When people should go to the books stores, search opening by shop, shelf by shelf, it is truly problematic. This is why we present the books compilations in this website. It will unconditionally ease you to look guide **100 Must Read Historical Novels Bloomsbury Good Reading Guides** as you such as.

By searching the title, publisher, or authors of guide you really want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. If you aspiration to download and install the 100 Must Read Historical Novels Bloomsbury Good Reading Guides, it is entirely easy then, previously currently we extend the colleague to buy and create bargains to download and install 100 Must Read Historical Novels Bloomsbury Good Reading Guides as a result simple!

Foreign Correspondence Jun 27 2022 As a young girl in a working-class neighborhood of Sydney, Australia, Geraldine Brooks longed to discover the places where history happens and culture comes from, so she enlisted pen pals who offered her a window on adolescence in the Middle East, Europe, and America. Twenty years later Brooks, an award-winning foreign correspondent, embarked on a human treasure hunt to find her pen friends. She found men and women whose lives had been shaped by war and hatred, by fame and notoriety, and by the ravages of

mental illness. Intimate, moving, and often humorous, Foreign Correspondence speaks to the unquiet heart of every girl who has ever yearned to become a woman of the world.

My Notorious Life Apr 01 2020 "Exquisitely written and richly detailed, My Notorious Life is a marvel. Kate Manning's rags-to-riches Dickensian saga brings to vivid life the world of nineteenth-century New York City, in all its pitiful squalor and glittering opulence. I loved this novel." —Christina Baker Kline, New York Times bestselling author of Orphan Train A brilliant

rendering of a scandalous historical figure, Kate Manning's My Notorious Life is an ambitious, thrilling novel introducing Axie Muldoon, a fiery heroine for the ages. Axie's story begins on the streets of 1860s New York. The impoverished child of Irish immigrants, she grows up to become one of the wealthiest and most controversial women of her day. In vivid prose, Axie recounts how she is forcibly separated from her mother and siblings, apprenticed to a doctor, and how she and her husband parlay the sale of a few bottles of "Lunar Tablets for Female Complaint" into a

thriving midwifery business. Flouting convention and defying the law in the name of women's reproductive rights, Axie rises from grim tenement rooms to the splendor of a mansion on Fifth Avenue, amassing wealth while learning over and over never to trust a man who says "trust me." When her services attract outraged headlines, Axie finds herself on a collision course with a crusading official—Anthony Comstock, founder of the Society for the Suppression of Vice. It will take all of Axie's cunning and power to outwit him in the fight to preserve her freedom and everything she holds dear. Inspired by the true history of an infamous female physician who was once called "the Wickedest Woman in New York," *My Notorious Life* is a mystery, a family saga, a love story, and an exquisitely detailed portrait of nineteenth-century America. Axie Muldoon's inimitable voice brings the past alive, and her story haunts and enlightens the present.

Four Lost Cities: A Secret History of the Urban Age Oct 08 2020 Named a Best Book of the Year by NPR and Science Friday A quest to explore some of the most spectacular ancient cities in human history—and figure out why people abandoned them. In *Four Lost Cities*, acclaimed science journalist Annalee Newitz takes readers on an entertaining and mind-bending adventure into the deep history of urban life. Investigating across the centuries and around the world, Newitz explores the rise

and fall of four ancient cities, each the center of a sophisticated civilization: the Neolithic site of Çatalhöyük in Central Turkey, the Roman vacation town of Pompeii on Italy's southern coast, the medieval megacity of Angkor in Cambodia, and the indigenous metropolis Cahokia, which stood beside the Mississippi River where East St. Louis is today. Newitz travels to all four sites and investigates the cutting-edge research in archaeology, revealing the mix of environmental changes and political turmoil that doomed these ancient settlements. Tracing the early development of urban planning, Newitz also introduces us to the often anonymous workers—slaves, women, immigrants, and manual laborers—who built these cities and created monuments that lasted millennia. *Four Lost Cities* is a journey into the forgotten past, but, foreseeing a future in which the majority of people on Earth will be living in cities, it may also reveal something of our own fate.

