***Paul McCartney Jan 25 2022 Paul McCartney's songwriting output as a member of the Beatles, mainly with co-writer John Lennon, has been exhaustively documented over the years. Now, taking 50 key songs from his six-decade career since the break-up of the Fab Four, Paul McCartney: The Stories Behind the Songs takes an in-depth look at the solo work of one of popular music's most versatile and prolific composers and performers. Paul McCartney has been a genuine pop idol, a cutting-edge experimenter, and in later years recognized as an international musical treasure. The 50 selections from his vast songwriting catalogue highlighted in this book mark more than half a century of musical creativity by a true icon of popular music.***

**Rock Critics' Choice Jun 17 2021**

***Classical Music Radio in the United Kingdom, 1945-1995 Sep 08 2020 This book is the first comprehensive account of classical music on all British radio stations, BBC and commercial, between 1945 and 1995. It narrates the shifting development of those services, from before the launch of the Third Programme until after the start of Classic FM, examining the output from both qualitative and quantitative perspectives, as well as recounting some of the stories and anecdotes which enliven the tale. During these fifty years, British classical music radio featured spells of broad, multi-channel classical music radio, with aspirational and mainstream culture enjoying positive interactions, followed by periods of more restricted and exclusive output, in a paradigm of the place of high culture in UK society as a whole. The history was characterised by the recurring tensions between elite and popular provision, and the interplay of demands for highbrow and middlebrow output, and also sheds new light on the continuing relevance of class in Britain. It is an important and unique resource for those studying British history in the second half of the twentieth century, as well as being a compelling and diverting account for enthusiasts for classical music radio.***

***'You Dirty Old Man!' Jan 31 2020 Wilfrid Brambell was one of Britain's most loved and complex character actors. As Albert Ladysmith Steptoe, the unscrupulous rag-and-bone man with questionable habits in Ray Galton and Alan Simpson's long-running Steptoe & Son, he quickly became a household name with co-star Harry H. Corbett. But despite scores of other successes in roles on stage, TV and film, Brambell died a sad and lonely man. Alongside fame and fortune, 'You Dirty Old Man!' reveals how Brambell suffered unbelievable personal heartache, battling an inner turmoil that eventually drove him to drink as his marriage collapsed in the most deceitful circumstances imaginable. His torment led to a secretive life off camera where he did everything possible to stay out of the public eye. Featuring original interviews with film directors Richard Lester, Terence Davies and Tony Palmer, as well as recollections from his own family members, the family of Harry H. Corbett and those who worked alongside him, author David Clayton seeks to re-examine the legacy of a man whose loyal fanbase remains undiminished sixty years on from his heyday.***

**Legal Perspectives on State Power Jul 27 2019 The issue of consent and criminal**

**law commonly focuses on consent in sports, sexual activity, and medical treatment. The notion of consent and the influence of state control in this context, however, are pervasive throughout the criminal justice process from the pre-trial stage to rehabilitation. This edited collection charts an important and original pathway to understanding these important issues, pre-, during, and post-trial, from a range of perspectives, including doctrinal, socio-legal, intersectional, medico-legal, feminist, critical legal, and queer theoretical viewpoints. The collection addresses the complex inter-relationship between consent and state control in relation to private authorisation and public censure; sexual behaviour; the age of consent; queering consent; Pro-LGBTI Refugee cases; rape by fraud; male rape; undercover policing; prisons and consent; compulsory treatment for sex offenders; sex offenders with high functioning autism and the suitability of sex offender treatment programmes; and, the criminalisation of HIV transmission. This multi-disciplinary approach draws together a variety of experts from legal and medical academia and practice in order to confront the issues raised by these subjects, which are likely to remain controversial and in need of reform for years to come.**

**The Rock Canon Sep 20 2021 Canons are central to our understanding of our culture, and yet in the last thirty years there has been much conflict and uncertainty created by the idea of the canon. In essence, the canon comprises the works and artists that are widely accepted to be the greatest in their field. Yet such an apparently simple construct embodies a complicated web of values and mechanisms. Canons are also inherently elitist; however, Carys Wyn Jones here explores the emerging reflections of values, terms and mechanisms from the canons of Western literature and classical music in the reception of rock music. Jones examines the concept of the canon as theorized by scholars in the fields of literary criticism and musicology, before moving on to search for these canonical facets in the reception of rock music, as represented by ten albums: Bob Dylan's Highway 61 Revisited, The Beach Boys' Pet Sounds, The Beatles' Revolver, The Velvet Underground's The Velvet Underground & Nico, Van Morrison's Astral Weeks, Marvin Gaye's What's Going On, The Rolling Stones' Exile on Main St., Patti Smith's Horses, The Sex Pistols' Never Mind the Bollocks: Here's the Sex Pistols, and Nirvana's Nevermind. Jones concludes that in the reception of rock music we are not only trying to organize the past but also mediate the present, and any canon of rock music must now negotiate a far more pluralized culture and possibly accept a greater degree of change than has been evident in the canons of literature and classical music in the last two centuries.**

