaching and practical examples. Group members learn that all are responsible for implementing the five values in the life of the group, and they practice applying two of the values during the session ('Be real' and 'accept one another'). * Session 4 transitions the group to running on its own. Exercises help the group clarify what their focus will be, and what they want to do in their next meeting (the first meeting without the DVD curriculum). This session also provides an inspiring wrap-up for the course that casts vision for

what the group can become if it lives out its values. The Life-Changing Power of Group Life DVD and Participants Guide are available separately. **Marketing Planning, 2003-2004** Aug 08 2020 Each coursebook includes access to MARKETONLINE, where you can: * Annotate, customise and create personally tailored notes using the electronic version of the coursebook * Receive regular tutorials on key topics * Search the coursebook online for easy access to definitions and key concepts * Co-written by the CIM Senior Examiner for the Marketing

Creative

Conspiracy Dec 12 2020 Embracing the Counterintuitive Side of Collaboration Think of your to-do list at work. Chances are the most important tasks require you to work with others—and the success of those endeavors depends on the effectiveness of your collaboration.

According to management expert Leigh Thompson, collaboration that is conscious, planned, and focused on generating new ideas builds excitement and produces what she calls a “creative conspiracy.” Teams that conspire to organize themselves, motivate one another, and combine their talents to meet creative challenges are the hallmark of the most successful organizations. In this book, Thompson reveals the keys to the kind of collaboration that allows teams to reach their full creative potential and maximize their results. She also reveals a host of surprising findings;

for example:

- Left to their own devices, teams are less creative than individuals
- Providing “rules” to teams actually increases inventiveness
- Striving for quality results in less creativity than striving for quantity
- Fluctuating membership enhances a team’s innovation
- Most leaders cannot articulate the four basic rules of brainstorming

Thompson combines broad-ranging research with real-life examples to offer strategies and practices designed to help teams and their leaders capitalize on what actually works when it comes to creative

collaboration. Creative Conspiracy challenges managers to adopt an unconventional approach to leading teams that, done right, will lead to the creative success of every team—and every organization.

Walking the Tightrope Parenting Jun 17 2021 Is your family life a circus? Play the tightrope walker! Russ Robinson shows you how to balance the tensions every parent faces with a new approach to parenting called polarity management.

Authentic Leader
Oct 29 2019 Bill

Donahue shows you that Jesus is a different kind of leader. He understands your failures, demands your devotion, releases your strengths and rewards your obedience. His leadership is demanding, challenging, full of grace and led by the Spirit. He is a leader worth following. His model of leadership is worth emulating. A Willow Creek Resource.

Councils in Action
Oct 22 2021 A collection of seven papers by social anthropologists on the processes of decision-making in councils. Types of council described are one community-in-council, two arena councils, an

elite council, two modern local government councils and a non-council, a temporary negotiating group which nevertheless displays certain features of the council proper. Most of the examples come from Africa (including Madagascar), but there is also an account of politics and decision-making in an English town council. The editors discuss the papers in a comparative framework, considering also other accounts of conciliar structure and decision-making. They review the ways in which decisions are reached and implemented in

societies with very different structures and activities and discuss the impact of written records, colonial overrule and political independence. They attempt to outline some general principles of conciliar structure and process.

Let the Great World Spin Jun 05 2020
NATIONAL BOOK AWARD WINNER •
Colum McCann's beloved novel inspired by Philippe Petit's daring high-wire stunt, which is also depicted in the film *The Walk* starring Joseph Gordon-Levitt In the dawning light of a late-summer morning, the people of lower Manhattan stand hushed, staring up in disbelief at the Twin Towers. It is August 1974, and a mysterious tightrope walker is running, dancing, leaping between the towers, suspended a quarter mile above the ground. In the streets below, a slew of ordinary lives become

extraordinary in bestselling novelist Colum McCann's stunningly intricate portrait of a city and its people. *Let the Great World Spin* is the critically acclaimed author's most ambitious novel yet: a dazzlingly rich vision of the pain, loveliness, mystery, and promise of New York City in the 1970s. Corrigan, a radical young Irish monk, struggles with his own demons as he lives among the prostitutes in the middle of the burning Bronx. A group of mothers gather in a Park Avenue apartment to mourn their sons who died in Vietnam, only to discover just how much divides them even in grief. A