A Gentleman in Moscow Sep 26 2019 The mega-bestseller with more than 2 million readers, soon to be a Showtime/Paramount series starring Ewan McGregor as Count Alexander Rostov From the #1 New York Times-bestselling author of *The Lincoln Highway* and *Rules of Civility*, a beautifully transporting novel about a man who is ordered to spend the rest of his life inside a luxury hotel In 1922, Count Alexander Rostov is deemed an unrepentant aristocrat by a

Bolshevik tribunal, and is sentenced to house arrest in the Metropol, a grand hotel across the street from the Kremlin. Rostov, an indomitable man of erudition and wit, has never worked a day in his life, and must now live in an attic room while some of the most tumultuous decades in Russian history are unfolding outside the hotel's doors. Unexpectedly, his reduced circumstances provide him entry into a much larger world of emotional discovery. Brimming with humor, a glittering cast of characters, and one beautifully rendered scene after another, this singular novel casts a spell as it relates the count's endeavor to gain a deeper understanding of what it means to be a man of purpose.

The Pillars of the Earth Aug 30 2022 #1 New York Times Bestseller Oprah's Book Club Selection The "extraordinary . . . monumental masterpiece" (Booklist) that changed the course of Ken Follett's already phenomenal career—and begins where its prequel, *The Evening and the Morning*, ended. "Follett risks all and comes out a clear winner," extolled Publishers Weekly on the release of *The Pillars of the Earth*. A departure for the bestselling thriller writer, the historical epic stunned readers and critics alike with its ambitious scope and gripping humanity. Today, it stands as a testament to Follett's unassailable command of the written word and to his universal appeal. *The Pillars of the Earth* tells the story of Philip, prior of Kingsbridge, a

devout and resourceful monk driven to build the greatest Gothic cathedral the world has known . . . of Tom, the mason who becomes his architect—a man divided in his soul . . . of the beautiful, elusive Lady Aliena, haunted by a secret shame . . . and of a struggle between good and evil that will turn church against state and brother against brother. A spellbinding epic tale of ambition, anarchy, and absolute power set against the sprawling medieval canvas of twelfth-century England, this is Ken Follett's historical masterpiece.

A Slave No More Mar 25 2022 Two slave narratives that document the experiences of runaway slaves who managed to reach the protection of Union forces are accompanied by biographies of both men that reconstruct their childhoods, escape, Civil War service, and successful later lives.

Tasa's Song Sep 06 2020 An extraordinary novel inspired by true events. 1943. Tasa Rosinski and five relatives, all Jewish, escape their rural village in eastern Poland—avoiding certain death—and find refuge in a bunker beneath a barn built by their longtime employee. A decade earlier, ten-year-old Tasa dreams of someday playing her violin like Paganini. To continue her schooling, she leaves her family for a nearby town, joining older cousin Danik at a private Catholic academy where her musical talent flourishes despite escalating political tension. But when the war breaks out and

the eastern swath of Poland falls under Soviet control, Tasa's relatives become Communist targets, her tender new relationship is imperiled, and the family's secure world unravels. From a peaceful village in eastern Poland to a partitioned post-war Vienna, from a promising childhood to a year living underground, Tasa's Song celebrates the bonds of love, the power of memory, the solace of music, and the enduring strength of the human spirit. 2016 Independent Publisher Book Awards (IPPY): Bronze Medal, Historical Fiction 2016 Foreword INDIES Book Awards: Finalist - Historical Fiction

