Freedom and the Rule of Law Oct 07 2020 Freedom and the Rule of Law takes a critical look at the historical beginnings of law in the United States, and how that history has influenced current trends regarding law and freedom. Anthony Peacock has compiled articles that examine the relationship between freedom and the rule of law in America. The rule of law is fundamental to all liberal constitutional regimes whose political orders recognize the equal natural rights of all.

Wizard's First Rule Apr 12 2021 A reissue in B Format with striking new covers for the landmark fantasy series.

The 10X Rule Feb 20 2022 Achieve "Massive Action" results and accomplish your business dreams! While most people operate with only three degrees of action-no action, retreat, or normal action-if you're after big goals, you don't want to settle for the ordinary. To reach the next level, you must understand the coveted 4th degree of action. This 4th degree, also known as the 10 X Rule, is that level of action that guarantees companies and individuals realize their goals and dreams. The 10 X Rule unveils the principle of "Massive Action," allowing you to blast through business clichés and risk-aversion while taking concrete steps to reach your dreams. It also demonstrates why people get stuck in the first three actions and how to move into making the 10X Rule a discipline. Find out exactly where to start, what to do, and how to follow up each action you take with more action to achieve Massive Action results. Learn the "Estimation of Effort" calculation to ensure you exceed your targets Make the Fourth Degree a way of life and defy mediocrity Discover the time management myth Get the exact reasons why people fail and others succeed Know the exact formula to solve problems Extreme success is by definition outside the realm of normal action. Instead of behaving like everybody else and settling for average results, take Massive Action with The 10 X Rule, remove luck and chance from your business equation, and lock in massive success.

The Rule of Faith Sep 25 2019 This collection of essays presented at the 1997 Scholarly Engagement with Anglican Doctrine (SEAD) Conference counters some of today's New Testament scholarship, particularly that of the Jesus Seminar. Asserting that only canon and creed can render knowledge of God, two generations of scholars speak for a retrieval of more traditional modes of interpretation by and for today's church. The Rule of Faith features three keynote addresses by eminent New Testament scholar the Rev. Dr. Brevard S. Childs, Sterling Professor of Divinity at Yale University, one of the most notable Biblical theologians in contemporary American Christianity. It also contains works by several younger scholars, many of whom studied with Dr. Childs and represent an emerging generation of orthodox Christian leadership for the Episcopal Church, including Ephraim Radner, George Sumner, Kathryn Greene-McCreight, Stephen Holmgren, R.R. Reno, Christopher Seitz, Kendall Harmon, William Witt, and Chris Brown. Their writings give voice to scholarly engagement with the creedal Christian faith in the Episcopal Church.

The No Asshole Rule Jun 14 2021 The definitive guide to working with -- and surviving -- bullies, creeps, jerks, tyrants, tormentors, despots, backstabbers, egomaniacs, and all the other assholes who do their best to destroy you at work. "What an asshole!" How many times have you said that about someone at work? You're not alone! In this groundbreaking book, Stanford University professor Robert I. Sutton builds on his acclaimed Harvard Business Review article to show you the best ways to deal with assholes...and why they can be so destructive to your company. Practical, compassionate, and in places downright funny, this guide offers: Strategies on how to pinpoint and eliminate negative influences for good Illuminating case histories from major organizations A self-diagnostic test and a program to identify and keep your own "inner jerk" from coming out The No Asshole Rule is a New York Times, Wall Street Journal, USA Today and Business Week bestseller.

Scarlett Rules Jul 16 2021 "Some day I'm going to do and say everything I want to do and say, and if people don't like it I don't care."--Scarlett O'Hara, from *Gone with the Wind* Ever since the publication of Margaret Mitchell's 1936 epic blockbuster, *Gone with the Wind*, Scarlett O'Hara has captivated millions with her wily ways, saucy attitude, irresistible charms--and legendary faults. Now, in *Scarlett Rules*, intrepid journalist Lisa Bertagnoli shares 24 life-enhancing lessons inspired by Tara's most beguiling resident. With each pearl of wisdom comes a Scarlett Lesson featuring savvy advice from life coaches, relationship gurus, and other experts. Full of wit and insight, this irresistible guide guarantees that, as God is your witness, you'll never be without gumption, poise, and individual style again!

