*Guardians Of The Round Table 1: Dexterity Fail (YA Fantasy LitRPG)* May 22 2022 Genre: Young Adult Fantasy LitRPG. Word Count: 52110 When all actions have repercussions, it isn’t really a game Mallory’s brother brings home the wrong game disc. His latest disaster doesn’t surprise her one little bit. What does surprise her is being transported to a role-playing style world when they check out the plain black disc. When you’re a noob in a world you don’t understand, death is always imminent. They aren’t sure if they want to leave Inadon, even if they can figure out a way to return home. But they do know they need to either get good or they’re likely to learn what happens when a player runs out of revives. This story was written by Australian authors using Australian spelling. Keywords: Game Lit mechanics, portal fantasy, medieval fantasy world, mage, warrior, archer, rogue, action and adventure, strong female character, wolf cub, otter, quests

*Edward III’s Round Table at Windsor* Sep 21 2019 The image of King Arthur’s Round Table is well-known, both as Thomas Malory’s portrayal of a fellowship of knights dedicated to the highest ideals of chivalry, and as the great wooden table at Winchester castle. Now a dramatic archaeological find at Windsor castle sheds new light on the idea of a round table as a gathering: the ‘House of the Round Table’ which Edward III ordered to be constructed at the conclusion of his Windsor festival of 1344. The discovery of the foundation trench of a great building two hundred feet in diameter in the Upper Ward of Windsor castle, allows the reconstruction of that building’s appearance and raises the question of its purpose. Chronicles, building materials inventories from the royal accounts, medieval romances, and earlier descriptions of round table festivals all confirm the archaeological evidence: at a time when secular orders of knighthood were almost unknown, Edward declared his intention to found an Order of the Round Table with three hundred knights. This grand building, and the Arthurian entertainments he planned for it, would bind his nobles to his cause at a crucial point in his progress to claiming the throne of France. His ambitious scheme, however, was overtaken by events. Victory at Crécy in 1346 confirmed Edward’s reputation, and the order which he founded in 1348 was the much more exclusive Order of the Garter, rewarding those commanders who had helped him to win the Crécy campaign. His reputation was assured, the omens for his reign were auspicious; he had the loyalty of his knights and magnates. The Round Table building was abandoned, and eventually pulled down in the 1360s. Thus a major plank in the strategic thinking of one of England’s greatest kings almost became a footnote in history. Time Team discovered ... there (are) indeed foundations of a massive round building in Windsor Castle’s upper ward. A splendidly produced volume, which gives full credit both to the history and to the archaeology: analysis of the chivalric background, archaeological analysis, discussion of the probable form of the building (and) the early history of Windsor Castle as well as the types of stone used by Edward III’s masons. The book is attractively illustrated, and its appendices provide a full text in Latin, with translation, of the building accounts, as well as translations of many of the relevant chronicle extracts. MICHAEL PRESTWICH, THE TIMES LITERARY SUPPLEMENT

**King Arthur’s Round Table** Mar 20 2022 Your organization functions and grows through conversations—face-to-face and electronic, from the mailroom to the boardroom. The quality of those conversations determines how smart your organization is. This revelatory book shows you how the Round Table of Arthurian legend can help foster collaboration and transform today’s world of business, nonprofits, and government. "When I want a group to work effectively, I turn immediately to my colleague of thirty-five years, David Perkins. This book is a distillation of his knowledge and wisdom." —Howard Gardner author of Frames of Mind: The Theory of Multiple Intelligences and Intelligence Reframed "David Perkins applies his wit and inventive mind to create a fresh perspective on the world of collaboration in organizations. His archetypes and toolboxes offer valuable insights to anyone facing the challenges of collaborative problem solving." —David Straus author of How to Make Collaboration Work

*The Round Table* Dec 25 2019

**Mice of the Round Table #3: Merlin's Last Quest** Aug 13 2021 The thrilling conclusion to the epic middle grade fantasy series that Booklist called “a charming blend of Arthurian legend and Brian Jacques’ Redwall series.” Young mouse Calib Christopher is finally a squire to the Knights of the Round Table. But there is no time to celebrate. His best friend, Cecily, and Merlin’s magical treasure are in the clutches of the evil Saxons. Now Calib and his human companion Galahad must venture into enemy territory to rescue both before it’s too late. But Morgan le Fay’s magic is powerful and treacherous, and it will test all that they have learned in their training—as well as their very allegiance to Camelot. The stars are aligning for a final battle—one that will require Calib and his friends to harness the magic of Merlin as well as the strength, bravery, and wisdom within themselves to become the mythical heroes they were destined to be. Perfect for fans of New York Times bestselling series like Wings of Fire and Warriors, Mice of the Round Table brings to life a legendary world of animals and magic that kids will want to return to again and again.