**A Conversation with Elton John and Bernie Taupin Jun 29 2022 Exclusive photographs accompany the transcript of an interview in which Elton John speaks of his rise to fame and his meeting with Bernie Taupin, who also shares anecdotes about the music world**

**2010 Comic Book Checklist & Price Guide Mar 15 2021 No other guide on the market covers the volume of comic book listings and range of eras as Comic Book Checklist & Price Guide does, in an easy-to-use checklist format. Readers can access listings for 130,000 comics, issued since 1961, complete with names, cover date, creator information and near-mint pricing. With super-hero art on the cover and collecting details from the experts as America's longest-running magazine about comics in this book, there is nothing that compares.**

**The Misinterpretation of Tara Jupp Oct 10 2020 The brilliant new novel from the bestselling author of The Lost Art of Keeping Secrets. 1962, Cornwall. Tara Jupp - vicar's daughter, occasional thief, expert horse-rider and second fiddle to her sister 'the beauty' Lucy - sings at a wedding and is spotted by a record producer. With the spotlight suddenly, thrillingly shining on her alone, the roots of Tara's country existence are shaken free and she is propelled to Swinging Sixties London. Plunged into a dazzling new world of fashion, music and heartache, in a city where skirts are being hitched up as fast as past is being pulled down, can Tara hold the limelight and hold on to who she really is?**

**Guilty Until Proven Innocent Nov 10 2020 Whenever a miscarriage of justice hits the headlines, it is tempting to dismiss it as an anomaly - a minor hiccup in an otherwise healthy judicial system. Yet the cases of injustice that feature in this book reveal that they are not just minor hiccups, but symptoms of a chronic illness plaguing the British legal system. Massive underfunding, catastrophic failures in policing and shoddy legal representation have all contributed to a deepening crisis - one that the watchdog set up for the very purpose of investigating miscarriages of justice has done precious little to remedy. Indeed, little has changed since the 'bad old days' of the Guildford Four and Birmingham Six. Award winning journalist Jon Robins lifts the lid on Britain's legal scandals and exposes the disturbing complacency that has led to many innocent people being deemed guilty, either in the eyes of the law or in the court of public opinion.**

**Television's Greatest Hits Mar 27 2022**

**The McCartney Interviews Nov 30 2019 This is a full transcript of one of Paul McCartney's most revealing interviews with journalist and broadcaster Paul Gambaccini.**

**Elton John's Blue Moves Sep 28 2019 By 1976, Elton John was the best-selling recording artist and the highest-grossing touring act in the world. With seven #1 albums in a row and a reputation as a riveting piano-pounding performer, the former Reggie Dwight had gone with dazzling speed from the London suburbs to the pinnacles of rock stardom, his songs never leaving the charts, his sold-out shows packed with adoring fans. Then he released Blue Moves, and it all came crashing down. Was the commercially disappointing and poorly reviewed double album to blame? Can one album shoot down a star? No, argues Matthew Restall; Blue Moves is a four-sided masterpiece, as fantastic as Captain Fantastic, as colorful as Goodbye Yellow Brick Road, a showcase for the three elements--piano-playing troubadour, full orchestra, rock band--with which Elton John and his**

**collaborators redirected the evolution of popular music. Instead, both album and career were derailed by a perfect storm of circumstances: Elton's decisions to stop touring and start his own label; the turbulent shiftings of popular culture in the punk era; the minefield of attitudes toward celebrity and sexuality. The closer we get to Blue Moves, the better we understand the world into which it was born--and vice versa. Might that be true of all albums?**

