**New Life, No Instructions** May 15 2021 The Pulitzer Prize winner and New York Times bestselling author of Let's Take the Long Way Home now gives us a stunning, exquisitely written memoir about a dramatic turning point in her life, which unexpectedly opened up a world of understanding, possibility, and connection. *New Life, No Instructions* is about the surprising way life can begin again, at any age. Look for special features inside. Join the Random House Reader's Circle for author chats and more. "What do you do when the story changes in midlife? When a tale you have told yourself turns out to be a little untrue, just enough to throw the world off-kilter? It's like leaving the train at the wrong stop: You are still you, but in a new place, there by accident or grace, and you will need your wits about you to proceed. "Any change that matters, or takes, begins as immeasurably small. Then it accumulates, moss on stone, and after a few thousand years of not interfering, you have a glen, or a waterfall, or a field of hope where sorrow used to be. "I suppose all of us consider our loved ones extraordinary; that is one of the elixirs of attachment. But over the months of pain and disrepair of that winter, I felt something that made the grimness tolerable: I felt blessed by the tribe I was part of. Here I was, supposedly solo, and the real truth was that I had a force field of connection surrounding me. "Most of all I told this story because I wanted to say something about hope and the absence of it, and how we keep going anyway. About second chances, and how they're sometimes buried amid the dross, even when you're poised for the downhill grade. The narrative can always turn out to be a different story from what you expected." Praise for *New Life, No Instructions* "Brimming with insights and wisdom . . . As far as I'm concerned, Caldwell can write about whatever she pleases. . . . Unabashed dispatches from lifelong single women are a fairly recent phenomenon. Caldwell has so much more to teach us."—Kate Bolick, *The New York Times* Book Review "Gail Caldwell offers the kind of wisdom and grace you'd wish a friend, sister, or mother might deliver. . . . Fans and new readers alike will find comfort in Caldwell's voice."—*The Boston Globe* "Quiet but powerful . . . an absorbing meditation on grief and rebirth in midlife."—More "Eloquent and uplifting . . . [a story] to inspire you."—*Good Housekeeping* "Graceful and reflective."—*USA Today* "[Caldwell] confronts, with pluck and fortitude, the hurdles that life throws her way."—*Publishers Weekly* "An uplifting journey . . . This book celebrates finding support where you least expect it."—*Woman's Day* "[A] beautifully written memoir."—*Parade* "[A] thoughtful, wide-eyed view of the world . . . [Caldwell] ably explores the shifts of our hearts."—*Kirkus Reviews* "Getting old, as they say, is not for sissies, and no one would call Pulitzer Prize-winner Caldwell a wimp. . . . There may not have been a road map for the life-changing trip [she] was about to take, but . . . Caldwell realized she had the power to endure."—*Booklist*

**I'll Tell You in Person** Nov 20 2021 Praise for Chloe Caldwell: "I read it a couple of months ago in one can't-put-it-down-even-though-it's-the-middle-of-the-night sitting. It's as intense and interesting and clear-hearted as they come."—Cheryl Strayed "I'll read anything Chloe Caldwell writes. She's a rare bird: fearless, dark, prolific, unpretentious, and truly honest."—Elisa Albert "Nothing's sexier than first love and first intimacies, and Caldwell's brave autobiographical tale twists the trope into a powerful story about unexpectedly falling in love with a woman and the discoveries, sexual and otherwise, that ensue."—*Time Out New York* "The essays in this collection are as exuberant as they are sad. Her storytelling is as vulnerable as it is bombastic. These essays roll in gangsta, but wear freshly picked daisies in their hair."—*Rookie Magazine* Flailing in jobs, failing at love, getting addicted and un-addicted to people, food, and drugs—I'll Tell You in Person is a disarmingly frank account of attempts at adulthood and all the less than perfect ways we get there. Caldwell has an unsparing knack for looking within and reporting back what's really there, rather than what she'd like you to see. Chloe Caldwell is the author of the novella *Women*, and the essay collection *Legs Get Led Astray*. Her work has appeared in the *Sun*, *Salon*, *VICE*, *Hobart*, *Nylon*, the *Rumpus*, *Men's Health*, and *LENNY*, among others. She teaches personal essay and memoir writing in New York City and lives in Hudson.