young artist finds herself at the scene of a hit-and-run that sends her own life careening sideways. Tillie, a thirty-eight-year-old grandmother, turns tricks alongside her teenage daughter, determined not only to take care of her family but to prove her own worth. Elegantly weaving together these and other seemingly disparate lives, McCann's powerful allegory comes alive in the unforgettable voices of the city's people, unexpectedly drawn together by hope, beauty, and the "artistic crime of the century." A sweeping and radical social novel, *Let the Great World Spin* captures the spirit of America in

a time of transition, extraordinary promise, and, in hindsight, heartbreaking innocence. Hailed as a "fiercely original talent" (*San Francisco Chronicle*), award-winning novelist McCann has delivered a triumphantly American masterpiece that awakens in us a sense of what the novel can achieve, confront, and even heal. Praise for *Let the Great World Spin* "This is a gorgeous book, multilayered and deeply felt, and it's a damned lot of fun to read, too. Leave it to an Irishman to write one of the greatest-ever novels about New York. There's so much passion and

humor and pure life force on every page of *Let the Great World Spin* that you'll find yourself giddy, dizzy, overwhelmed."—Dave Eggers "Stunning . . . [an] elegiac glimpse of hope . . . It's a novel rooted firmly in time and place. It vividly captures New York at its worst and best. But it transcends all that. In the end, it's a novel about families—the ones we're born into and the ones we make for ourselves."—USA Today "The first great 9/11 novel . . . We are all dancing on the wire of history, and even on solid ground we breathe the thinnest of air."—*Esquire*

“Mesmerizing . . . a Joycean look at the lives of New Yorkers changed by a single act on a single day . . . Colum McCann’s marvelously rich novel . . . weaves a portrait of a city and a moment, dizzyingly satisfying to read and difficult to put down.”—The Seattle Times
“Vibrantly whole . . . With a series of spare, gorgeously wrought vignettes, Colum McCann brings 1970s New York to life. . . . And as always, McCann’s heart-stoppingly simple descriptions wow.”—Entertainment Weekly
“An act of pure bravado, dizzying proof that to keep your balance you need to know how to fall.”—O: The Oprah

Magazine
The Tightrope Men Apr 15 2021
Action thriller by the classic adventure writer set in Norway and Finland.
Walking a Tightrope Sep 01 2022
This title was first published in 2000: Both the world of work and the sphere of family life are "greedy", demanding time and energy of participants. These demands often conflict so that people have to make choices and balance requirements of both. This book explores ways families meet the challenges of work and family balance in modern societies. Drawing from work of researchers in nine countries on

four continents, the complex interaction of workplace practices, social policies and family values is highlighted.
Relational Discipleship Apr 27 2022
God is waiting for each of us to return home! In fact, God is already out in the world searching and inviting each person to take the journey back to God's house.
Relational Discipleship: Moving Back Home with God
approaches discipleship from a fresh perspective and intentionally draws on biblical principles and examples of discipleship. In this approach, the metaphor of a house is used to

describe our journey back to God. Hospitality plays a key factor in how discipleship, from this perspective, warmly calls each person forward in each step. Other modes of discipleship are solely focused on transformation of the disciple. Here, in this model, the transformation of the discipler must occur first. Then, the discipler can be a warm host helping other travelers on the path to God's house. Join in the journey today and see how Relational Discipleship offers the call to move back home with God.

Zondervan Bible Study Guide Sampler Sep 28 2019 The

The Team

Formula Nov 22

2021 This is a business book told in a story format for leaders; a Leadership Tale. It takes place in the world of international business where, as a result of an acquisition, two companies merge creating a team: A team struggling with conflicts and dishonesty, but also showing glimpses of loyalty and hope. Stephen, the team's leader, is challenged to get them working together. In these times of change and economic downturn, it's more important than ever that he gets it right. Follow Stephen and his team on their journey through the thorny maze that all teams travel through. This is a

quick, must-read for leaders and team members in any organisation. The book offers a fun, engaging and informative experience, providing opportunities for reflection as well as valuable ideas that can be implemented immediately. The story tempts the reader, to look at him/herself and ask the questions: What choices am I making? How does this apply to me and my team? What am I doing to make this team work? The reader can easily relate to the characters and real-life situations. Everyone will recognise a part of themselves, as well as their colleagues, so you want to know what's going