Genghis Khan and the Making of the Modern World Jul 17 2021 NEW YORK TIMES BESTSELLER • The startling true history of how one extraordinary man from a remote corner of the world created an empire that led the world into the modern age—by the author featured in *Echoes of the Empire: Beyond Genghis Khan*. The Mongol army led by Genghis Khan subjugated more lands and people in twenty-five years than the Romans did in four hundred. In nearly every country the Mongols conquered, they brought an unprecedented rise in cultural communication, expanded trade, and a blossoming of civilization. Vastly more progressive than his European or Asian counterparts, Genghis Khan abolished torture, granted universal religious freedom, and smashed feudal systems of aristocratic privilege. From the story of his

rise through the tribal culture to the explosion of civilization that the Mongol Empire unleashed, this brilliant work of revisionist history is nothing less than the epic story of how the modern world was made. *U.S. History* Nov 08 2020 Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. *U.S. History* is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

The Crusades Apr 13 2021 The Crusades is an authoritative, accessible single-volume history of the brutal struggle for the Holy Land in the Middle Ages. Thomas Asbridge—a renowned historian who writes with “maximum vividness” (Joan Acocella, *The New Yorker*)—covers the years 1095 to 1291 in this big, ambitious, readable account of one of the most fascinating periods in history. From Richard the Lionheart to the mighty

Saladin, from the emperors of Byzantium to the Knights Templar, Asbridge's book is a magnificent epic of Holy War between the Christian and Islamic worlds, full of adventure, intrigue, and sweeping grandeur.

The Devil's Library Dec 10 2020 "Pugh's first novel is a magnificent achievement. Let us hope he returns to enthrall us with another very soon." David Dickinson, author of the Powerscourt series *The Otiosi*? As far as Mathew Longstaff knows, they're just a group of harmless scholars with an eccentric interest in the works of antiquity. When they ask him to travel east, to recover a lost text from Ivan the Terrible's private library, he can't think of anything but the reward - home. A return to England and an end to the long years of exile and warfare. But the *Otiosi* are on the trail of a greater prize than Longstaff realises - the legendary 'Devil's Library'. And they are not alone. Gregorio Spina, the pope's spymaster and chief censor, is obsessed with finding the Library. It's not the accumulated wisdom of centuries he's after - a swamp of lies and heresy in his opinion - but among the filth, like a diamond at the centre of the Devil's black heart, Spina believes that God has placed a treasure, a weapon to defeat the Antichrist and pitch his hordes back into hell. Only Longstaff, together with the unpredictable physician, Gaetan Durant, can stop Spina using the Library to plunge Europe into a second Dark Ages. The two adventurers

fight their way south, from the snowfields of Muscovy to the sun-baked plains of Italy, where an ageing scholar and his beautiful, young protégé hold the final piece of the puzzle. But is it already too late? Can the four of them take on the might of the Roman Church and hope to win? [The History of the Ancient World: From the Earliest Accounts to the Fall of Rome](#) May 27 2022 A lively and engaging narrative history showing the common threads in the cultures that gave birth to our own. This is the first volume in a bold new series that tells the stories of all peoples, connecting historical events from Europe to the Middle East to the far coast of China, while still giving weight to the characteristics of each country. Susan Wise Bauer provides both sweeping scope and vivid attention to the individual lives that give flesh to abstract assertions about human history. Dozens of maps provide a clear geography of great events, while timelines give the reader an ongoing sense of the passage of years and cultural interconnection. This old-fashioned narrative history employs the methods of "history from beneath"—literature, epic traditions, private letters and accounts—to connect kings and leaders with the lives of those they ruled. The result is an engrossing tapestry of human behavior from which we may draw conclusions about the direction of world events and the causes behind them. [Fahrenheit 451](#) Jul 05 2020 A fireman in charge of burning

books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

Troublemaker Jul 29 2022 An instant New York Times bestseller! An Indiebound bestseller! *Troublemaker* follows the events of the LA Riots through the eyes of 12-year-old Jordan as he navigates school and family. This book will highlight the unique Korean American perspective. 12-year-old Jordan feels like he can't live up to the example his older sister set, or his parent's expectations. When he returns home from school one day hoping to hide his suspension, Los Angeles has reached a turning point. In the wake of the acquittal of the police officers filmed beating Rodney King, as well as the shooting of a young black teen, Latasha Harlins by a Korean store owner, the country is at the precipice of confronting its racist past and present. As tensions escalate, Jordan's father leaves to check on the family store, spurring Jordan and his friends to embark on a dangerous journey to come to his aide, and come to terms with the racism within and affecting their community. *Churchill* Nov 20 2021 "A richly textured and deeply moving portrait of greatness" (Los Angeles Times). In this masterful book, prize-winning historian and authorized Churchill biographer Martin Gilbert weaves together the research from his eight-volume biography of the elder statesman into one single volume, and includes new