**Reflections on the Revolution In Europe** Jun 23 2019 In light of cultural crises such as the Danish cartoon controversy and the terrorist attack on the *Charlie Hebdo* newspaper in Paris, Christopher Caldwell's incisive perspective has never been more timely or indispensable. *Reflections on the Revolution in Europe* is destined to become the classic work on how Muslim immigration permanently reshaped the West. This provocative and unflinching analysis of Europe's unexpected influx of immigrants investigates the increasingly prominent Muslim populations actively shaping the future of the continent. Muslims dominate or nearly dominate many important European cities, including Amsterdam and Rotterdam, Strasbourg and Marseille, the Paris suburbs and East London, and in those cities Islam has challenged the European way of life at every turn, becoming, in effect, an "adversary culture." In *Reflections on the Revolution in Europe*, Caldwell examines the anger of natives and newcomers alike. He exposes the strange ways in which welfare states interact with Third World customs, the anti-Americanism that brings European natives and Muslim newcomers together, and the arguments over women and sex that drive them apart. He considers the appeal of sharia, "resistance," and jihad to a second generation that is more alienated from Europe than the first, and addresses a crisis of faith among native Europeans that leaves them with a weak hand as they confront the claims of newcomers.

**Multitudes** Nov 28 2019 'Beautifully crafted, and so finely balanced that she holds the reader right up against the tender humanity of her characters.' Eimear McBride 'A writer of rare elegance and beauty, Caldwell doesn't just get inside her characters' minds. She perches in the precarious chambers of their hearts, telling their stories truthfully and tenderly.' Independent *Multitudes* is the beautiful debut story collection from the acclaimed, prize-winning novelist and playwright Lucy Caldwell From Belfast to London and back again the ten stories that comprise Caldwell's first collection explore the many facets of growing up - the pain and the heartache, the tenderness and the joy, the fleeting and the formative - or 'the drunkenness of things being various'. Stories of longing and belonging, they culminate with the heart-wrenching and unforgettable title story.

**The Collected Novels Volume One** Jan 29 2020 A collection of New York Times–bestselling novels about wealth, power, ambition, and the American Dream from “a wonderful storyteller” (A. Scott Berg). From one of the most prolific and widely read authors of the twentieth century, these three mesmerizing turn-of-the-century sagas are now available in one volume. *Captains and the Kings*: Joseph Francis Xavier Armagh is twelve years old when he gets his first glimpse of the promised land through a dirty porthole on an Irish immigrant ship. In America, his long journey will eventually catapult him from the bigoted, small town of Winfield, Pennsylvania, to the highest echelons of society, and grant him entry into the most elite political circles. And even as misfortune follows the Armagh family like an ancient curse, Joseph will exact his revenge against the uncaring world that once took everything from him, settling for nothing less than the pinnacle of glory: the crowning of his son as the first Catholic president of the United States. Sweeping from the 1850s through the 1920s, this “spellbinding tale” was the basis for the 1976 Emmy Award winning television miniseries (*Hartford Courant*). *Testimony of Two Men*: Hambleton, Pennsylvania, is still reeling from the sensational murder trial that shattered the peace of the bucolic hamlet less than a year ago. Accused of killing his beautiful young wife, Dr. Jonathan Ferrier hired the best attorneys money could buy and was acquitted. Many townspeople believe he bought his freedom, but Robert Morgen, a young, idealistic doctor, is determined to make up his own mind about the accused's innocence or guilt. Is Dr. Ferrier a cold-blooded murderer or a brilliant physician unjustly accused and wrongly maligned? This powerful story touches on faith, religion, and the then-new field of mental health as it explores the evolution of modern medicine. *The Sound of Thunder*: The son of a socialist German shopkeeper, Edward Enger has one dream: to turn his father's modest delicatessen into an empire. With an astute head for business, he achieves success beyond his wildest imagination. Yet something is keeping him from enjoying his extraordinary good fortune. As a boy, Edward thought he would love Margaret Proster all the days of his life . . . until she moved away. Now she is engaged to another man, someone very close to Edward. **The Age of Entitlement** Jul 29 2022 A major American intellectual and “one of the right’s most gifted and astute journalists” (*The New York Times* Book Review) makes the historical case that the reforms of the 1960s, reforms intended to make the nation more just and humane, left many Americans feeling alienated, despised, misled—and ready to put an adventurer in the White House. Christopher Caldwell has spent years studying the liberal uprising of the 1960s and its unforeseen consequences and his conclusion is this: even the reforms that Americans love best have come with costs that are staggeringly high—in wealth, freedom,