to happen next: It's a page-turner. Above all, this is a book about going from intellectual understanding to a change in behaviour for everyone on the team. A little book for BIG team success. This is the first book in the 'little Book for BIG Success' series, a series of business books with a difference, written in an entertaining and easily digestible story format. *Lean In* Jan 13 2021 The #1 international best seller In *Lean In*, Sheryl Sandberg reignited the conversation around women in the workplace. Sandberg is chief operating officer of Facebook and

coauthor of Option B with Adam Grant. In 2010, she gave an electrifying TED talk in which she described how women unintentionally hold themselves back in their careers. Her talk, which has been viewed more than six million times, encouraged women to “sit at the table,” seek challenges, take risks, and pursue their goals with gusto. *Lean In* continues that conversation, combining personal anecdotes, hard data, and compelling research to change the conversation from what women can't do to what they can. Sandberg provides practical advice on negotiation

techniques, mentorship, and building a satisfying career. She describes specific steps women can take to combine professional achievement with personal fulfillment, and demonstrates how men can benefit by supporting women both in the workplace and at home. Written with humor and wisdom, Lean In is a revelatory, inspiring call to action and a blueprint for individual growth that will empower women around the world to achieve their full potential.

Sacred Friend Aug 27 2019 In this guide, Bill Donahue and Keri Wyatt Kent present Jesus as the supreme

Lord of the universe, and yet he desires your companionship. He is the one who can share your suffering, understand your weaknesses and always keep your trust. God made you to desire relationship and gave you his Son to fulfill your deepest needs. Come and meet Jesus, your friend. The Jesus 101 Series engages both mind and heart. The sessions bring a fresh perspective on who Jesus is, how he interacted with people in Scripture and how he relates to us. The discussion questions are designed particularly to help a group to learn from each other but

also provide an interesting context for individual reflection. As you discover the ways Jesus fulfills our lives, you may fall in love with him again--or for the first time.

Meeting God Jun 29 2022 True stories about the highs and lows of life with God. What is it about the Psalms that creates their ageless appeal? What draws us to them time and again to find courage, hope, and joy? Perhaps it's the way these ancient songs so faithfully mirror our own experience. With depth and passion, the Psalms reflect the many-faceted relationship between humans and God in the ever-changing

proving grounds of life. In Meeting God, you'll learn about God's heart toward you—and what He looks for in your heart toward Him. You'll find a road map for life. Discover a source of courage in the face of fear. Expand your heart with a fresh realization of God's greatness. And deepen your relationship with a very present, personal Creator. Interactions—a powerful and challenging tool for building deep relationships between you and your group members, and you and God. Interactions is far more than another group Bible study. It's a cutting-edge series designed to help small group

participants develop into fully devoted followers of Christ.

experiences of

young people.

Ministry leaders

can use each retreat as written or mine the book for resources to use in religious education classes, youth group meetings, mission trips, and so on. The retreats and activities can also be used as a springboard for creating new retreats.

[Humanity on a Tightrope](#) Jul 19 2021 More than ever, the world finds itself faced with common problems that affect most of the planet's population in some way: climate change, poverty, escalating violence, international conflicts, illness. And while an 'us v. them' mentality persists, a growing sense of empathy, of connection, with

those in remote parts of the world has caught hold and is spreading. The authors argue that empathy and feelings of kinship with others are necessary to preventing the collapse of civilization.

Through a careful examination of how humans must learn to relate to one another to avoid global calamity, they show how empathy can help to create a sustainable society of many billions of individuals.