The Rule of St Benedict Aug 29 2022 The inspirational work that has been guiding Benedictine monks for fifteen centuries Founder of a monastery at Monte Cassino, between Rome and Naples, in the sixth century, St Benedict intended his Rule to be a practical guide to Christian monastic life. Based on the key precepts of humility, obedience and love, its aim is to create a harmonious and efficient religious community in which individuals can make progress in the Christian virtues and gain eternal life. Here, Benedict sets out ideal monastery routines and regulations, from the qualities of a good abbot, the twelve steps to humility and the value of silence to such every day matters as kitchen duties, care of the sick and the suitable punishment for lateness at mealtimes. Benedict's legacy is still strong - his Rule remains a source of inspiration and a key work in the history of the Christian church. Carolinne White's accessible translation is accompanied by an introduction discussing Benedict's teachings, what is known of his life, and the influence and spread of his Rule. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Rules May 02 2020

The Common Rule Oct 19 2021 The modern world has us addicted to our technology, shackled by our screens, and exhausted by our routines. What can we do about it? Justin Earley offers four daily and four weekly habits, designed to help us create new routines and transform frazzled days into lives of love for God and neighbor. As you embark on these life-giving practices, you will find the freedom and rest for your soul.

Tallinn Manual on the International Law Applicable to Cyber Warfare May 14 2021 The result of a three-year project, this manual addresses the entire spectrum of international legal issues raised by cyber warfare.

Carnal Knowledge and Imperial Power Dec 21 2021 Looking at the way cultural competencies and sensibilities entered into the construction of race in

the colonial context, this text proposes that 'cultural racism' in fact predates its postmodern discovery.

The Rule of Metaphor Apr 24 2022 Paul Ricoeur is widely regarded as one of the most distinguished philosophers of our time. In *The Rule of Metaphor* he seeks 'to show how language can extend itself to its very limits, forever discovering new resonances within itself'. Recognizing the fundamental power of language in constructing the world we perceive, it is a fruitful and insightful study of how language affects how we understand the world, and is also an indispensable work for all those seeking to retrieve some kind of meaning in uncertain times.

The Catalan Rule of the Templars Sep 05 2020 The Knights Templar, part monastic order, part military force, lived by a firm code, or rule, which exists in differing versions. This Spanish version is a follow-up to J.M. Upton-Ward's highly successful edition of the French Rule. The introduction to this Catalan Rule, Barcelona Archivo de la Corona de Aragón, Cartas Reales, MS 3344, discusses the content, language and dating of the manuscript. It also provides background information derived from the French Rule (which the reader may require for a fuller appreciation of the text - see author note below) on the circumstances of the Knights Templar. There is a brief description of the provincial organisation of the Order with particular reference to the houses in Aragón, where it is most likely that the manuscript was used; a summary of clauses; and a concordance with de Curzon's 1886 edition of the French Rule. Compared to de Curzon's edition, the Barcelona text is incomplete, but it contains important clauses not found in other manuscripts. A partial transcription claiming to represent all the clauses without equivalents in de Curzon's edition was published in 1889, but it omitted several clauses now published here for the first time. Footnotes to the English translation elucidate the text; give biographical information on the named officers of the Order where possible; and indicate significant differences compared with the French Rule. J.M. UPTON-WARD edited and translated *The Rule of the Templars* (Boydell & Brewer 1998), now available in paperback.

The 5 Second Rule Jul 24 2019 Throughout your life, you've had parents, coaches, teachers, friends, and mentors who have pushed you to be better than your excuses and bigger than your fears. What if the secret to having the confidence and courage to enrich your life and work is simply knowing how to push yourself? Using the science habits, riveting stories and surprising facts from some of the most famous moments in history, art and business, Mel Robbins will explain the power of a "push moment." Then, she'll give you one simple tool you can use to become your greatest self. It takes just five seconds to use this tool, and every time you do, you'll be in great company. More than 8 million people have watched Mel's TEDx Talk, and executives inside of the world's largest brands are using the tool to increase productivity, collaboration, and engagement. In *The 5 Second Rule*, you'll discover it takes just five seconds to: Become confident Break the habit of procrastination and self-doubt Beat fear and uncertainty Stop worrying and feel happier Share your ideas with courage *The 5 Second Rule* is a simple, one-size-fits-all solution for the one problem we all face—we hold ourselves back. The secret isn't knowing what to do—it's knowing how to make yourself do it. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Arial}

The Golden Rule Sep 29 2022 Grandpa explains that the golden rule is a simple statement on how to live that can be practiced by people of all ages and faiths, then helps his grandson figure out how to apply the rule to his own life. 20,000 first printing.