and social stability—and that have been spread unevenly among classes and generations. Caldwell reveals the real political turning points of the past half-century, taking you on a roller-coaster ride through Playboy magazine, affirmative action, CB radio, leveraged buyouts, iPhones, Oxycotin, Black Lives Matter, and internet cookies. In doing so, he shows that attempts to redress the injustices of the past have left Americans living under two different ideas of what it means to play by the rules. Essential, timely, hard to put down, *The Age of Entitlement* “is an eloquent and bracing book, full of insight” (New York magazine) about how the reforms of the past fifty years gave the country two incompatible political systems—and drove it toward conflict.

**The Push** Sep 18 2021 A New York Times Bestseller A dramatic, inspiring memoir by legendary rock climber Tommy Caldwell, the first person to free climb the Dawn Wall of Yosemite's El Capitan “The rarest of adventure reads: it thrills with colorful details of courage and perseverance but it enriches readers with an absolutely captivating glimpse into how a simple yet unwavering resolve can turn adversity into reward.” —The Denver Post A finalist for the Boardman Tasker Award for Mountain Literature On January 14, 2015, Tommy Caldwell, along with his partner, Kevin Jorgeson, summited what is widely regarded as the hardest climb in history—Yosemite's nearly vertical 3,000-foot Dawn Wall, after nineteen days on the route. Caldwell's odds-defying feat—the subject of the documentary film *The Dawn Wall* to be released nationwide in September—was the culmination of an entire lifetime of pushing himself to his limits as an athlete. This engrossing memoir chronicles the journey of a boy with a fanatical mountain-guide father who was determined to instill toughness in his son to a teen whose obsessive nature drove him to the top of the sport-climbing circuit. Caldwell's affinity for adventure then led him to the vertigo-inducing and little understood world of big wall free climbing. But his evolution as a climber was not without challenges; in his early twenties, he was held hostage by militants in a harrowing ordeal in the mountains of Kyrgyzstan. Soon after, he lost his left index finger in an accident. Later his wife, and main climbing partner, left him. Caldwell emerged from these hardships with a renewed sense of purpose and determination. He set his sights on free climbing El Capitan's biggest, steepest, blankest face—the Dawn Wall. This epic assault took more than seven years, during which time Caldwell redefined the sport, found love again, and became a father. *The Push* is an arresting story of focus, drive, motivation, endurance, and transformation, a book that will appeal to anyone seeking to overcome fear and doubt, cultivate perseverance, turn failure into growth, and find connection with family and with the natural world.

**Savage Hearts 2** Oct 27 2019 Admiring a Caldwell painting is like peering through a portal to an alternate dimension; you can actually see the fantastic come to life in vivid detail. His creatures glisten in otherworldly sunlight, savagely ferocious and fully realised in every way. As for Caldwell's women -- they exude both an exotic beauty and an inner authority that sets them apart from the average bimbo warriors of lesser artists. His visions are at once unique and familiar, as if the incredible were an every day occurrence, and Clyde just happen to be there to capture it on canvas. This volume also contains a magnificent full-colour section which showcases Caldwell's unparalleled paintings.