Coaching Life-Changing Small Group Leaders Jul 31 2022 Small groups transform churches—and lives. Small group leaders often feel the weight of shepherding their

members. But who shepherds the shepherd? And what are the best ways to provide that support and guidance? These are the questions answered in *Coaching Life-Changing Small Group Leaders*. When you're called to coach a small group leader in your church, your mind may be filled with questions: Am I godly enough? What do I have to offer? How do I begin? Although the challenge seems immense, this handbook breaks down the work into reassuring and achievable steps. Originally self-published by Willow Creek Community Church, this expanded and improved edition

offers field-tested and biblically supported advice on such topics as modeling a surrendered life to those you shepherd gaining the tools and wisdom you need for coaching helping leaders grow spiritually nurturing the spiritual development and support of leaders. For those who want to coach with excellence and truly help small group leaders thrive, this go-to guide offers practical answers and inspiring examples. You'll find both challenge and promise in these pages as you learn to carry forth your God-given calling with confidence. "We ask small group leaders to come

alongside their group members, but often no one comes alongside them. This is a great tool from two people who have done exactly that for a long time. Small group leaders everywhere will benefit from this kind of coaching." **Group Communication in Context** Nov 30 2019 The study of group communication has never been more critical, as recent national and international events point to the fragility of group life. An emerging perspective, the bona fide group perspective, offers hope for improving group communication, for it recognizes that any group--a family,

community group, expedition team, social support group, organizational work group, interorganizational collaboration, or international team-- must be studied and understood within the multiple contexts in which it is embedded and that significantly affects who is considered to be part of a group, what occurs within that group, and how that group interacts with other groups. In the second edition of his award-winning volume, editor Lawrence R. Frey showcases original research studies conducted on and about communication in bona fide groups, demonstrating the

conceptual promise of the bona fide group perspective as realized in research practice. Divided into six sections, the chapters cover a wide range of new or relatively understudied groups--including youth community groups, Internet support groups, climbing expedition groups, families, neighborhoods, and school boards--and demonstrate the wealth of methodological approaches that can be used to study bona fide group communication--including survey methods, interviews, textual analysis, content analysis, participant observation, and discourse analysis.

Group Communication in Context: Studies of Bona Fide Groups, Second Edition shows that the bona fide group perspective has the power to transform our thinking about groups and group communication and, in time, the practices in which groups and group members engage. The volume is intended for use in group communication courses, as well as a reference for group scholars. It is also appropriate for classes in psychology, social work, counseling, sociology, anthropology, and related disciplines. **Leading Life-Changing Small Groups** Feb 23 2022 Like nothing

else, small groups have the power to change lives. They are the ideal route to discipleship—a place where the rubber of biblical truth meets the road of human relationships. However, church leaders often feel at a loss when it comes to assessing the strengths and weaknesses of group life in a church, and they struggle with understanding and solving the root causes of problems. Group Life resources provide in ebook format the practical tools and training resources needed to develop life-changing small group leaders, coaches to shepherd group leaders, and ultimately, a

thriving church-wide small group ministry. These resources include the updated and revised versions of the best-selling *Leading Life-Changing Small Groups* and *Coaching Life-Changing Small Group Leaders*, the new *Building a Life-Changing Small Group Ministry* and the supplemental *Group Life Training DVD*. Appropriate for individual or group study, the books function as manuals and workbooks that teach and allow readers to process and record information as they learn. Downloadable web-based vision clips and supplemental videos in the DVD help readers

explore and discuss topics further. *Group Life Resources* conveniently integrate with the *ReGroup™* curriculum, giving trainers the option to use them together. The updated and revised third edition of Bill Donahue's best-selling *Leading Life-Changing Small Groups* will help church leaders prepare small group leaders who can successfully facilitate gatherings and shepherd group participants. [Bulletin of the Atomic Scientists](#) Oct 10 2020 The *Bulletin of the Atomic Scientists* is the premier public resource on scientific and technological

developments that impact global security. Founded by Manhattan Project Scientists, the *Bulletin's* iconic "Doomsday Clock" stimulates solutions for a safer world. **Soviet Women** Jan 31 2020 Shares the current concerns of Russian women, describes their role in Russian society, and looks at how their discontent has helped lead to the massive changes sweeping the nation *Simple Small Groups* Aug 20 2021 Over the past two decades, small groups have gone from spontaneous gatherings among friends to a major and elaborate phenomenon in the church. Many evangelical churches have some form of small

groups ministry in place. But there's just one problem, says Bill Search-- what started as a simple get-together has become a complicated process, especially for small group leaders. They are often not sure what is expected of them or what to expect from their groups as a result of their efforts. In *Simple Small Groups*, Search lays out the three C's of small groups--connecting, changing, and cultivating. This paradigm helps to simplify leading small groups in a way that is helpful, rewarding, and life changing. Unlike many other books geared toward small group leaders, *Simple Small Groups* does

not require a church-wide adoption of an intricately designed system of assimilation, making it useful to any small group leader looking for guidance.