Rules Rule Level 1 Aug 24 2019 *Rules Rule Level 1* is the first of a series of graded books which systematically introduce 40 rules. 10 new rules are introduced in each book and previously introduced rules are revised and covered at a higher level of complexity. Book 1 is designed for early learners who know the sounds of the alphabet and are just beginning to learn to read and spell. There are five different activities associated with each rule. Each activity is designed to help develop students' understanding of the rule and the ability to apply that knowledge in different situations.

Socks: The Rule Book Jul 04 2020 Socks. They are a serious business. Socks are the glue that binds an outfit together, the telling detail that shows that a man understands what it is to be stylish. But they are also a minefield of potential fashion disasters and style pitfalls. What style of socks should you wear with a brogue? Are patterned socks permissible with sneakers? How high should you roll-up your trouser leg? Are socks and sandals ever acceptable? But fear no more - *Socks: The Rule Book* will solve your hosiery dilemmas. Laying out the ten fundamental rules of sock wearing with fashion-conscious advice and a knowing sense of humour, this book answers hitherto unanswered questions and establishes clear guidelines for every aspect of the sock world. *No.

The Customer Rules Oct 26 2019 The former Executive Vice President of Walt Disney World shares indispensable Rules for serving customers with consistency, efficiency, creativity, sincerity, and excellence. Lee Cockerell knows that success in business--any business--depends upon winning and keeping customers. In 39 digestible, bite-sized chapters, Lee shares everything he has learned in his 40+ year career in the hospitality industry about creating an environment that keeps customers coming back for more. Here, Lee not only shows why the customer always rules, but also the Rules for serving customers so well they'll never want to do business with anyone but you. For example: Rule #1: Customer Service Is Not a Department Rule #3: Great Service Follows the Laws of Gravity Rule #5: Ask Yourself "What Would Mom Do?" Rule #19: Be a Copycat Rule #25: Treat Every Customer like a Regular Rule #39: Don't Try Too Hard As simple as they are profound, these principles have been shown to work in companies as large as Disney and as small as a local coffee shop; from businesses selling cutting-edge technologies like computer tablets to those selling products as timeless as shoes and handbags; at corporations as long-standing as Ford Motors and those as nascent as a brand new start-up. And they have been proven indispensable at all levels of a company, from managers responsible for hiring and training employees, setting policies and procedures, and shaping the company culture to front line staff who deal directly with clients and customers Chock-full of universal advice, applicable online and off, *The Customer Rules* is the essential handbook for service excellence everywhere.

Home Rule Mar 31 2020 In *Home Rule* Nandita Sharma traces the historical formation and political separation of Natives and Migrants from the nineteenth century to the present to theorize the portrayal of Migrants as "colonial invaders." The imperial-state category of Native, initially a mark of colonized status, has been revitalized in what Sharma terms the Postcolonial New World Order of nation-states. Under postcolonial rule, claims to autochthony—being the Native "people of a place"—are mobilized to define true national belonging. Consequently, Migrants—the quintessential "people out of place"—increasingly face exclusion, expulsion, or even extermination. This turn to autochthony has led to a hardening of nationalism(s). Criteria for political membership have shrunk, immigration controls have intensified, all while practices of expropriation and exploitation have expanded. Such politics exemplify the postcolonial politics of national sovereignty, a politics that Sharma sees as containing our dreams of decolonization. *Home Rule* rejects nationalisms and calls for the dissolution of the ruling categories of Native and Migrant so we can build a common, worldly place where our fundamental liberty to stay and move is realized.