*ECMT Round Tables International Road Haulage Taxation Systems. Report of the Seventy-First Round Table on Transport Economics Held in Paris on 12-13 December 1985* Jan 26 2020 This Round table examines taxation systems related to international road haulage.

**The Algonquin Round Table New York** Oct 23 2019 "That is the thing about New York," wrote Dorothy Parker in 1928. "It is always a little more than you had hoped for. Each day, there, is so definitely a new day." Now you can journey back there, in time, to a grand city teeming with hidden bars, luxurious movie palaces, and dazzling skyscrapers. In these places, Dorothy Parker and her cohorts in the Vicious Circle at the infamous Algonquin Round Table sharpened their wit, polished their writing, and captured the energy and elegance of the time. Robert Benchley, Parker’s best friend, became the first managing editor of Vanity Fair before Irving Berlin spotted him onstage in a Vicious Circle revue and helped launch his acting career. Edna Ferber, an occasional member of the group, wrote the Pulitzer-winning bestseller So Big as well as Show Boat and Cimarron. Jane Grant pressed her first husband, Harold Ross, into starting The New Yorker. Neysa McMein, reputedly “rode elephants in circus parades and dashed from her studio to follow passing fire engines.” Dorothy Parker wrote for Vanity Fair and Vogue before ascending the throne as queen of the Round Table, earning everlasting fame (but rather less fortune) for her award-winning short stories and unforgettable poems. Alexander Woollcott, the centerpiece of the group, worked as drama critic for the Times and the World, wrote profiles of his friends for The New Yorker, and lives on today as Sheridan Whiteside in The Man Who Came to Dinner. Explore their favorite salons and saloons, their homes and offices (most still standing), while learning about their colorful careers and private lives. Packed with archival photos, drawings, and other images—including never-before-published material--this illustrated historical guide includes current information on all locations. Use it to retrace the footsteps of the Algonquin Round Table, and you’ll discover that the golden age of Gotham still surrounds us.

**Le Morte D'Arthur** Jul 20 2019 This brisk retelling of Le Morte D'Arthur highlights the narrative drive, humor, and poignancy of Sir Thomas Malory’s original while updating his fifteenth-century English and selectively pruning over-elaborate passages that can try the patience of modern readers. The result is an adaptation that readers can enjoy as a fresh approach to Malory’s sprawling masterpiece. The book’s most famous episodes--the sword in the stone, the cataclysmic final battle--are all here, while lesser-known key episodes stand forth with new brightness and clarity. The text is accompanied by an up-to-date bibliography, including websites and video resources, and a descriptive index keyed--like the retelling itself--to the book and chapter divisions of William Caxton’s first printed edition of 1485.

**Georgetown University Round Table on Languages and Linguistics (GURT) 1996: Linguistics, Language Acquisition, and Language Variation** Nov 23 2019 This volume examines linguistics, language acquisition, and language variation, emphasizing their implications for teacher education and language education. A majority of the essays consider issues in second language acquisition, dealing specifically with learners and instructors, or concentrating on the larger social and societal context in which learning and acquisition occur. Topics highlighted include the current and often controversial debate over bilingual education, language variation, and the past, present, and future role of linguistics in language pedagogy.

**Young Knights of the Round Table** Oct 03 2020 Snatched from their cradles by faerie thieves, Rick, Roxy, and Tiago have been brainwashed to hate humans and trained in the art of magical warfare. When Avalon is attacked by an unseen enemy, the Fey send them to Earth to investigate a rumour that the Round Table is being re-formed. But they soon discover that the truth is much, much worse. . . .

*Murder Your Darlings* Nov 16 2021 One morning legendary wit Dorothy Parker discovers someone under Manhattan’s famed Algonquin Round Table. A little early for a passed out drunk, isn’t it? But he’s not dead drunk, just dead. When a charming writer from Mississippi named Billy Faulkner becomes a suspect in the murder, Dorothy decides to dabble in a little detective work, enlisting her literary cohorts. It’s up to the Algonquins to outwit the true culprit-preferably before cocktail hour-and before the clever killer turns the tables on them.