[Building a Church of Small Groups](#)

Church Should Be the Last Place

Where Anyone

Stands Alone Our

hearts were made for deep, authentic

relationships. For community. And like nothing else,

small groups provide the kind of life-giving

community that builds and

empowers the body of Christ and

impacts the world. At Willow Creek

Community Church, small groups are so

important that they

define the core organizational strategy. Willow Creek has gone from being a church with small groups to being a church of small groups. Sharing insights from that transition, its two chief architects tell how your church-- whatever its size and circumstances-- can become a place where people of all ages can experience powerful, transforming community. Part one presents the theological, sociological, and organizational underpinnings of small groups. You'll discover why they are so vital to church health. Part two moves you from vision to practice. Part three shows

you how to identify, recruit, train, and support group leaders. And part four helps you deal with the critical process of change as your church develops its small group ministry. 'Bill Donahue and Russ Robinson have not just thought and read and talked about community. They have rolled up their sleeves and devoted their vocational lives to figuring out how to actually help make it happen with real-life people in a real-life church.' ---John Ortberg, author, *If You Want to Walk on Water, Get Out of the Boat* *Community* Sep 20 2021 Learn how you can forge strong, meaningful ties with others and with God. Find out

how to move beyond superficial relationships and build lasting friendships. (6 sessions) Proceedings, International Wheat Quality Conference Jun 25 2019 **The Handbook of Financial Communication and Investor Relations** Jan 01 2020 The first book to offer a global look at the state-of-the-art thinking and practice in investor relations and financial communication Featuring contributions from leading scholars and practitioners in financial communication and related fields—including public relations, corporate communications,

finance, and accounting— this volume in the critically acclaimed "Handbooks in Communication and Media" series provides readers with a comprehensive, up-to-date picture of investor relations and financial communications as they are practiced in North America and around the world. The Handbook of Financial Communication and Investor Relations provides an overview of the past, present, and future of investor relations and financial communications as a profession. It identifies the central issues of contemporary investor relations

and financial communications practice, including financial information versus non-financial information, intangibles, risk, value, and growth. Authors address key topics of concern to contemporary practitioners, such as socially responsible investing, corporate governance, shareholder activism, ethics, and professionalism. In addition, the book arms readers with metrics and proven techniques for reliably measuring and evaluating the effectiveness of investor relations and financial communications. Bringing together the most up-to-date

research on investor relations and financial communication and the insights and expertise of an all-star team of practitioners, *The Handbook of Financial Communication and Investor Relations: Explores how the profession is practiced in various regions of the globe, including North America, South America, Europe, the Middle East, India, Australia, and other areas* Provides a unique look at financial communication as it is practiced beyond the corporate world, including in families, the medical profession, government, and the not-for-profit sector Addresses

“big-picture” strategies as well as specific tactics for financial communication during crises, the use of social media, dealing with shareholder activism, integrated reporting and CSR, and more This book makes an ideal reference resource for undergrads and graduate students, scholars, and practitioners studying or researching investor relations and financial communication across schools of communication, journalism, business, and management. It also offers professionals an up-to-date, uniquely holistic look at best practices in financial

communication investor relations worldwide. Sunday School in HD Dec 24 2021 Ministry professional Allan Taylor writes to all church leaders about the crucial role that Sunday School must play in producing healthy Christians who in turn produce healthy churches. He emphasizes the value of the Sunday School model to the total church ministry for its superior ability to nurture relationships and more personally stir passion for the Great Commission across every age group. Taylor presents the sharply focused idea that all Sunday School programs are either

imploding (through directionless ineffectiveness) or exploding (thanks to visionary leadership and practicing some fundamental disciplines). As such, he guides the reader toward growth principles that must be operative for any church to begin or continue a transformational Sunday School boom.