The Unwritten Rules Dec 09 2020 Maximize your chances to get promoted to the executive level As predictable career paths have become extinct in most organizations, managers aspiring to the C-level job are left to their own devices to determine how to advance their careers. Even in companies committed to talent development, guidance to aspiring executives is often vague and contradictory. This happens, executive coach John Beeson argues, because executive promotions are made based on the decision makers' intuitive sense of whether or not a manager can succeed at higher levels within the organization. Beeson decodes these leadership criteria--the unwritten rules--that companies use to make decisions about who gets promoted and who doesn't, and identifies the six core "selection factors" that are imperative for success at the executive level Demonstrating strategic skills Building a strong management team Managing implementation Exhibiting the capacity for innovation and change Working across organizational boundaries Projecting executive presence Filled with stories of managers who successfully climbed up the executive ladder-and some who struggled-*The Unwritten Rules* is an invaluable resource for aspiring executives.

Wizard's First Rule Jan 22 2022 An unearthly adversary descends on an idyllic fantasy world, corrupting magic against good and slaughtering innocents, and only a single man can stop him.

My Kingdom of Darkness: A Branches Book (Pets Rule #1) Mar 12 2021 Pets, hilarity, and plots for world domination come together in *Pets Rule!*, an early chapter book series perfect for fans of *The Secret Life of Pets!* Pick a book. Grow a Reader! This series is part of Scholastic's early chapter book line, *Branches*, aimed at newly independent readers. With easy-to-read text, high-interest content, fast-paced plots, and illustrations on every page, these books will boost reading confidence and stamina. *Branches* books help readers grow! Meet Ember, a rescue Chihuahua who has just been adopted by the Chin family. Ember is no ordinary dog: he thinks he is an evil overlord, destined to rule the world. He enlists the help of the other pets in the house, like Smelly Steve the hamster and Neo the canary, to take over the neighborhood. Their first mission is defeating Masher, the mean squirrel who lives next door. But to his shock, Ember finds himself growing attached to his "minions", the Chin family—especially Lucy. Does Ember still have what it takes to control of the neighborhood... and the world? With laugh-out-loud humor, engaging artwork on every page, and nonstop action that will have readers rushing to turn the pages, *Pets Rule* is the just-right series for any emerging reader! "This early chapter book expertly cultivates a larger-

than-life pseudo-antihero... an infectiously silly series starter." -- Kirkus Reviews

Odessa, 1941-1944 Jan 28 2020 *Odessa, 1941-1944* is a comprehensive study of the Romanian administration in Odessa and Transnistria during World War II. It draws a sharp contrast between occupation policies in Odessa and Transnistria, under Romanian administration, and those of Nazi-occupied areas of the Soviet Union. Originally prepared as a Rand Corporation report, it is essential reading for anyone interested in the occupation of Soviet territory during World War II and its consequences. Alexander Dallin provides a detailed study of the Romanian administration in Transnistria, illustrating important aspects of the development of this Soviet territory after the removal of the Communist system. Dallin argues that "The relative success of the Romanians (in contrast to German-held areas of the USSR) supports the thesis that the specific nature of the occupation policy and behavior mattered a good deal in determining the response of the subject population." He adds that "the Transnistrian experiment rapidly gained popular confidence through higher living standards and an atmosphere of greater relaxation. The absence of terror and forced labor, and greater opportunities for self-expression, both economic and cultural, go far to explain the overwhelming popular preference for Romanian over German rule." A noted expert in Soviet history, Alexander Dallin (1924-2000) was a former president of the American Association for the Advancement of Slavic Studies and professor emeritus of international history and political science at Stanford University in California. His other books include *German Rule in Russia, 1941-1945*. The book includes an introduction by Larry L. Watts, an American specialist on the history of Romania during World War II.

The Book of Rules Jun 02 2020 An interactive picture book with dynamic illustrations, in which readers have to follow the rules or risk a run-in with a monster—with a gentle approach to mindfulness along the way. Beware! This book has rules. You must follow all the rules. If you break the rules . . . Dennis the monster will eat you. And you don't want to be Dennis-food—do you? With a laugh-out-loud, interactive style, *The Book of Rules* invites you to get your sillies out before it's time to focus and listen to directions. And you better get started, because Dennis can't wait to eat—or, um—meet you!