**Kid Jensen Jul 31 2022 Few of a generation do not recall listening to Radio Luxembourg 'under the bed clothes'. At a time when the station was huge, David 'Kid' Jensen was one of its best-known names, broadcasting to millions across Europe, showcasing music at a key moment of change. Transferring eventually to the BBC, he was part of a golden era for Radio 1. When the station was reaching peak audiences he was on board, working alongside the radio names who have become part of folklore such as John Peel and Kenny Everett, and appearing in person in front of thousands at the Radio 1 Roadshows and on television to millions on Top Of The Pops. David Jensen's encounters with the big names are incomparable: Michael Jackson teaching the moonwalk on the shag pile carpet; playing football at midnight on an airport runway with the Rolling Stones; an exclusive party at the Holiday Inn with a young Freddie Mercury; going on holiday with Paul McCartney. As a knowledgeable and high-profile music-loving radio presenter, the list is never-ending and in this book he tells of his impressions of the characters: who was fun, and who was more difficult. Two years ago, David revealed he'd been battling incurable Parkinson's, saying he'd delayed disclosing his illness to all but family and close friends for fear that "people might think less of me." This is the personal story - with all its ups and downs - of the Canadian who sold his motorbike and trumpet to venture to London to pursue his dream - and achieved it.**

**Love, Paul Gambaccini Nov 03 2022 Paul Gambaccini chose to live in Britain, arriving here at the age of 21 from his home in the United States. He won a scholarship to Oxford, and wanted to escape the administration of Richard Nixon and Spiro Agnew. Imagine his disappointment when his chosen country betrayed, psychologically tortured and abandoned him. Arrested on risible accusations of historic child sex abuse, he was disgraced in the press and made unemployable, having to pay tens of thousands of pounds in legal fees during a year in which he had no income. Finally, inevitably, he became the latest celebrity to be completely exonerated, the allegations completely thrown out. 'Love, Paul Gambaccini' is a first person account of the witch hunt Gambaccini endured at the hands of the Metropolitan Police and Crown Prosecution Service.**

**The Top 100 Rock "n" Roll Albums of All Time Feb 23 2022 This volume reveals which albums experts believe are rock's true classics and includes full-color reproductions of the album covers and one reviewer's thoughts on what makes each album great**

**Donna Summer Mar 03 2020 Disco superstar Donna Summer was a musical icon and an inspiration worldwide. This account of her career will delight fans and prove that the one-time Queen of Disco Music had evolved into an all-round artist who used her incredible talents to get to the top - and stay there for four decades.**

***Dylan on Dylan Oct 22 2021 Dylan can be as evasive and abstruse as he is witty; he can be cranky and sarcastic. But in the right moments, he offers candid, revealing commentary about his groundbreaking music and creative process. Dylan on Dylan is an authoritative, chronologically arranged anthology of interviews, speeches and press conferences, as well as excerpts from nearly a hundred additional Q&As spanning Dylan's entire career. The material comes from renowned publications like Rolling Stone and from obscure periodicals like Minnesota Daily, a student newspaper at Dylan's alma mater. Interviewers include some of the top music journalists of our time, such as Robert Love and Mikal Gilmore, as well as musicians like Pete Seeger and Happy Traum. Introductions put each piece in context and, in many cases, include the interviewer's reminiscences about the encounter.***

***Bruce Springsteen May 29 2022 Profiles the life, ambitions, and career of the dynamic rock singer, songwriter, and musician who skyrocketed to success after the release of his 1973 album Greetings From Asbury Park, N.J***

***Credible and True Apr 15 2021 Early in the morning of 4 March 2015, a fierce knock at the door heralded the start of a new chapter in Harvey Proctor's almost continuous relationship with the police and media, when officers from the Metropolitan Police raided his home in connection with Operation Midland, Scotland Yard's investigation into allegations of a historic Westminster paedophile ring. In Credible and True - words famously used by the police to describe the allegations of Proctor's traducer - the former Conservative MP talks frankly about his life in and out of Parliament, from the struggles and controversy surrounding his resignation in 1987 to the numerous homophobic attacks endured since - one of which, revealed here in horrific detail for the first time, was a very nearly successful attempt on his life. Finally, he speaks candidly about his most recent embroilment in Operation Midland, of being the victim of a 'homosexual witch-hunt' that has all but destroyed his reputation, adding to the topical debate about police lack of due process in the post-Savile world of 'guilty until proven innocent'.***

***Behind The Blue Line Oct 29 2019 On Wednesday 15 April 1998, Detective Sergeant Gurpal Singh Virdi was arrested and accused of sending racist hate mail to himself and ethnic minority colleagues. Dismissed from the Metropolitan Police Service, his reputation in ruins, Virdi took his case to an employment tribunal which judged that he had been a victim of racial discrimination. Completely vindicated, Virdi was reinstated to the job he loved - but his travails were far from over. Constantly overlooked for promotion, he realised that by challenging the Met he had effectively ended his career. Following his retirement from the force and keen to serve his local community, Virdi decided to run for election as a Labour councillor - but, prior to the election, he was arrested a second time. The allegations levelled against him were horrifying: he stood accused of sexually assaulting an underage prisoner nearly thirty years earlier. Yet when the case went to trial, a jury took less than fifty minutes to clear Virdi of all charges, with the judge noting the likelihood of a conspiracy behind the case. But the damage had been done. Behind the Blue Line is Virdi's deeply shocking account of how one of Britain's biggest institutions brought the apparatus of the state to bear in***