The Manager's Pocket Guide to Team Sponsorship Jan 25 2022 Are you responsible for starting new teams, providing direction, allocating resources, removing roadblocks, and serving as an all-around champion for high-performance work

teams? This practical, step-by-step guide is for you! Not only does this pocket reference emphasize the importance of turning slogans and talk into action, it tells how to do it. You'll get helpful guidelines for turning the principles of team management into day-to-day actions. Each chapter begins with a set of questions that the sponsor must ask before starting any team. The answers to these questions provide the keys to whether the project or activity actually warrants the effort that goes into a successful team. Once the need for the team has been clearly established, a checklist outlines

the necessary actions the sponsor must take to successfully start and maintain the team. The remainder of each chapter provides the details and specific instructions for carrying out the activities on the checklist. Many of the steps include exercises, activities, or assignments to enhance the learning points. Covers the most common types of teams and team support elements. *Breakthrough Business Meetings* Jul 27 2019 Breakthrough Business meetings is the guide to meeting excellence in the twenty-first century. Professor Edgar Schein of MIT's Sloan School of

Management, who requires it for his course on planning and managing change says, Breakthrough Business Meetings is one of the most theoretically sound yet totally practical books on meetings and group management that I have ever read."

Alcoholics

Walking the Small Group

Tightrope Oct 02 2022 Six Ways to Improve Your Balance as a Group Leader Leading a successful small group is like walking a tightrope. You traverse a taut, exciting line, balancing the dynamic tensions characteristic of

every group. Drawing from the concept of "polarity management," Bill Donahue and Russ Robinson help you understand and deal with six dynamic areas every group leader must manage in order to create genuine, transforming small group community. Your group is in for unprecedented connection and growth when you harness the interplay between • Truth and Life • Care and Discipleship • Friendship and Accountability • Kindness and Confrontation • Task and People • Openness and Intimacy Effective, life-giving small groups learn how to

embrace both ends of each continuum. Walking the Small Group Tightrope will strengthen your sense of balance, help you gain confidence as a leader, and show you how to release the untapped creative and relational energy in your group.

What Works for Women at Work
Apr 03 2020 "Based on interviews with 127 successful working women, over half of them women of color, *What Works for Women at Work* presents a toolkit for getting ahead in today's workplace. Distilling over 35 years of research, Williams and Dempsey offer four crisp patterns that affect working women: Prove-It-

Again!, the Tightrope, the Maternal Wall, and the Tug of War. Each represents different challenges and requires different strategies--which is why women need to be savvier than men to survive and thrive in high-powered careers." -- Publisher information.

[Bias Interrupted](#)
May 05 2020 A cutting-edge, relentless, objective approach to inclusion. Companies spend billions of dollars annually on diversity efforts with remarkably few results. Too often diversity efforts rest on the assumption that all that's needed is an earnest conversation about

"privilege." That's not enough. To truly make progress we need to stop celebrating the problem and instead take effective steps to solve it. In *Bias Interrupted*, Joan C. Williams shows how it's done, and, reassuringly, how easy it is to get started. One of today's preeminent voices on inclusive workplaces, Williams explains how leaders can use standard business tools—data, metrics, and persistence—to interrupt the bias that is continually transmitted through formal systems like performance appraisals, as well as the informal systems that control access to

career-enhancing opportunities. The book presents fresh evidence, based on Williams's exhaustive research and work with companies, that interrupting bias helps every group—including white men. Comprehensive, though compact and straightforward, *Bias Interrupted* delivers real, practical value in an efficient and accessible manner to an audience that has never needed it more. It's possible to interrupt bias. Here's where you start.

The Church and the Crisis of Community May 29 2022 Contemporary

society is in crisis, its structures broken and fragmented, and its people overstimulated, overstressed, and thirsty for true communion with the sacred and with one another. Yet although more than eighty-five percent of congregations in the United States conduct small-group ministry, too many of these groups begin with no clear sense of purpose, structure, or spiritual focus and end by veering away from Christian tradition and unknowingly settling for shallow versions of popular Christianity. In *The Church and the Crisis of Community* Theresa

Latini lays out both a theoretical groundwork and a practical guideline for successful small-group ministry. Examining the latest sociological research and the real-life practices of small groups in six congregations, she shows how well-developed groups those with mission statements, leadership training, and solid organizational structure can be a truly effective tool in the church's work of transforming broken and shallow forms of community into life-giving, life-sustaining relationships with God and others.