Tallinn Manual 2.0 on the International Law Applicable to Cyber Operations Mar 24 2022 *Tallinn Manual 2.0* expands on the highly influential first edition by extending its coverage of the international law governing cyber operations to peacetime legal regimes. The product of a three-year follow-on project by a new group of twenty renowned international law experts, it addresses such topics as sovereignty, state responsibility, human rights, and the law of air, space, and the sea. *Tallinn Manual 2.0* identifies 154 'black letter' rules governing cyber operations and provides extensive commentary on each rule. Although *Tallinn Manual 2.0* represents the views of the experts in their personal capacity, the project benefitted from the unofficial input of many states and over fifty peer reviewers.

Assimilating Seoul Dec 29 2019 *Assimilating Seoul*, the first book-length study written in English about Seoul during the colonial period, challenges conventional nationalist paradigms by revealing the intersection of Korean and Japanese history in this important capital. Through microhistories of Shinto festivals, industrial expositions, and sanitation campaigns, Todd A. Henry offers a transnational account that treats the city's public spaces as "contact zones," showing how residents negotiated pressures to become loyal, industrious, and hygienic subjects of the Japanese empire. Unlike previous, top-down analyses, this ethnographic history investigates modalities of Japanese rule as experienced from below. Although the colonial state set ambitious goals for the integration of Koreans, Japanese settler elites and lower-class expatriates shaped the speed and direction of assimilation by bending government initiatives to their own interests and identities. Meanwhile, Korean men and women of different classes and generations rearticulated the terms and degree of their incorporation into a multiethnic polity. *Assimilating Seoul* captures these fascinating responses to an empire that used the lure of empowerment to disguise the reality of alienation.

The Tenth Justice Feb 29 2020 Discusses the responsibilities of the U.S. Solicitor General, and argues that the Reagan administration has attempted to use the position to further partisan goals

The Rule Book Jul 28 2022 *Starr Media Second-Assistant Survival Guide 1. Don't call your hot boss the antichrist to his face. 2. Don't stare at hot boss's, um, package or his full sleeve of tattoos. (No. Really. Stop!) 3. Don't get on the malicious first assistant's bad side. 4. Don't forget to memorize the 300-page employee manual. 5. If you value your cashmere, steer clear of boss's dog. 6. Boss's dimples are lust-inducing. Do. Not. Give. In. 7. "The elevator ate your clothes" is not a valid excuse for showing up to important meetings half dressed. 8. Don't break seven of the rules within the first week of employment if you, ya know, are in dire need of money to support your sick mom. 9. Whatever you do, don't fall for the boss. See rule eight about sick mom. 10. Never forget the rules. Each book in the *Rule Breakers* series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 *The Rule Book* Book #2 *The Rule Maker**

At Home in the World Sep 17 2021 A thoughtful, real-world interpretation of the Rule of St. Benedict to guide us into a more balanced life. From informal versions of the Rule of St. Benedict to Twelve-Step groups and Weight Watchers, the basic human need for guidance and structure in the quest for wholeness is palpable and real. Out of her long experience as a spiritual director, mentor, and teacher, Margaret Guenther offers a warm and sensible guide for "the rest of us"—singles, couples, parents, extended families, members of churches—to create a helpful and balanced rule of life to help us in our search for faith. She explores ancient and contemporary meanings for the classic vows of poverty, chastity, and obedience, along with the distinctively Benedictine ethos of stability and conversion, pointing out the pitfalls of each. A series of short essays follows on the different elements of a rule of life—such as authority, money, pleasure, stinginess, friends, enemies, and living through hard times. The final chapter gives practical ideas for crafting a rule of life that encourages each of us to grow, stretch, and flourish.