information unavailable at the time of the original work's publication. Spanning Churchill's youth, education, and early military career, his journalistic work, and the arc of his political leadership, *Churchill: A Life* details the great man's indelible contribution to Britain's foreign policy and internal social reform. With eyewitness accounts and interviews with Churchill's contemporaries, including friends, family members, and career adversaries, it provides a revealing picture of the personal life, character, ambition, and drive of one of the world's most remarkable leaders. "A full and rounded examination of Churchill's life, both in its personal and political aspects . . . Gilbert describes the painful decade of Churchill's political exile (1929-1939) and shows how it strengthened him and prepared him for his role in the 'hour of supreme crisis' as Britain's wartime leader. A lucid, comprehensive and authoritative life of the man considered by many to have been the outstanding public figure of the 20th century." —Publishers Weekly "Mr. Gilbert's job was to bring alive before his readers a man of extraordinary genius and scarcely less extraordinary destiny. He has done so triumphantly." —The New York Times Book Review

[Rise and Fall of the Third Reich](#)
Dec 30 2019 The classic history of Adolph Hitler's rise to power and his dramatic defeat

[Before Columbus](#)
Jan 11 2021 Based on the startling

revelations that the author presented in his adult-level 1491: New Revelations of the Americas Before Columbus, this book for young readers is a fascinating full-color journey into the world of the many advanced cultures that populated the Americas before the arrival of European explorers.

The First Total War Jul 25 2019 "A mesmerizing account that illuminates not just the Napoleonic wars but all of modern history . . . It reads like a novel" (Lynn Hunt, Eugen Weber Professor of modern European history, UCLA). The twentieth century is usually seen as "the century of total war." But as the historian David A. Bell argues in this landmark work, the phenomenon actually began much earlier, in the era of muskets, cannons, and sailing ships—in the age of Napoleon. In a sweeping, evocative narrative, Bell takes us from campaigns of "extermination" in the blood-soaked fields of western France to savage street fighting in ruined Spanish cities to central European battlefields where tens of thousands died in a single day. Between 1792 and 1815, Europe plunged into an abyss of destruction. It was during this time, Bell argues, that our modern attitudes toward war were born. Ever since, the dream of perpetual peace and the nightmare of total war have been bound tightly together in the Western world—right down to the present day, in which the hopes for an "end to history" after the cold war quickly gave way to

renewed fears of full-scale slaughter. With a historian's keen insight and a journalist's flair for detail, Bell exposes the surprising parallels between Napoleon's day and our own—including the way that ambitious "wars of liberation," such as the one in Iraq, can degenerate into a gruesome guerrilla conflict. The result is a book that is as timely and important as it is unforgettable. "Thoughtful and original . . . Bell has mapped what is a virtually new field of inquiry: the culture of war." —Steven L. Kaplan, Goldwin Smith Professor of European history, Cornell University

[A World Lit Only by Fire](#)
Dec 22 2021 A "lively and engaging" history of the Middle Ages (Dallas Morning News) from the acclaimed historian William Manchester, author of *The Last Lion*. From tales of chivalrous knights to the barbarity of trial by ordeal, no era has been a greater source of awe, horror, and wonder than the Middle Ages. In handsomely crafted prose, and with the grace and authority of his extraordinary gift for narrative history, William Manchester leads us from a civilization tottering on the brink of collapse to the grandeur of its rebirth: the dense explosion of energy that spawned some of history's greatest poets, philosophers, painters, adventurers, and reformers, as well as some of its most spectacular villains. "Manchester provides easy access to a fascinating age when our modern mentality was just being born." --Chicago Tribune

100 Must-read Historical Novels Nov 01 2022 This latest guide in the highly successful Must-Read series depicts 100 of the finest historical fiction tales published, with a further 500 recommendations. The text covers a wide range of classic works and key authors.