**A Tail of Camelot** Dec 17 2021 An epic new middle grade series in the tradition of Redwall and Poppy, based on Arthurian legend and told from the perspective of Camelot’s most humble creatures: mice Young mouse Calib Christopher dreams of becoming a Knight of the Round Table. For generations, his family has led the mice who live just out of sight of the humans, defending Camelot from enemies both big and small. But when Calib and his friend Cecily discover that a new threat is gathering—one that could catch even the Two-Leggens unaware—it is up to them to unmask the real enemy, unite their forces, and save the castle they all call home. With the sweeping adventure of New York Times bestselling series like Wings of Fire and Warriors, Mice of the Round Table brings to life a legendary world of animals and magic that kids will want to return to again and again.

**King Arthur's Round Table** Feb 07 2021 Archival and scientific research reveal the origins and purpose of the Winchester Round Table.

**Georgetown University Round Table on Languages and Linguistics (GURT) 2000: Linguistics, Language, and the Professions** Feb 25 2020 The 2000 Georgetown University Round Table on Languages and Linguistics brought together distinguished linguists from around the globe to discuss applications of linguistics to important and intriguing real-world issues within the professions. With topics as wide-ranging as coherence in operating room communication, involvement strategies in news analysis roundtable discussions, and jury understanding of witness deception, this resulting volume of selected papers provides both experts and novices with myriad insights into the excitement of cross-disciplinary language analysis. Readers will find—in the words of one contributor—that in such cross-pollination of ideas, "there’s tremendous hope, there’s tremendous power and the power to transform."

*Gwenevere and the Round Table* Aug 21 2019 The new book by Wendy Berg puts her acclaimed Red Tree, White Tree into practice. It shows how the Round Table was an actual, practical system of magic, demonstrated by Gwenevere, who was its prime interpreter within the court of the Round Table. Central to the book is the concept of five Faery kingdoms described in the legends, with which Gwenevere was closely associated: Lyonesse, Sorelois, Gorre and Oriande, about the central Grail kingdom of Listenois. The book comprises a graded series of meditations, practical magical exercises, guided visualisations and a full ritual, which take the reader into each of the Faery kingdoms in turn, guided by Gwenevere, to experience the various challenges and gifts that they each represent. The fourth kingdom, Oriande, takes the reader into the Round Table of the Stars, an experiential journey through 12 constellations, which very neatly and remarkably demonstrates the continuing work of the Round Table into the future.

**The Knights of the Round Table** Mar 08 2021 The Knights of the Round Table were the original knights in shining armour, and this book is for anyone who is interested in fantastical tales of bravery or the actual history behind the stories. In medieval Arthurian tradition, Arthur often takes a back seat in the most exciting stories, appearing at the beginning and end of each to set the scene and conclude the tale. The central character is instead one of the Knights of the Round Table, each of whom is confronted with a wide variety of challenges and quests ranging from fighting monstrous creatures and rescuing damsels in distress to coping with courtly love and intrigue. Although Arthur is the best-known character from these stories his key knights – including Lancelot, Gawain, Perceval, and Tristan – are almost equally well known. This volume provides a collection of the most famous and interesting tales of the Knights of the Round Table, including the historical and literary background to the stories.

*Knights of the Round Table* May 30 2020

*The First Round Table* Sep 26 2022 At just 18 years old, Arthur is on the verge of being crushed under the weight of his great destiny. The mighty castle at Tintagel has fallen. King Uther Pendragon lies dead. The mad King Vortigern sits upon the throne with a dragon at his command. And Merlin, having turned traitor, stands at the new king's side. Now Arthur, with the help of the mysterious sword in the stone and his loyal mentors, Gawain and Percival, embarks on a daring mission to retake the crown. However, his greatest challenges lie not in overcoming his enemies, but in finding a way to reunite with two lost friends: a wounded knight called Lancelot and an assassin named Guinevere. Experience the classic tales of King Arthur and his Knights of the Round Table like never before with this thrilling re-imaginings of ancient legend. Packed with swordplay, magic, romance and humor, "The Legends of King Arthur" promise to take readers of all ages on an unforgettable journey of fantasy and adventure! Witness new twists on classic stories like: The mysteries of the Sword in the Stone The origins of the Round Table The treachery of the wizard Merlin Inspired by classic Arthurian works including: Sir Thomas Malory's "Le Morte D'Arthur" and T.H. White's "The Once and Future King" In the vein of other classic fantasy and YA series like William Goldman's "The Princess Bride," J.R.R. Tolkien's "The Hobbit," Neil Gaiman's "Stardust," and J.K. Rowling's Harry Potter series. **The Story of the Champions of the Round Table** Jan 18 2022 Three of King Arthur's most beloved knights, Sir Launcelot, Sir Tristram and Sir Percival, headline their own fantastical tales of love, honor and inescapable duty. The Story of the Champions of the Round Table offers an intimate look at the many obstacles and triumphs of the famous warriors. Sir Launcelot, the first knight of the round table, is a prominent fixture who appears alongside King Arthur on various quests. He becomes a legend in his own right due to his incomparable fighting skills and charm. A conflicted Sir Tristram falls in love with a beautiful young woman called Isoult, who is already betrothed to a king. Meanwhile, Sir Percival journeys to the Castle of Beaurepaire and is faced with new and unexpected challenges. Each story showcases the characters by testing their strength and morals in the face of opposition. This novel is an enjoyable addition to the Arthurian canon, which continues to thrive in Europe and abroad. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Story of the Champions of the Round Table is both modern and readable.