**I, Judas** Jul 17 2021 From a #1 New York Times—bestselling author: The story of Judas Iscariot—and the stunning betrayal that changed the course of history. One of the great dramas of the biblical era is brought to thrilling new life in this epic novel told from the unique perspective of Judas Iscariot himself. This is the story of Judas the myth, condemned by Dante to the most terrifying circle of Hell; Judas the man, the son of wealth and power who fought to suppress the lusts of the flesh and the sin of pride to become one of the twelve original disciples of Jesus Christ; and Judas the apostle, victim of a diabolical lie, history's arch traitor, who sold his Lord for thirty pieces of silver, and sealed his fate with a kiss. From Judas's years as the young rebel of an affluent family undone by his own idealism to his victimization by Pontius Pilate to the crucifixion and Christ's resurrection, *I, Judas* “read[s] like a modern novel of intrigue and thrills” (Chattanooga Times). The final entry, following *Dear and Glorious Physician* and *Great Lion of God*, in a trilogy celebrating key historical figures of the Bible, it is one of the most powerful and revelatory works of religious fiction ever published.

**The Romance of Atlantis** Jul 05 2020 A young queen is torn between her heart's desire and the fate of her kingdom in this “first-rate” fantasy from a New York Times—bestselling author (Library Journal). On his deathbed, the four-hundred-year-old emperor of Atlantis has reason to worry. Signar, the savage ruler of a powerful outlying state, is scheming to seize control of the empire, and not even its advanced technology can save it. But something else can . . . From the frozen north country of Althrustri, Signar will halt his invasion if he can take the emperor's daughter, the beautiful Empress Salustra, as his bride. Such a marriage contradicts the deepest feelings of Salustra's heart, the secret wisdom of her lineage, and her sacred trust as Atlantis's queen. But the emperor has a plan: Salustra will seduce Signar and then sentence him to death. In spite of every effort to harden her heart, Salustra soon finds herself falling in love with the lustful barbarian. Her loyalties gravely divided, the empress must make a decision that will change the course of history. Written by author Taylor Caldwell when she was a young girl and revised and published decades later, *The Romance of Atlantis* transforms the legend of a lost kingdom into an “extraordinary” tale of passion and intrigue (TheColumbus Dispatch).

**The Push** Aug 18 2021 A dramatic, inspiring memoir by legendary rock climber Tommy Caldwell, the first person to free climb the Dawn Wall of Yosemite's El Capitan. On January 14, 2015, Tommy Caldwell, along with his partner, Kevin Jorgeson, summited what is widely regarded as the hardest climb in history Yosemite's nearly vertical 3,000-foot Dawn Wall, after nineteen days on the route. Caldwell's odds-defying feat was the culmination of an entire lifetime of pushing himself to his limits as an athlete. This engrossing memoir chronicles the journey of a boy with a fanatical mountain-guide father who was determined to instill toughness in his son to a teen whose obsessive nature drove him to the top of the sport-climbing circuit. Caldwell's affinity for adventure then led him to the vertigo-inducing and little understood world of big wall free climbing. But his evolution as a climber was not without challenges; in his early twenties, he was held hostage by militants in a harrowing ordeal in the mountains of Kyrgyzstan. Soon after, he lost his left index finger in an accident. Later his wife, and main climbing partner, left him. Caldwell emerged from these hardships with a renewed sense of purpose and determination. He set his sights on free climbing El Capitan's biggest, steepest, blankest face the Dawn Wall. This epic assault took more than seven years, during which time Caldwell redefined the sport, found love again, and became a father. *The Push* is an arresting story of focus, drive, motivation, endurance, and transformation, a book that will appeal to anyone.