The 1619 Project Nov 28 2019 #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD WINNER • A dramatic expansion of a groundbreaking work of journalism, *The 1619 Project: A New Origin Story* offers a profoundly revealing vision of the American past and present. FINALIST FOR THE KIRKUS PRIZE • ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, NPR, Esquire, Marie Claire, Electric Lit, Ms. magazine, Kirkus Reviews, Booklist In late August 1619, a ship arrived in the British colony of Virginia bearing a cargo of twenty to thirty enslaved people from Africa. Their arrival led to the barbaric and unprecedented system of American chattel slavery that would last for the next 250 years. This is sometimes referred to as the country's original sin, but it is more than that: It is the source of so much that still defines the United States. The New York Times Magazine's award-winning "1619 Project" issue reframed our understanding of American history by placing slavery and its continuing legacy at the center of our national narrative. This new book substantially expands on that work, weaving together eighteen essays that explore the legacy of slavery in present-day America with

thirty-six poems and works of fiction that illuminate key moments of oppression, struggle, and resistance. The essays show how the inheritance of 1619 reaches into every part of contemporary American society, from politics, music, diet, traffic, and citizenship to capitalism, religion, and our democracy itself. This is a book that speaks directly to our current moment, contextualizing the systems of race and caste within which we operate today. It reveals long-glossed-over truths around our nation's founding and construction—and the way that the legacy of slavery did not end with emancipation, but continues to shape contemporary American life. Featuring contributions from: Leslie Alexander • Michelle Alexander • Carol Anderson • Joshua Bennett • Reginald Dwayne Betts • Jamelle Bouie • Anthea Butler • Matthew Desmond • Rita Dove • Camille T. Smith • Bryan Stevenson • Nafissa Thompson-Spires • Natasha Trethewey • Linda Villarosa • Jesmyn Ward 1491 (Second Edition) May 15 2021 NATIONAL BESTSELLER • A groundbreaking work of science, history, and archaeology that radically alters our understanding of the Americas before the arrival of Columbus in 1492—from “a remarkably engaging writer” (The New York Times Book Review). Contrary to what so many Americans learn in school, the pre-Columbian Indians were not sparsely settled in a pristine wilderness; rather, there were huge numbers of Indians who actively molded and influenced the land around them. The astonishing Aztec capital of Tenochtitlan had running water and immaculately clean streets, and was larger than any contemporary European city. Mexican cultures created corn in a specialized breeding process that it has been called man's first feat of genetic engineering. Indeed, Indians were not living lightly on the land but were landscaping and manipulating their world in ways that we are only now beginning to understand. Challenging and surprising, this a transformative new look at a rich and fascinating world we only thought we knew. Over the Edge of the World Aug 18 2021 “A first-rate historical page turner.” —New York Times Book Review The

acclaimed and bestselling account of Ferdinand Magellan's historic 60,000-mile ocean voyage. Ferdinand Magellan's daring circumnavigation of the globe in the sixteenth century was a three-year odyssey filled with sex, violence, and amazing adventure. Now in *Over the Edge of the World*, prize-winning biographer and journalist Laurence Bergreen entwines a variety of candid, firsthand accounts, bringing to life this groundbreaking and majestic tale of discovery that changed both the way explorers would henceforth navigate the oceans and history itself. Now updated to include a new introduction commemorating the 500th anniversary of Magellan's voyage.