*Young King Arthur And The Round Table Knights* Nov 04 2020 There was no reason for Arthur to think he would ever become king. A peasant and son of a baker, Arthur grew up in the castle town of Camelot. When he attended the Choosing Ceremony, it was merely to see who would draw the Holy Sword, Excalibur—to see who would inherit the throne of the recently departed King Uther. He never expected the sword would choose him... But it did. Now, at the young age of fourteen, he has become King Arthur, and for all the power he has gained, he has made just as many enemies. Surrounded by the Knights of the Round Table, and led by the mysterious mage, Merlin, Arthur is grateful for his allies, though he would just as soon return to his old life. Surely, someone more worthy should be chosen as king. Arthur is in the middle of chaos, a world where everyone wants more than they let on, where many hate the idea of a young boy with no noble background being crowned king; where cold stares and whispered words are just as sharp as an assassin's blade. As Arthur fends for his life, he must draw on the strength of his knights, especially fifteen-year-old Mordred, who becomes closer to him than the mere bounds of duty. He must become king, not just in name, but in his heart. And he must do it quickly, because his enemies want more than just his crown...

**Georgetown University Round Table on Languages and Linguistics (GURT) 1994: Educational Linguistics, Cross-Cultural Communication, and Global Interdependence** Mar 28 2020 The essays in this volume explore communication across cultures using an interdisciplinary approach to language teaching and learning, mediated by the growing field of educational linguistics. Topics include the use of English as a medium of wider communication and the growth of national varieties of English throughout the world. An international array of distinguished contributors includes scholars from China, Great Britain, Hong Kong, India, Israel, Nigeria, Singapore, Taiwan, Ukraine, and the United States. This collection suggests that language diversity is a unifying force in a globally interdependent world.

*ECMT Round Tables Transport Economics Report of the One-Hundredth Round Table on Transport Economics Held in Paris on 2-3 June 1994* Apr 09 2021 To mark its hundredth Round Table on transport economics, the ECMT decided to publish a special issue. **The Mice of the Round Table 1: A Tail of Camelot** Oct 27 2022 An epic adventure of daring, legend and legacy begins below the floorboards of Camelot. Below the carpets and flagstones of Camelot lies a secret world much like Arthur's royal court. Lord Yvers Christopher leads the castle creatures with a steady paw, upholds a tenuous truce with the animals of the Darkling Woods and guards the world's greatest treasure: the Holy Grail. Unknown to the knights above, the mice of the round table strive to ensure the safety of all who live within the castle walls, human and otherwise. So when Yvers is assassinated, the whole of Camelot is at risk. His grandson Calib Christopher must follow in his pawsteps but does the young mouse have the strength and power to lead his people and unite with the Darklings against the evil that threatens them all? A rich, fun fantastical new series from new talent Julie Leung.

*Virtual Leadership* Apr 21 2022 This book, with the legendary leader King Arthur, shows you how to transform a geographically distributed team that's falling short of its goals, into a "virtual work group" that gets results.