**a campaign to destroy the life of one of its own officers.**

**Good As You Jun 25 2019 'One of the most important books about gay culture in recent times' The Quietus Long-listed for the Polari First Book Prize In 1984 the pulsing electronics and soft vocals of Smalltown Boy would become an anthem uniting gay men. A month later, an aggressive virus, HIV, would be identified and a climate of panic and fear would spread across the nation, marginalising an already ostracised community. Yet, out of this terror would come tenderness and 30 years later, the long road to gay equality would climax with the passing of same sex marriage. Paul Flynn charts this astonishing pop cultural and societal U-turn via the cultural milestones that effected change—from Manchester's self-selection as Britain's gay capital to the real-time romance of Elton John and David Furnish's eventual marriage. Including candid interviews from major protagonists, such as Kylie, Russell T Davies, Will Young, Holly Johnson and Lord Chris Smith, as well as the relative unknowns crucial to the gay community, we see how an unlikely group of bedfellows fought for equality both front of stage and in the wings. This is the story of Britain's brothers, cousins and sons. Sometimes it is the story of their fathers and husbands. It is one of public outrage and personal loss, the (not always legal) highs and the desperate lows, and the final collective victory as gay men were finally recognised, as Good As You.**

**Bending Steel Dec 12 2020 "Faster than a speeding bullet. More powerful than a locomotive. Able to leap tall buildings in a single bound . . . It's Superman!" Bending Steel examines the historical origins and cultural significance of Superman and his fellow American crusaders. Cultural historian Aldo J. Regalado asserts that the superhero seems a direct response to modernity, often fighting the interrelated processes of industrialization, urbanization, immigration, and capitalism that transformed the United States from the early nineteenth century to the present. Reeling from these exciting but rapid and destabilizing forces, Americans turned to heroic fiction as a means of explaining national and personal identities to themselves and to the world. In so doing, they created characters and stories that sometimes affirmed, but other times subverted conventional notions of race, class, gender, and nationalism. The cultural conversation articulated through the nation's early heroic fiction eventually led to a new heroic type--the brightly clad, super-powered, pro-social action heroes that first appeared in American comic books starting in the late 1930s. Although indelibly shaped by the Great Depression and World War II sensibilities of the second-generation immigrants most responsible for their creation, comic book superheroes remain a mainstay of American popular culture. Tracing superhero fiction all the way back to the nineteenth century, Regalado firmly bases his analysis of dime novels, pulp fiction, and comics in historical, biographical, and reader response sources. He explores the roles played by creators, producers, and consumers in crafting superhero fiction, ultimately concluding that these narratives are essential for understanding vital trajectories in American culture.**

**Alan Moore Oct 02 2022 Alan Moore: Portrait of an Extraordinary Gentleman contains comic strips, illustrations, essays, articles, anecdotes and other pieces contributed by top American, English, and international comics creators paying tribute to the master of comic book writing, Alan Moore (creator of Watchmen**

**Checklist of Writings on American Music, 1640-1992 Jul 19 2021 Cumulative index to all three volumes of Literature of American Music in Books and Folk Music Collections.**

**The British Television Pilot Episodes Research Guide 1936-2015 Apr 03 2020 A new idea can become an expensive flop for TV executives. So from the earliest days of television, the concept of a pilot episode seemed like a good idea. Trying out new actors; new situations and new concepts before making a series was good economical sense. It was also tax deductible. Sometimes these pilots were shown on television; sometimes they were so awful they were hidden from sight in archives; and sometimes they were excellent one-offs, but a series seemed elusive and never materialised. Chris Perry has always been fascinated by the pilot episode. So many pilots are made annually, but never seen by audiences. Only a handful appear on screen. It's a hidden world of comedy, variety, drama and factual programming. This volume attempts to lift the lid on the world of the TV pilot by revealing the many transmitted and untransmitted episodes made through the decades.**

**Love Letters Apr 27 2022 This is a collection of six letters written by Paul Gambaccini, and never sent, to past lovers and lost friends.