The Prisoner's Wife May 03 2020 Inspired by the true story of a daring deception that plunges a courageous young woman deep into the horrors of a Nazi POW camp to be with the man she loves. In the dead of night, a Czech farm girl and a British soldier travel through the countryside. Izabela and prisoner of war Bill have secretly married and are on the run, with Izzy dressed as a man. The young husband and wife evade capture for as long as possible—until they are cornered by Nazi soldiers with tracking dogs. Izzy's disguise works. The couple are assumed to be escaped British soldiers and transported to a POW camp. However, their ordeal has just begun, as they face appalling living conditions and the constant fear of Izzy's exposure. But in the midst of

danger and deprivation comes hope, for the young couple are befriended by a small group of fellow prisoners. These men become their new family, willing to jeopardize their lives to save Izzy from being discovered and shot. The *Prisoner's Wife* tells of an incredible risk, and of how our deepest bonds are tested in desperate times. Bill and Izzy's story is one of love and survival against the darkest odds. *Guns, Germs, and Steel: The Fates of Human Societies (20th Anniversary Edition)* Apr 25 2022 "Fascinating.... Lays a foundation for understanding human history."—Bill Gates In this "artful, informative, and delightful" (William H. McNeill, *New York Review of Books*) book, Jared Diamond convincingly argues that geographical and environmental factors shaped the modern world. Societies that had had a head start in food production advanced beyond the hunter-gatherer stage, and then developed religion --as well as nasty germs and potent weapons of war --and ventured on sea and land to conquer and decimate preliterate cultures. A major advance in our understanding of human societies, *Guns, Germs, and Steel* chronicles the way that the modern world came to be and stunningly dismantles racially based theories of human history. Winner of the Pulitzer Prize, the Phi Beta Kappa Award in Science, the Rhone-Poulenc Prize, and the Commonwealth club of California's Gold Medal. **Wolf Hall** Jan 29 2020 In the

ruthless arena of King Henry VIII's court, only one man dares to gamble his life to win the king's favor and ascend to the heights of political power England in the 1520s is a heartbeat from disaster. If the king dies without a male heir, the country could be destroyed by civil war. Henry VIII wants to annul his marriage of twenty years, and marry Anne Boleyn. The pope and most of Europe opposes him. The quest for the king's freedom destroys his adviser, the brilliant Cardinal Wolsey, and leaves a power vacuum. Into this impasse steps Thomas Cromwell. Cromwell is a wholly original man, a charmer and a bully, both idealist and opportunist, astute in reading people and a demon of energy: he is also a consummate politician, hardened by his personal losses, implacable in his ambition. But Henry is volatile: one day tender, one day murderous. Cromwell helps him break the opposition, but what will be the price of his triumph? In inimitable style, Hilary Mantel presents a picture of a half-made society on the cusp of change, where individuals fight or embrace their fate with passion and courage. With a vast array of characters, overflowing with incident, the novel re-creates an era when the personal and political are separated by a hairbreadth, where success brings unlimited power but a single failure means death. Malibu Rising Aug 25 2019 NEW YORK TIMES BESTSELLER • Read with Jenna Book Club Pick as Featured on Today • From the

author of *Daisy Jones & The Six* and *The Seven Husbands of Evelyn Hugo* . . . **ONE OF THE BEST BOOKS OF THE YEAR:** The Washington Post, Time, Marie Claire, PopSugar, Parade, Teen Vogue, Self, She Reads • “Irresistible . . . High drama at the beach, starring four sexy, surfing siblings and their deadbeat, famous-crooner dad.”—People Four famous siblings throw an epic party to celebrate the end of the summer. But over the course of twenty-four hours, the family drama that ensues will change their lives forever. *Malibu: August 1983*. It’s the day of Nina Riva’s annual end-of-summer party, and anticipation is at a fever pitch. Everyone wants to be around the famous Rivas: Nina, the talented surfer and supermodel; brothers Jay and Hud, one a championship surfer, the other a renowned photographer; and their adored baby sister, Kit. Together the siblings are a source of fascination in Malibu and the world over—especially as the offspring of the legendary singer Mick Riva. The only person not looking forward to the party of the year is Nina herself, who never wanted to be the center of attention, and who has also just been very publicly abandoned by her pro tennis player husband. Oh, and maybe Hud—because it is long past time for him to confess something to the brother from whom he’s been inseparable since birth. Jay, on the other hand, is counting the minutes until nightfall, when the girl he can’t stop thinking about promised she’ll be there. And Kit has a couple secrets of her