Rule Interchange and Applications Nov 27 2019 The 2009 International Symposium on Rule Interchange and Applications (RuleML 2009), collocated in Las Vegas, Nevada, with the 12th International Business Rules Forum, was the premier place to meet and to exchange ideas from all ?elds of rules technologies. The aims of RuleML 2009 were both to present new and interesting research results and to show successfully deployed rule-based applications. This annual symposium is the ?agship event of the Rule Markup and Modeling Initiative (RuleML). The RuleML Initiative (www.ruleml.org) is a non-profit umbrella organization of several technical groups organized by representatives from academia, industry and public sectors working on rule technologies and applications. Its aim is to promote the study, research and application of rules in heterogeneous distributed environments such as the Web. RuleML maintains effective links with other major international societies and acts as intermediary between various 'specialized' rule vendors, applications, industrial and academic research groups, as well as standardization efforts from, for example, W3C, OMG, and OASIS. To emphasize the importance of rule standards RuleML 2009 featured, besides a number of tutorials on various rule aspects, a tutorial and a workshop dedicated to the newly released W3C Rule Interchange Format (RIF).

The Asperkid's (Secret) Book of Social Rules Aug 17 2021 Being a teen or tween isn't easy for anyone but it can be especially tough for Asperkids. Jennifer O'Toole knows; she was one! This book is a top secret guide to all of the hidden social rules in life that often seem strange and confusing to young people with Asperger syndrome. The *Asperkid's (Secret) Book of Social Rules* offers witty and wise insights into baffling social codes such as making and keeping friends, blending in versus standing out from the crowd, and common conversation pitfalls. Chock full of illustrations, logical explanations, and comic strip practice sessions, this is the handbook that every adult Aspie wishes they'd had growing up. Ideal for all 10-17 year olds with Asperger syndrome, this book provides inside information on over thirty social rules in bite-sized chunks that older children will enjoy, understand, and most importantly use daily to navigate the mysterious world around them.

Rule of Wolves Jun 22 2019 *The Demon King*. As Fjerda's massive army prepares to invade, Nikolai Lantsov will summon every bit of his ingenuity and charm - and even the monster within - to win this fight. But a dark threat looms that cannot be defeated by a young king's gift for the impossible. The Stormwitch. Zoya Nazyalensky has lost too much to war. She saw her mentor die and her worst enemy resurrected, and she refuses to bury another friend. Now duty demands she embrace her powers to become the weapon her country needs. No matter the cost. The Queen of Mourning. Deep undercover, Nina Zenik risks discovery and death as she wages war on Fjerda from inside its capital. But her desire for revenge may cost her country its chance at freedom and Nina the chance to heal her grieving heart. King. General. Spy. Together they must find a way to forge a future in the darkness. Or watch a nation fall.

Rule Jun 26 2022 Opposites in every way . . . except the one that matters Shaw Landon loved Rule Archer from the moment she laid eyes on him. Rule is everything a straight-A pre-med student like Shaw shouldn't want—and the only person she's never tried to please. She isn't afraid of his scary piercings and tattoos or his wild attitude. Though she knows that Rule is wrong for her, her heart just won't listen. To a rebel like Rule Archer, Shaw Landon is a stuck-up, perfect princess—and his dead twin brother's girl. She lives by other people's rules; he makes his own. He doesn't have time for a good girl like Shaw—even if she's the only one who can see the person he truly is. But a short skirt, too many birthday cocktails, and spilled secrets lead to a night neither can forget. Now, Shaw and Rule have to figure out how a girl like her and a guy like him are supposed to be together without

destroying their love . . . or each other. The first *Marked Men* novel in Jay Crownover's combustible *New Adult* series.

Law's Rule Feb 08 2021 The rule of law, once widely embraced and emulated, now faces serious threats to its viability. To get our bearings we must return to first principles. This book articulates and defends a comprehensive, coherent, and compelling conception of the rule of law and defends it against serious challenges to its intelligibility, relevance, and normative force. The rule of law's ambition, it argues, is to provide protection and recourse against the arbitrary exercise of power using the distinctive tools of the law. Law provides a bulwark of protection, a bridle on the powerful, and a bond constituting and holding together the polity and giving public expression to an ideal mode of association. Two principles immediately follow from this core: sovereignty of law, demanding that those who exercise ruling power govern with law and that law governs them, and equality in the eyes of the law, demanding that law's protection extend to all bound by it. Animating law's rule, the ethos of fidelity commits all members of the political community, officials and lay members alike, to take responsibility for holding each other accountable under the law. Part I articulates this conception and locates its moral foundation in a commitment to common membership of each person, recognizing their freedom, dignity, and status as peers. Part II addresses serious challenges currently facing law's rule: finding a place in the legal system for equity, mercy, and effective responses to emergencies, taming the new leviathans of the digital world, and extending law's rule beyond national borders.