*The Round Table Movement and the Fall of the 'Second' British Empire (1909-1919)* Sep 02 2020 In spite of the general phobia of federalism, there is a strong federalist trend within British political culture. In three very different historical contexts, federalism inspired the action of political movements such as the Imperial Federation League, the Round Table and the Federal Union. Indeed, it was regarded as the solution to problems arising from the first signs of the possible collapse of Great Britain and its Empire. The Round Table Movement played a particularly interesting role in this regard, attempting to reverse the rapid and inexorable decline of the British Empire. It was a political organisation with roots in all the major peripheries of the Empire and almost unlimited financial resources. This volume discusses the strategies and means employed by the group in order to maintain the British Empire's global prominence. The book's main argument is that we did not have a "British century" – the nineteenth – and an "American century" – the twentieth – but, rather, four centuries of Anglo-Saxon supremacy, which witnessed the affirmation of the national principle – expression of the Continental political tradition – and its overcoming through its opposite, the federal principle, the expression of the insular political tradition.

*A Civil War Round Table Quiz Book* Aug 25 2022 Pit your knowledge of the War Between the States against your friends' and family's claims to expertise with *A Civil War Round Table Quiz Book*. The book features 117 different quizzes, the subjects ranging from the infamous Dred Scott case to the final surrender at Appomattox Court House. Each quiz has a theme, and the themes have been selected to cover myriad subjects and to lead readers into the lesser-known aspects of the war that they might not otherwise explore. The Hartford (Connecticut) Civil War Round Table even used these quizzes as a key component of their meetings. Civil War experts and general history fans alike will enjoy challenging their friends and rivals with the fun and interesting trivia found in *A Civil War Round Table Quiz Book*. The extensive knowledge that readers will learn from this book will amaze and befuddle even the most stalwart Civil War aficionado.

*Georgetown University Round Table on Languages and Linguistics (GURT) 1999: Language in Our Time* Aug 01 2020 Marking the return — after a two-year hiatus — of this annual collection of essays on linguistics and language education, the 1999 volume speaks to the most pressing social issues of our time. More than thirty contributors from around the world take up longstanding debates about language diversity, language standardization, and language policy. They tackle such controversial issues as the Official English movement, bilingual education, and ideological struggles over African American Vernacular English.

**Georgetown University Round Table on Languages and Linguistics (GURT) 1990: Linguistics, Language Teaching and Language Acquisition** Jun 30 2020

*Breaking Things at Work* Jun 18 2019 An exhilarating challenge to the way we think about work, technology, progress, and what we want from the future In the 19th century, English textile workers responded to the introduction of new technologies on the factory floor by smashing them to bits. For years 'the Luddites' roamed the English countryside, practicing drills and maneuvers that they would later deploy on unassuming machines. The movement has been derided by scholars as a backwards-looking and ultimately ineffectual effort to stem the march of history; for Gavin Mueller, the movement gets at the heart of of the antagonistic relationship between workers - all workers, including us today - and the so-called progressive gains secured by new technologies. The luddites weren't primitive or even anachronistic - they are still a force, however unconsciously, in the workplaces of the 21st century world. *Breaking Things at Work* is an innovative rethinking of labor and machines, leaping from textile mills to algorithms, from existentially threatened knife cutters of rural Germany to surveillance evading truckers driving across the continental United States. Mueller argues that the future stability and empowerment of working class movements will depend on subverting these technologies and preventing their spread wherever possible. The task is high, but the seeds of this resistance are already present in the Neo-Luddite efforts of hackers, pirates, and dark web users who are challenging surveillance and control, often through older systems of communication technology.

*Knights of the Round Table* Jun 23 2022 imagine a mythic kingdom in England of wizards and witches, fire-breathing dragons, and dreadful giants. Who can rule this magical land? Who can overcome the powers of evil? It is the destiny of King Arthur and his noble knights, who protect and serve the people of Camelot. A perfect introduction to the Arthurian legends.

**The Book of Arthur** Dec 05 2020 Some of the most fascinating and exciting stories about King Arthur and his knights have been almost completely overlooked. The Book of Arthur offers an extensive selection of these forgotten tales with an introduction detailing their origins and their place in the Arthurian tradition.

*Sir Cumference and the First Round Table* Jul 24 2022 Join Sir Cumference, Lady Di of Ameter, and their son Radius for wordplay, puns, and problem solving in this geometry-packed math adventure. King Arthur was a good ruler, but now he needs a good ruler. What would you do if the neighboring kingdom were threatening war?

Naturally, you'd call your strongest and bravest knights together to come up with a solution. But when your conference table causes more problems than the threat of your enemy, you need expert help. Enter Sir Cumference, his wife Lady Di of Ameter, and their son Radius. With the help of the carpenter, Geo of Metry, this sharp-minded team designs the perfect table conducive to discussing the perfect plan for peace. The first in Sir Cumference series, *Sir Cumference and the First Round Table* makes math fun and accessible for everyone.