own—including a guest she invited without consulting anyone. By midnight the party will be completely out of control. By morning, the Riva mansion will have gone up in flames. But before that first spark in the early hours before dawn, the alcohol will flow, the music will play, and the loves and secrets that shaped this family’s generations will all come rising to the surface. *Malibu Rising* is a story about one unforgettable night in the life of a family: the night they each have to choose what they will keep from the people who made them . . . and what they will leave behind.

Revelation Oct 20 2021 The final book of the Bible, *Revelation* prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Seventeen Seventy-six Jan 23 2022 Draws on personal correspondence and period diaries to present a history of the American Revolution that includes the siege of Boston, the American defeat at Brooklyn, the retreat across New Jersey, and the American victory at Trenton.

At Summer's End Feb 09 2021 "A sparkling debut from a new author we're all going to want more from."—Susan Meissner, bestselling author of *The Nature of Fragile Things* When an ambitious female artist accepts an unexpected commission at a powerful earl's country estate in 1920s England, she finds his war-torn family crumbling under the weight of long-kept secrets. From debut author Courtney Ellis comes a captivating novel about finding the courage to heal after the ravages of war. Alberta Preston accepts the commission of a lifetime when she receives an invitation from the Earl of Wakeford to spend a summer painting at His Lordship's country home, Castle Braemore. Bertie imagines her residence at the prodigious estate will finally enable her to embark on a professional career and prove her worth as an artist, regardless of her gender. Upon

her arrival, however, Bertie finds the opulent Braemore and its inhabitants diminished by the Great War. The earl has been living in isolation since returning from the trenches, locked away in his rooms and hiding battle scars behind a prosthetic mask. While his younger siblings eagerly welcome Bertie into their world, she soon sees chips in that world's gilded facade. As she and the earl develop an unexpected bond, Bertie becomes deeply entangled in the pain and secrets she discovers hidden within Castle Braemore and the hearts of its residents. Threaded with hope, love, and loss, *At Summer's End* delivers a portrait of a noble family--and a world--changed forever by the war to end all wars.

On Tyranny Mar 01 2020 #1 NEW YORK TIMES BESTSELLER • A “bracing” (Vox) guide for surviving and resisting America’s turn towards authoritarianism, from “a rising public intellectual unafraid to make bold connections between past and present” (The New York Times) “Timothy Snyder reasons with unparalleled clarity, throwing the past and future into sharp relief. He has written the rare kind of book that can be read in one sitting but will keep you coming back to help regain your bearings.”—Masha Gessen
The Founding Fathers tried to protect us from the threat they knew, the tyranny that overcame ancient democracy. Today, our political order faces new threats, not unlike the totalitarianism of the twentieth century. We are no wiser than

the Europeans who saw democracy yield to fascism, Nazism, or communism. Our one advantage is that we might learn from their experience. *On Tyranny* is a call to arms and a guide to resistance, with invaluable ideas for how we can preserve our freedoms in the uncertain years to come. *Postwar* Mar 13 2021 Finalist for the Pulitzer Prize • Winner of the Council on Foreign Relations Arthur Ross Book Award • One of the New York Times' Ten Best Books of the Year “Impressive . . . Mr. Judt writes with enormous authority.” —The Wall Street Journal “Magisterial . . . It is, without a doubt, the most comprehensive, authoritative, and yes, readable postwar history.” —The Boston Globe
Almost a decade in the making, this much-anticipated grand history of postwar Europe from one of the world's most esteemed historians and intellectuals is a singular achievement. *Postwar* is the first modern history that covers all of Europe, both east and west, drawing on research in six languages to sweep readers through thirty-four nations and sixty years of political and cultural change—all in one integrated, enthralling narrative. Both intellectually ambitious and compelling to read, thrilling in its scope and delightful in its small details, *Postwar* is a rare joy. Judt's book, *Ill Fares the Land*, republished in 2021 featuring a new preface by bestselling author of *Between the World and Me* and *The Water Dancer*, Ta-Nehisi Coates.