Rule Nov 19 2021 *Three Dark Crowns* meets *Pretty Little Liars* in this sensational and striking new fantasy from debut author Ellen Goodlett. Three girls. Three deadly secrets. Only one can wear the crown. The king is dying, his heir has just been murdered, and rebellion brews in the east. But the kingdom of Kolonya and the outer Reaches has one last option before it descends into leaderless chaos. Or rather, three unexpected options. Zofi has spent her entire life trekking through the outer Reaches with her band of Travelers. She would do anything to protect the band, her family. But no one can ever find out how far she's already gone. Akeylah was raised in the Eastern Reach, surrounded by whispers of rebellion and abused by her father. Desperate to escape, she makes a decision that threatens the whole kingdom. Ren grew up in Kolonya, serving as a lady's maid and scheming her way out of the servants' chambers. But one such plot could get her hung for treason if anyone ever discovers what she's done. When the king summons the girls, they arrive expecting arrest or even execution. Instead they learn the truth: they are his illegitimate daughters, and one must become his new heir. But someone in Kolonya knows their secrets, and that someone will stop at nothing to keep the sisters from their destiny... to rule. Magic, mystery, and blackmail abound in the first book of this sensational and striking fantasy duology.

Model Rules of Professional Conduct Oct 31 2022 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

The First Rule of Punk May 26 2022 A 2018 Pura Belpré Author Honor Book *The First Rule of Punk* is a wry and heartfelt exploration of friendship, finding your place, and learning to rock out like no one's watching. There are no shortcuts to surviving your first day at a new school—you can't fix it with duct tape like you would your Chuck Taylors. On Day One, twelve-year-old Malú (María Luisa, if you want to annoy her) inadvertently upsets Posada Middle School's queen bee, violates the school's dress code with her punk rock look, and disappoints her college-professor mom in the process. Her dad, who now lives a thousand miles away, says things will get better as long as she remembers the first rule of punk: be yourself. The real Malú loves rock music, skateboarding, zines, and Soyrizo (hold the cilantro, please). And when she assembles a group of like-minded misfits at school and starts a band, Malú finally begins to feel at home. She'll do anything to preserve this, which includes standing up to an anti-punk school administration to fight for her right to express herself! Black and white illustrations and collage art throughout make *The First Rule of Punk* a perfect pick for fans of books like *Roller Girl* and online magazines like *Rookie*.

Mexico's Once and Future Revolution Jan 10 2021 This volume offers a concise historical analysis of the Mexican Revolution, exploring its causes, dynamics, consequences, and legacies.

Imperial Archipelago Aug 05 2020 *Imperial Archipelago* is a comparative study of the symbolic representations, both textual and photographic, of Cuba, Guam, Hawaii, the Philippines, and Puerto Rico that appeared in popular and official publications in the aftermath of the Spanish-American War of 1898. It examines the connections between these representations and the forms of rule established by the U.S. in each at the turn of the century—thus answering the question why different governments were set up in the five sites. Lanny Thompson critically engages and elaborates on the postcolonial thesis that symbolic representations are a means to conceive, mobilize, and justify colonial rule. Colonial discourses construe cultural differences among colonial subjects with the intent to rule them differently; in other words, representations are neither mere reflections of material interests nor inconsequential fantasies, rather they are fundamental to colonial practice. To demonstrate this, Thompson analyzes, on the one hand, the differences among the representations of the islands in popular, illustrated books about the "new possessions" and the official reports produced by U.S. colonial administrators. On the other, he explicates the connections between these distinct representations and the governments actually established. A clear, comparative analysis is provided of the legal arguments that took place in the leading law journals of the day, the Congressional debates, the laws that established governments, and the decisions of the Supreme Court that validated these laws. Interweaving postcolonial studies, sociology, U.S. history, cultural studies, and critical legal theory, *Imperial Archipelago* offers a fresh, transdisciplinary perspective that will be welcomed especially by scholars and students of U.S. imperialism and its efforts to "extend democracy" overseas, both past and present.
