Animals and their importance in the Bible Nov 18 2021 Seminar paper from the year 2007 in the subject American Studies - Miscellaneous, grade: 1,7, University of Konstanz (Universität Konstanz), course: Another Anthropology, Visual and textual Representations of Animals - ethical and aesthetical perspectives, language: English, abstract: God is the creator of everything. He breathed life into animals and man, and made them living souls. "The Lord is good to everyone. He shows compassion on all His creation." (Psalm 145:9) God created man and animals according to His infinite love and wisdom. God values everything He created, including animals, and He wants only the best for them. In the beginning God created the heavens and the earth, and He was pleased with all He made. But He wanted more. He wanted relationship and fellowship. His desire to pour out, and receive love in return remained unfulfilled. So He decided to create animals and man. God created animals before he created man, and placed them in the perfect serenity that was then earth. He has breathed the same breath of life into all living beings from the beginning of time through today.

Marriage and the Mystery of the Gospel Jul 02 2020 "This mystery is profound, and I am saying that it refers to Christ and the church." —Ephesians 5:32 Marriage reveals something of eternal significance. From the beginning, God designed marriage to convey a greater reality—the passionate, unending, redeeming love of God for sinners, the eternal romance between Christ and his bride. In this volume, Ray Ortlund traces marriage throughout Scripture—from the first marriage in the garden of Eden to the ultimate marriage in the book of Revelation—laying out a transcendent vision of marriage that dignifies our own imperfect unions as a display of the gospel. This book offers insight and hope to every married person today. Part of the Short Studies in Biblical Theology series.

Paul Among the People Dec 07 2020 It is a common—and fundamental—misconception that Paul told people how to live. Apart from forbidding certain abusive practices, he never gives any precise instructions for living. It would have violated his two main social principles: human freedom and dignity, and the need for people to love one another. Paul was a Hellenistic Jew, originally named Saul, from the tribe of Benjamin, who made a living from tent making or leatherworking. He called himself the "Apostle to the Gentiles" and was the most important of the early Christian evangelists. Paul is not easy to understand. The Greeks and Romans themselves probably misunderstood him or skimmed the surface of his arguments when he used terms such as "law" (referring to the complex system of Jewish religious law in which he himself was trained). But they did share a language—Greek—and a cosmopolitan urban culture, that of the Roman Empire. Paul considered evangelizing the Greeks and Romans to be his special mission. "For you were called to freedom, brothers and sisters: but do not use your freedom as an opportunity for self-indulgence, but through love become slaves to one another. For the whole law is summed up in a single commandment, 'You shall love your neighbor as yourself.'" The idea of love as the only rule was current among Jewish thinkers of his time, but the idea of freedom being available to anyone was revolutionary. Paul, regarded by Christians as the greatest interpreter of Jesus' mission, was the first person to explain how Christ's life and death fit into the larger scheme of salvation, from the creation of Adam to the end of time. Preaching spiritual equality and God's infinite love, he crusaded for the Jewish Messiah to be accepted as the friend and deliverer of all humankind. In Paul Among the People, Sarah Ruden explores the meanings of his words and shows how they might have affected readers in his own time and culture. She describes as well how his writings represented the new church as an alternative to old ways of thinking, feeling, and living. Ruden translates passages from ancient Greek and Roman literature, from Aristophanes to Seneca, setting them beside famous and controversial passages of Paul and their key modern interpretations. She writes about Augustine; about George Bernard Shaw's misguided notion of Paul as "the eternal enemy of Women"; and about the misuse of Paul in the English Puritan Richard Baxter's strictures against "flesh-pleasing." Ruden makes clear that Paul's ethics, in contrast to later distortions, were humane, open, and responsible. Paul Among the People is a remarkable work of scholarship, synthesis, and understanding; a revelation of the founder of Christianity.

In the Image of God: Male and Female He Created Them Aug 15 2021 The Creator chose to not be visible to His creatures, but is He really nowhere to be observed? Where can Creation glimpse its beloved Creator? Humanity has a unique reason for existing: it is in "the Image of God" - Jehovah's visible reflection for the sake of the universe. What an honor, privilege, and responsibility! God's reality rides on the shoulders of human beings, and many things He will do only through the hands of mankind. In our two eyes help us see in three dimensions, so also "the man" and "the woman" combined can demonstrate a wonderful depth to God. Just what does it mean to be "God's Image" and "Soul-likeness" as demonstrated in the genders and their different tasks? The stated purposes for their creation is necessary to guide discussion about the role difference in - which is often neglected. Yet in this combination is how the Creator becomes tangible and real - to oneself, to each other (particularly in marriage), to their children and to the whole cosmos.

What the Bible Actually Teaches on Women Jan 20 2022 Kevin Giles has been writing on women in the Bible for over forty years. In this book, What the Bible Actually Teaches on Women, he gives the most comprehensive account to date of the competing conclusions to this question and the issues surrounding it. To understand the bitter and divisive debate among evangelicals over the status and ministry of women, it needs to be understood that those who since 1990 have called themselves "complementarians" argue that in creation before the fall God set the man over the woman. Thus, the leadership of the man and the subordination of the woman in the home, the church, and wherever possible in the world (the whole creation) is the God-given ideal that is pleasing to God. It is this "theology" that Kevin Giles deconstructs and shows to be without a biblical foundation. Giles shows that he is fully conversant with the complementarian position and yet is unpersuaded by it. He sees it as an appeal to the Bible to preserve male privilege, similar to the appeals to the Bible to validate slavery and Apartheid: appeals to the Bible made by some of the best Reformed and evangelical biblical scholars, and now seen to be special pleading. Carefully studying the limited number of texts on which complementarians predicate their theology of the sexes, Giles finds not one of them actually teaches what complementarians claim. Furthermore, complementarians too often ignore the texts that are very difficult for them. In this book the ordination of women gets only passing mention. The constant focus is on whether or not the Bible subordinates women to men as an abiding theological principle.

What God Has to Say about Our Bodies Sep 04 2020 "God's eternal plan for us involves our body. We can't write off our physical life as spiritually irrelevant." —Sam Allberry There's a danger in focusing too much on the body. There's also a danger in not valuing it enough. In fact, the Bible has lots to say about the body. With the coming of Jesus, "The Word became flesh and dwelt among us"—flesh that was pierced and crushed for the sins of the world. In What God Has to Say about Our Bodies, Sam Allberry explains that all of us are fearfully and wonderfully made, and should regard our physicality as a gift. He offers biblical guidance for living, including understanding gender, sexuality, and identity; dealing with aging, illness, and death; and considering the physical future hope that we have in Christ. In this powerfully written book, you'll gain a new understanding for the immeasurable value of our bodies and God's ultimate plan to redeem them.

The Pleasures of God Feb 27 2020 The author of Desiring God reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Includes a study guide for individual and small-group use. Isn't it true—we really don't know someone until we understand what makes that person happy? And so it is with God! What does bring delight to the happiest Being in the universe? John Piper writes, that it's only when we know what makes God glad that we'll know the greatness of His glory. Therefore, we must comprehend "the pleasures of God." Unlike so much of what is written today, this is not a book about us. It is about the One we were made for—God Himself. In this theological masterpiece—chosen by World Magazine as one of the 20th Century's top 100 books, John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Then we will be able to drink deeply—and satisfyingly—from the only well that offers living water. What followers of Jesus need now, more than anything else, is to know and love—behold and embrace—the great, glorious, sovereign, happy God of the Bible. "This is a unique and precious book that everybody should read more than once." —J.I. PACKER, Regent College, Vancouver, British Columbia