Europe Feb 21 2022 From the Ice Age to the Cold War and beyond, from Reykjavik to Riga, from Archimedes to Einstein, Alexander to Yeltsin, here between the covers of a single volume Norman Davies tells the story of Europe, East and West, from prehistory to the present day. The book's absorbing narrative lays down the chronological and geographical grid on which the dramas of European history have been played out. It zooms in from the distant focus of Chapter One, which explores the first five million years of the continent's evolution, to the close focus of the last two chapters, which cover the twentieth century at roughly one page per year. In between, Norman Davies presents a huge and sweeping canvas packed with fascinating detail, analysis, and anecdote. Alongside Europe's better-known stories - human, national, and continental - he brings into focus areas often ignored or misunderstood, remembering the stateless nation as well as the nation-state. Minority communities, from heretics and lepers to Jews, Romanies, and Muslims have not been forgotten. This masterly history reveals not only the rich variety of Europe's past but also the many and rewarding prisms through which it can be viewed. Each chapter contains a selection of telephoto 'capsules', illustrating narrower themes and topics that cut

across the chronological flow. Davies then concludes with a wide-angle 'snapshot' of the whole continent as seen from one particular vantage point. The overall effect is stunning: a kind of historical picture album, with panoramic tableaux interspersed by detailed insets and close-ups. Never before has such an ambitious history of Europe been attempted. In range and ambition, the originality of its structure and glittering style, Norman Davies's Europe represents one of the most important and illuminating history books to be published by Oxford. Time Capsules 201 fascinating articles interspersed throughout the narrative focus on incidents or topics as various as The Iceman of the Alps, Erotic Graffiti at Pompeii, Stradivarius, and Psychoanalysing Hitler. Each capsule can be tasted as a separate self-contained morsel; or can be read in conjunction with the narrative into which it is inserted. Snapshots 12 panoramic overviews across the changing map of Europe freeze the frames of the chronological narrative at moments of symbolic importance, such as Knossos 1628 BC, Constantinople AD 330, and Nuremberg 1945. A fully illustrated history

Incorporates over 100 superbly detailed maps and diagrams, and 32 pages of black and white plates.

The Encyclopaedia

Britannica Jun 23 2019 This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Ghost Empire Sep 18 2021 History, travelogue, and memoir combine in this illuminating journey in the footsteps of the great explorer La Salle. This is the extraordinary account of a personal and historical quest in which Philip Marchand retraces the seventeenth-century explorations of La Salle while he searches in the present day for vestiges of France's lost North American legacy. After he explored the Great Lakes and the entire Mississippi, La Salle was murdered by his own men when he led them on a disastrous mission to Texas.

The vast land beyond Quebec that he claimed for France could have become — but for a few twists of history — an alternative North America: a French-speaking, Catholic empire in which native peoples would have played a prominent role. Marchand probes the intriguingly flawed character of La Salle and recounts the astonishing history of the Jesuit missionaries, coureurs de bois, fur traders, and soldiers who followed on his heels, and of the Indian nations with whom they came into contact. He also reports on the survivals of this diaspora from late-night bars, battle reenactments, parish churches, and wayside restaurants from Montreal to Venice, Louisiana. And throughout he draws on memories of his own Catholic childhood in Massachusetts to interpret the lingering attitudes, fears, hopes, and iconography of a people who, more deeply than most, feel the burdens and the ironies of history.

Queen of the North Jun 15 2021 From Sunday Times bestseller Anne O'Brien . . . To those around her she was a loyal subject. In her heart she was a traitor.

China Jun 03 2020 An authoritative history of five millennia of Chinese history
